YOU WILL HEAR A GREAT MESSAGE FROM A GREAT JEW

Recently returned from an eight months' tour of study of Europe and Palestine, Dr. Abba Hillel Silver will bring to Toronto Jewry a message of inspiration and courage which those who are privileged to hear it will not soon forget.

Spiritual leader of one of the largest liberal Jewish congregations in the United States, Dr. Silver is actively identified with many of the great social movements of our day.

He was a member of President Hoover's Unemployment Relief Commission, and was one of the framers of the Unemployment Insurance Bill of Ohio. He is on the National Child Labor Commission, the Commission on Militarism in Education, the American Civil Liberties Union and the National World Court Committee. He is also on the Board of the Hillel Foundation.

As many Toronto Zionists know, Dr. Silver is one of the leaders of the Zionist Movement in America. He is also a member of the Jewish Agency for Palestine.

Noted as a writer, Rabbi Silver has written a number of books; among them, "Messianic Speculations in Israel"; "Democratic Impulse in Jewish History"; and "Religion in a Changing World."
