Palestine protest meeting, 1930.

+ 2<sup>nd</sup> ① Protest against violation of letter spirit & mandate  
in part § 5. B. ② Exhort you not to be discouraged or demoralized  
but to carry on -

2 - Our trouble in P. Long-standing - Dates from issuance  
of B. White - The present suspension is not first - we  
had in 1922. The book is August not first - 1921.  
The present White book - not first - Churchill 1922  
In 10 years we have been forced to criticize Cal. Edu-  
to protest, to see with abysmal volensay our full  
hopes gradually derivate & derivate - until  
now - they seem entirely ~~extinct~~ ~~the~~ vanished -  
P. H. C. The book

① Have attended every year since but 2 - At each one - both complaints well provided with good ventilation -  
not an acre to grow (2) <sup>typical</sup> ~~typical~~ Farms for Arab  
schools - a further 10 to 15 schools (3) 10 Arab  
employed in govt. works, to one Jew - (4) 20  
Arabs ~~and~~ in pol. militia and police force to 1  
Jew. (5) August taxation and unfair import duties  
~~cripples~~ interfering with trade. (6) Etc. Etc.

② At no time did you & I feel that Sant was unconf. with them - interested in J. Howland - ~~never aware that~~ ~~we~~ always felt a coldness, after acquaintance, of the ~~underlying~~ hostility.

3.) also entirely to look & determine of who. & Mandate.  
We backed B. D. which was not a charter, or a court,  
or ~~an~~ a treaty with specific, detail by the & principle  
- just a declaration - We placed the Max in an

unhelp. after it - Eng. has been fit to plan the  
minimum - Even mandate - is not clear -  
and Shaul's report is right in pointing out the  
(quote). A right-thinking + rightly disposed  
Govt. would naturally have concluded  
that it must place emphasis upon the  
primary objective - it certainly would  
have carried out plain meaning of Art.  
6 - (Stat Favors) This was not done.

4) Instead, Govt proceeded along the theory that  
it was in fact not to uphold J. Bauland  
but to hold balance of power bet. Jews  
& Arabs - - "a neutral + impartial  
attitude" - But - Art. 6 - shall prevail  
etc - Govt. has turned its back  
upon whole spirit + intent of  
mandate

5) This holding balance leads to disaster.

① Either side can make progress only  
then protest or threats or riots - The  
Jews have protested for 10 yrs - & made  
no progress - Dr. Ben-Zion has not  
and failed their objectives each  
time. Govt. policy has been  
XINJO ENXJ - XINJO ENXJ /  
negotiation -

We remind E. J. cannot build Pol. without  
men on land, any man - Jews in Egypt  
could make back without Shaw

We remind that if does not wish to  
carry out mandate - say so and  
get out - yield up trust which was  
given to him in resolution that he  
upheld of that time, we will  
not be misled by Simpson -

used as backing for stopping money &  
land - just as were proved by Shaw  
began attack upon mandate.

Palestine Front  
Meeting - June 9, 1930

19. Carry on! Under Sacton we carried on!  
Shan & I have <sup>not</sup> ~~been~~ <sup>in</sup> ~~the~~ <sup>our</sup> ~~place,~~  
We're at the ~~last~~ - <sup>Not our work</sup> We carry on!  
- With love, peace, <sup>calm</sup> ~~serenity~~ <sup>refusing</sup>. But carry  
on =

11. No material here is lost without  
reciprocity —

החלטת הוועדה - להעביר את המסמך

He buyeth power to no thing  
He maketh judges, the earth  
as a thing; now at

וואו מ'ווייזט אלס דאס - און ווייזט - וואס עס איז...  
 דער יארג פון דעם זיידע - דאס פארט -  
 און דער יארג פון דעם זיידע.

Behold, I shall make thee a new threshing-sledge,  
Having sharp teeth — Then shalt thresh the  
mountains, and beat them small — Then  
shalt make the hills as chaff.

# Appl. notes 5 1921 - Churchill. After 1929.  
Shaw Com. Report - White Paper & Supers. & Summary.

# ② Looks good & Arab without any court rights or  
vet. power - Pal. governed by Pal. Admin. is auto-  
cratic jurisdiction - & by Colonial Office - only check is from Mandate Comm. & League of Nations  
does little more & receive & review reports  
submitted to it & occasionally has complaints  
when Eng. interests require & inter. of support -  
J. will be proved for a time - When ~~that~~ would  
Mandate support - Quota - Jewish right  
will be so compared to the Nat. demands -  
③ There is neither certainty, nor stability nor  
security in Pal - On J. Com. is shut out  
in favor of B's Imperial game - We  
cannot build with confidence & assurance  
in such a atmosphere of pol. anarchy.

③ It was better by far if Pal. had a  
Leg. Council - Such Council was proposed  
in 1922 - & it was broken & not given  
who rejected it - The established leg.  
Council would compell a clear cut legal  
def. of the rights of the J. Com. in Pal.  
Then right would be established in

- no directive - no officers or troops  
no money - Real is 1000 \$

- 40 letters - 40 papers, and 10 letters  
to unemployment - that is 100 letters

5) ~~Get~~ <sup>Get</sup> office to split minority report of  
Mr. Snell - got. accept. Friday -  
Suspend him very at once - without cause.  
Certificates previously issued - & send  
Mr. Simpson, without Council. 2. Dec. when

Gart. promises to lay upon parents  
from upon each village which part  
part is rising & rising & to make Jews  
restitute to Jews for damages sustained.

A shabby face covered. For a slave  
husband, wife etc - paid -

Man who suffered damages monthly  
to 5000 dollars when received \$1.40  
at \$3.50 - . Spent at Helen de Haged  
\$270 - (1000). Sepharim Com. 3 yrs (\$32000)  
\$880. Sepharim Saps (50000) \$500. A Rabbin  
notes who has his hand cut off & bone  
lost received \$2.50.

## 8/ Our Task

(1) Beyond our internat. front! Other nations, ~~including U.S. the disintegration~~ & abn. Pal. mandate demand for us. - Min. & 30 nations have req. us by the - Let us must use their active interest & support. In future, in Paris, in Washington we must Estab. the necess. diplom. & pol. contacts. We must cultivate friends everywhere, & not focus our hope exclusively on Britain -

(2) To work out a modern Israeli with the intell. & a new needed sections: Pol. Arabs on basis of class. Econ. & Pol. Cooperation. We must not remain on Jewish side; the Jews, with England & playing both ends against the middle. We should have begun that work 15 years ago - It is not too late yet. It may not be revised possible. But plans must be done now - ~~the~~ Snell - program not along pol. common -

9/ We shall be in strange position when we are numerically stronger - Perhaps 50,000 J. families - We might have had them now - if Mr. Yus had not to say
