Hymn

1. The spacious firmament on high,
With all the blue ethereal sky,
And spangled heav'ns, a shining
frame,
Their great Original proclaim:
Th' unwearied sun, from day to day,
Does his Creator's power display,
And publishes to every land
The work of an almighty hand.
2. Soon as the evening shades prevail,
The moon takes up the wondrous
tale,
And nightly, to the listening earth,
Repeats the story of her birth;
While all the stars that round her
burn,
And all the planets in their turn,
Confirm the tidings as they roll,
And spread the truth from pole to
pole.
3. What tho' in solemn silence all
Move round the dark terrestrial ball?
What tho' no real voice nor sound
Amid the radiant orbs be found?
In reason's ear they all rejoice,
And utter forth a glorious voice;
Forever singing, as they shine,
"The hand that made us is divine."

Hymn

1. Walk in the light! so shalt thou know
That fellowship of love
His Spirit only can bestow,
Who reigns in light above.
2. Walk in the light! and thou shalt find
Thy heart made truly His,
Who dwells in cloudless light en-
shrined,
In whom no darkness is.
3. Walk in the light! and thou shalt own
Thy darkness passed away,
Because that light hath on thee shone,
In which is perfect day.
4. Walk in the light! and thine shall be
A path, though thorny, bright:
For God, by grace, shall dwell in
thee,
And God Himself is light.

Benediction
