Lord, while for all mankind we pray,  
Of every clime and coast,  
O hear us for our native land,  
The land we love the most.

O guard our shores from every foe;  
With peace our borders bless,  
Our cities with prosperity,  
Our fields with plenteousness.

Unite us in the sacred love  
Of knowledge, truth, and thee;  
And let our hills and valleys shout  
The songs of liberty.

Lord of the nations, thus to thee  
Our country we commend;  
Be thou her refuge and her trust,  
Her everlasting Friend.

Be ours the vision, ours the will  
To follow, though the faithless ban;  
The love that triumphs over ill,  
The trust in God and hope for man.

And thou whose tides of purpose bear  
These mortal lives that come and go,  
Give us to feel through toil and prayer  
Thy deep eternal underflow.
