persecuted - but

Bruno Walter - concealed his J. birth
refused to admit it -

⑤ Remember those Jews who have

been as periphery deluded or way
their brother in Jer - whose contact
with J. comm. has been only by way of Phil
& with Temple by way of Cemetery

⑥ Assam. was a pretty dream which has
turned into a nightmare

5). A word abt our Temple.

1/ I have always regarded it as a hat-trick
I will continue to regard it as such

2/ I cannot prevent this 83 lb. matter
to become small, parochial, circum-
scribed in essential activities bec. of
lack of funds

3/ I know that the Affair has access
sharp centralization - Budget 40% -
salaries - blues

4/ But there is a limit - with only an int.

5/ Therefore the official family has been
sent - It must do more -

6/ ~~you~~ cut does at wrong time
- Period of inflation
- Resentment
- Nothing gained - delugant - Complaints
