TWO ZIONIST EMERGENCY CALLS
IN ONE UNITED RESPONSE
NACHLATH SILVER
FOR RESCUE AND RESETTLEMENT

Nachlath Silver is the instrument through which Cleveland can take part in this life saving and nation building program. "Nachlath" is a Hebrew word connoting "heritage" and is employed to describe a Palestine land tract which will bear the name of Dr. Abba Hillel Silver and which will be acquired by the Jewish National Fund with the aid of gifts given by Cleveland Zionists to provide the foundation upon which one of the new settlements is to be built.

THE EXPANSION FUND
of the
ZIONIST ORGANIZATION OF AMERICA

must meet a vast and all embracing public relations program to educate and arouse American public opinion for the Zionist cause.

The enemies of our cause, within and from without, are rallying to frustrate the just aspirations of our suffering people and to deprive them of their right to happiness and security on their own soil in a Jewish Palestine.

The \$500,000 goal set for our current Expansion Fund campaign constitutes therefore the minimum requirement to finance the major projects of the Expansion Fund. The Expansion Fund this year will embrace such vital projects as radio, publications, Unity Committee on Palestine, youth, veterans program, education, Palestine investments, Palestine films and scholarships at the Hebrew University.

NACHLATH SILVER

THE land redemption program of the Jewish National Fund is going forward with full speed. Notwithstanding the illegal restrictions of the Palestine Government, the Jewish National Fund has the possibility of acquiring, as the property of the Jewish people, new extensive land tracts for the building of new colonies.

NACHLATH SILVER is the instrument through which Cleveland Jewry can take part in this life-saving and nation-building program. "NACHLATH" is a Hebrew word connoting "heritage" and is employed to describe a Palestine land tract that bears the name of the community which redeems it. Nachlath Silver will be a tract which will be acquired by the Jewish National Fund with the aid of gifts and contributions given by Cleveland Zionists to provide the foundation upon which one of the new settlements is to be built.
