Annual meeting, The Temple, 1946.

1/ Away much - worked hard - travelled. ⁴
(story) - "Your" contribution - So far -

(a) Indebted to you - understanding - fine perspective -

(b) next year - I hope.

2/ Progress of Corp. - Never larger -

3500 a week.

- 2500 - to-day -

Meets a great need -

No inhibition - 96 yrs. - adds something

(a) Every Jew - Superior - knows sophisticated
Exp. if they find security. - Disperses

(b) But there are those who know better

And even - but sooner or later - to
abandon shallow & facile judgments
In fear - catastrophes - turn back as
to refuge & Sanctuary

To save it from pouring in security

3/ If as fathers - less seems world -

Fraser & more complicated problems
More control - guidance - Tans -

4) In first 700 yrs - 3 times
Against onslaughts - need attacks²

5) We Jews have an special State -
rel. values -

A Jew not fostering his faith - is not
only faithless, - Undermines
Premises

6) Scholiasts - made great adv abt logic
chief study -

But they did not experimentally test
their premises - + so-called facts

And so their logic led them astray

A sound logical syllogism can
be a bridge from a false premise
to a fantastic conclusion

= Since Science is desirable - Wealth
and Education + Democracy -

The more - the better - Inure

Sc - Menace Atomic Bomb
Demor - Dictatorship -
Art - corruption -
Just, Wealth - bloody

7/ We need Indecision - Syn. - Scheme (3)
Fight Antisem. ? - no sp. strengthening
Relief ? - Tribute - no position -

הם צריכים ללכת בזהירות
enumerates - practice, charity - making
