History teaches us that God always punished the tormentors of his Chosen People, the Jews. On June 30th, The God of Israel meted out punishment against a number of their persecutors. Do not you, Catholic brethren, see that this is God's retaliation, and a fully deserved one? We must respect the Jews who have given to the world the greatest and most precious gift, the Bible. We shall never exterminate this old people, the oldest of all peoples, by persecutions. Enlighten your brethren that racial hatred is a wild growth in our life. Tell your household who the Jews are. Wipe out the terrible inhuman prejudice against the ever-suffering people. Repent, Catholics, if you have ever done wrong to God's people, the Jews."
