1/ All our festivals intended for our own people. They alone were to celebrate them. Their meaning may have universal application - but their celebration was restricted to Israel - In fact - נסב -

"No alien shall eat thereof" 12 לוי לל נסב 12 ל -
 "A sojourner and a hired servant shall not eat thereof" 12 לוי לל נסב 12 ל -
 - It is festival of Jewish emancipation - altho also a Spring Festival -

3/ Not so x100! - on the contrary - altho also connected with Exodus - + 40 yrs wandering - this was its less important meaning. The chief significance - חג החרוש - Harvest - And Harvest is a universal festival - all nations dependent on yield of soil - And Earth

Zachariah - "And it shall come to pass that every one that is left of all the nations that came against Jerusalem shall go up from year to year to worship the King the Lord of Hosts, and to keep the Feast of Tabernacles" -

The prophet vision the time when all nations will celebrate x100 - when gentiles will participate - no other holiday is mentioned

Why? What does the 2010 symbolize to mankind?
2010 starts, harvest! And in ancient Israel
Harvest was associated, not alone with Thanksgiving
but with sharing the gifts / food.

① And when ye reap the harvest of your land, thou
shalt not wholly reap the corner of the field, neither shalt
thou gather the gleanings, thy harvest, and thou shalt not
glean thy vineyard, neither shalt thou gather the fallen
fruit of thy vineyard; thou shalt leave them for the poor
and for the stranger.

② There must be no Harvest without sharing.
There must be no abundance for one + to be want
for others.

No man - no nation can endure a cult en-
joy properly alone.

The Messianic Time - the hoped-for time can
only come when all the nations of the earth will bear
this lesson -

5/ Is not this the inevitable truth behind the Marshall
Plan -

Come America - robust, most generous - live in its
our harvest - Universal Anarchy - engaged as to
Apostrophe Rev.
