Zionism, 1930.

1. *Volce et decorum est pro patria mori* - "Sweet
and surely is it to die for ones fatherland"
(a) Assembled to honor those who died for our fatherland. ~~But~~
a people we have more than share of martyrs died.
A bi-millennial record of martyrdom. And every
corner of the earth bears witness to the steadfast
faith of Israel - in the ~~memory~~ named or unnamed
years of our sons & daughters down to death (12) 6
pl. Many died for the unpardonable sin of
being Jews - Others in the war years and
revolutions in which they had no state.
Still other ~~people~~ chose death rather than
up their faith. Not once in the last
1800 years - since ~~the~~ ~~Rabbi~~ - did Jews
die in ~~defense~~ ~~of~~ ~~their~~ ~~fatherland~~ - until
the last 15 yrs. ~~to~~ ~~us~~ ~~lost~~ ~~us~~ ~~Israel~~ -

2. 3 (12) 12 / 1000. - 3rd. 1800 - 2000 -
doleful tale, an sorrowful presentation - the
elegiac statement of 1821 - our coming thence -
There was the bad plan by the Czar of Rome -
Byzantium - Babylon - Mosh. Thales - V. 5, 10, 15
in Spain - Almoravids - The Crusades -
The terrible years, the Rindfleisch and
Anubach riots in Germany - The bloody
year of 1320-21 in France 1170 1157 +
1170 1157 - The bloody year, the Black
Plague - The Hazeche, the Expulsion from
England + Spain - Correct Rebels

The pogroms which began in 1905
and the butchering blood-bath for our clay-
-but in view, there do you do in defense
this Homeland - It was only with the first
presence of a reconstructed J. Han - during the
wild war - that our first patriotic ~~and~~
sacrifices appear - The Jew. movement - the
Zion must crops under Col. Patterson
appear on the scene - the wild war for justice
for the people of J. Han - ^{in way to the Am. - gap - ally}
Adair, 1920 - 10 yrs. ago
Joseph Thompson is shot down at 17
17 - Rodman - 4 men - 2 girls killed -
5 wounded - wounded in abdomen - replaces
entirely - It is good to do for our
Country - They had the list of names
under - 5 killed - 20 wounded - ^{that save from note in}
Jews - 5 killed - 20 wounded - ^{way} Then came the
note in ¹⁹²⁴ with all
killed, 20 wounded. And lastly - August 1929 -
125 dead, - 1000 wounded + much
destruction of property.

3. We are proud of the dear dead as we are
of all the unnumbered heroes, as rare
who laid down their lives that Israel
might live. They shall never be forgotten.
Israel never forgets its beloved children
who give up their lives upon its high
altar. It is the only reward ^{we} can
make for such bravery. It will hold
their precious names for ever and
place their names in the halls of its

inimutably.

11. There is emigration - 10 of thousands of Jews
leaving in East. Europe every week who
fighting on various battle fronts under
different flags - frequently Jew killing
Jew in defence - what of nation
which hated & oppressed them & equated
with that of the years which treated them
like vermin & insects.

There does for Israel - there are people -
there are land - there people's future.
When the morning when today flows
what was once a little seed has now
a Jew. From the East a Jew to
say - Zhid - and turn away. When
our children in the world will be seen
for in Israel - will visit the graves
there they will kneel with tears to
come - they will place wreaths upon
them - and deep a paternal tear -
and be inspired by their memory -
57 - See p. 32.

6. No Homeland now can exist without
warfare, let us remember that. And
let us not be deceived from our destiny
by the sea which we have been compelled

to buy, a wheel was there to turn. to
keep in motion. Or we are unwilling
of a Homeland - & a hot life -

① I have just says - There is a danger
in Pal. Why go there? Why send people
there? Why put money into it? ~~Only~~
This is the psych. of the small home owner
& shop-keeper - builder of nations, ~~the~~
~~empire~~, pioneer, settler & new continent
do not ask for insurance policies
before they embark upon their histo-
ric tasks. They assess insurance
cost - which will never write safely
of life, but to perfectly fit men who
seek nat. independence and freedom.
Every people which found independence in the
last war paid for it in blood. This
is the law of life.

7. What is our Task -

① To desert is to betray their dead - to
mock their sacrifices. To carry on - is
to honor their memory.

② This last fear - hardest in ~~our~~ history
our war - ① Riots & August - bad enough -
But the reaction was even worse -

1. End - want to maintain Musical Show
~~1. Not just date - but being self started - being off.~~

2. Flute -

1. And yet - there can never be song in Zion. 188

וְכֵן יִהְיֶה כִּי יִבְנֶה בְּיָמָיו אֶת-בְּיָמָיו

2. But we must somehow save movement
from the ^{wilderness of the} Concentration place - Restless lift, exaltation
and hysterical expression - ~~the~~ Our pace has been
wary, clogged and pedestrian - ~~our politics~~ bridge politics
When an
army is tired from long march - some
one starts a song - another - and then
infects - ~~the~~ Shulman stay like -

3. ~~I~~ I am thinking of the soldier in the ranks -
to rekindle the high moral -

The generals can't do it -

We have fatuously assumed - change
in administration - Vain - Can't

generate enough enthusiasm - for whole

racial qualities and loyalties
this one gives his intellect etc.
and, together they are fused, and oh
poor - behold The Menial & the
other.

5. Out, this convention must go

its position of supremacy - or we

4. I appeal for unity in the P. effort. - P. is greater than any person -
I must eclipse every contemporary. I stand upon this
platform in the midst of ~~men~~ ^{men} even with ~~all~~ ^{some} of
an at first variance about many things, great
and small. I yield not an iota of my conviction
to ~~them~~. We may differ radically as to
basic ideas, as to method and manner. But in
the ^{great} ~~most~~ ^{deepest} interest of our life - Palestine - we
are one and inseparable. Nothing must be
permitted to endanger that indispensable unity
in Israel - a unity effected ~~by~~ ⁱⁿ many years of heart-
breaking effort - without which our difficult great
task will be thwarted and beaten.

2. Z. is not an artificially stimulated movement. Herzl
did not originate it, and propagandists have not kept
it alive. It is the work of the people of an age-old
hope. It is the newest expression of that evergreen
will of the people to reestablish itself with complete
nationality which has persisted through the centuries.
It stands as a life and a yearning when there
was neither leader ~~nor~~ organization or prospect.
וְהָיָה צִיּוֹן בְּיָמֵינוּ - The day the Temple was
destroyed, Zionism was born. The whole Messianic
movement in Israel which began in earnest in the
first century, ^{as result of} ~~during~~ Roman oppression, and which
continued with peaks of more intensity in
the 19th century, was broad up with the restoration
of Israel - ~~not without the work of Herzl~~ in it was I.

EDITORIAL OFFICE

GREETINGS

We are delighted to welcome you all tonight. We hope you enjoy the dinner, the speeches and the participation in what has come to be social work's biggest annual party.

We are particularly glad to welcome those among you who are not subscribers to BETTER TIMES, since this gathering will give you, more than any words of ours, a realization of the good will our publication so gratefully enjoys from those concerned with the social progress of the city. We are glad to have you come to our party, glad to have even this once-a-year meeting with you, but we sincerely hope that tonight the acquaintance will ripen and that you, by subscribing to BETTER TIMES will let us come to see you regularly throughout the year. On the back of your ticket you will find a place to register your friendliness.

Sincerely,

George F. Becht
