Our Guest Speaker

*Dr. Abba Hillel Silver*

WRHS

Palestine today represents the largest free Jewish community in the world, next to the United States. It serves both as a haven for those suffering thousands caught in the maelstrom of war and persecution on European soil, and as a vanguard of democracy — on Britain's first line of defense in the Mediterranean.

As Americans and as Jews it is our duty to do our utmost to extend all aid to Palestine.
