Members of Drill Team and Buffalo Bills Mounted Troop

*Sunset and Evening Star, and one clear call for me,
And may there be no moaning of the bar, when I put out to sea.
But such a tide, as moving, seems asleep; too full for sound or foam;
When That which drew from out the boundless deep, turns again home.*

Brotherly Love

Fidelity

*Twilight and evening bell, and after that the dark—
And may there be no sadness of farewell, when I embark.
For, though from out our bourne of time and place, the flood may bear
me far;
I hope to see my Pilot, face to face, when I have crossed the bar.*

—Tennyson.
