DR. ABBA HILLEL SILVER

Clergyman, Author, Lecturer, Philanthropist and Leader

Rabbi of the Cleveland Temple

★ Dr. Silver is an outstanding national figure. A precocious student, he has been affiliated with many important movements and organizations working for the establishment of freedom and cooperation. He has been internationally recognized for his services in the Zionist movement. A brilliant analyst of contemporary conditions, with a fine reputation as a speaker on platforms across the land, Dr. Silver will bring us a message of inspiration — thought-provoking and instructive. ★

★ We will have several special features to note officially the birthday of George Washington. There will be many guests to hear Dr. Silver. Join them to make this a special occasion. ★
