Rabbi Abbi Hillel Silver, Noted Jewish Orator, Speaker at our Forum on Monday Evening

Next Monday evening, November 19th, we shall be privileged to listen to an address by the famous Jewish orator, *Rabbi Abbi Hillel Silver*, of Cleveland Ohio.

The subject of his address will be—"*Is Evolution the Foe of Religion?*"

Rabbi Silver needs no introduction to our Forum audience. He has spoken from our pulpit a number of times previous to this, and he always had a most inspiring message to deliver.

The *Forum Committee*, in view of the large audience that always greets Dr. Silver's lectures, has arranged to hold the Forum in the Synagogue. All seats will be reserved, and those who want to secure choice seats are requested to make their selection of seats with the least possible delay.

Admission to all seats will be Fifty Cents.
