SUCCOTH

was the forerunner of the American Thanksgiving.

Thanksgiving without thanksgiving is a lip service of hypocrisy.

REOPENING OF RELIGIOUS SCHOOL

All new pupils, six years of age and over, should be enrolled immediately.
All Sunday Morning Classes of the Religious School will reopen on October 4th.

The Confirmation Class will meet with Dr. Mann for its first session on Saturday morning, October 10th, at 9:00 o'clock.

The High School Classes will reopen on Saturday morning, October 10th, at 10:00 o'clock.

The Normal School will reopen on Saturday morning, October 10th, at 11:00 o'clock.

THE GERMAN SERVICES

So many letters of appreciation have come for the German Services from those who were privileged to attend them and so many others of commendation from all parts of the country for Sinai's thoughtfulness of those who are the victims of persecution, that we take this means of acknowledging them with gratitude for the blessings that are ours in this land of freedom and opportunity.

We are grateful to Rabbi Hermann Schaalmann, who conducted the services with dignity and learning, and to Mme. Sonia Sharnova, who was in charge of the music and rendered the German ritual with art and delicacy.

YOM KIPPUR FLOWERS

The flowers that beautified our pulpit on Yom Kippur were the gift of Mr. Al Tiger in memory of his mother, and Miss Bernice Wertheimer in memory of her mother.

DRAMA CIRCLE OF SINAI SISTERHOOD

The first meeting of the Sisterhood Drama Circle will be held on Monday, October 5th, at 1:30 o'clock, at the Center. Mr. C. Henry Nathan will give a reading of a contemporary play. Guest fee, twenty-five cents.

A WORD OF APPRECIATION

The President, the Board of Trustees of the Congregation, and the Rabbi, take this means of expressing their deep appreciation to Mr. Philip P. Sachs and Mr. Joseph M. Kraus, who assisted in the reading of the services on Rosh Hashonah and Yom Kippur.

We are equally appreciative of the most efficient services of the ushers of our Congregation, who performed their duty of seating the twenty-one hundred people in our Temple with graciousness.

OUR 75th ANNIVERSARY

Many facts about Chicago Sinai Congregation will be brought to your attention during the next few weeks, in connection with the 75th Anniversary of our great Congregation.

Sinai is the oldest of all congregations in America that began as a reform congregation. Other congregations as old were first orthodox or conservative and then evolved into reform.

Sinai Congregation has had an uninterrupted Sunday Service for sixty-two years, the longest of any congregation in America. Sinai Congregation has had its Services on Sunday only for fifty-one years, unparalleled by any other congregation.

A beautiful commemoration service has been arranged for Sunday morning, October 25th, in our Temple. An elaborate banquet will be held at the Palmer House in the evening, with brilliant entertainment.

WHO'S WHO

James G. McDonald

The Honorable James G. McDonald is an authority on foreign affairs and internationally known for his work as League of Nations High Commissioner for German refugees, and is now a member of the editorial staff of the New York Times.

For his work as High Commissioner for German Refugees, Mr. McDonald received world-wide acclaim. He directed the work of this agency of the League of Nations from October 1933 until the close of 1935. During this time about three-fourths of the 80,000 refugees from Germany were placed in new homes through the efforts of the High Commissioner, and organizations throughout the world which raised a fund of ten billion dollars for the relief and rehabilitation of these refugees.

Mr. McDonald is vice president of the National Council for the Prevention of War, a member of the Commission on International Justice and Good Will of the Federal Council of Churches, honorary chairman of the Foreign Policy Association, and a trustee of the American Council of the Institute of Pacific Relations and of the Twentieth Century Fund. He was a member of the faculty at Harvard, Radcliffe College, and Indiana University.

ABBA HILLEL SILVER

Rabbi Silver occupies a unique place in the Jewish pulpit of America. He is universally recognized for his ability as a distinguished scholar, preacher, and for his outstanding leadership in causes which bespeak not only the higher interests of his local community but that of the nation and humanity. Appointed by President Hoover in 1931 a member of the National Unemployment Relief Commission, of which he was elected chairman, a Vice President of the Non-Sectarian League for the Defense of Human Rights against Naziism, a director of the American Birth Control League, Cleveland Associated Charities, Hillel Foundation, Jewish Publication Society, and a member and constructive force in other humanitarian organizations too numerous to mention, Rabbi Silver has made some very genuine contributions to our contemporary life.

Few men in our generation have so rare a gift of scholarship, eloquence, personality, and the creative faculty of sage and mystic as Rabbi Silver. He speaks with a voice resonant with the strength which only the great masters of thought and speech command. His participation in our celebration will be a memorable one.
