Rally Under Zionist Banner

(CABLED FROM JERUSALEM BY DR. SILVER)

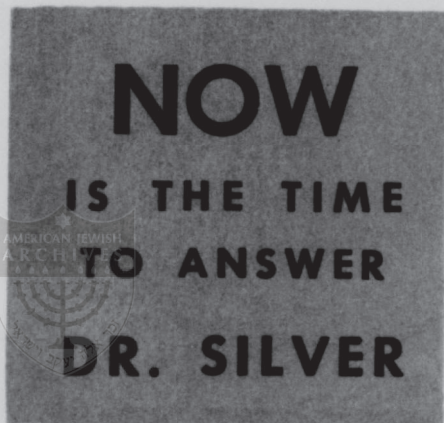

JERUSALEM

December 7, 1945

EMANUEL NEUMAN

Zoa Washn D C

Significance of strongly welded force of American Zionists is borne in upon me as I confer with leaders of Yishuv . . . American Zionists now only tower of strength . . . The Zionist Organization of America, largest unit in our movement, must gather into its ranks the multitude of still unorganized supporter of our cause and thus integrate into our movement the majority of the 90% of American Jews who in recent Elmo Roper poll gave their endorsement to a Jewish Palestine State. They must be mobilized for our cause through membership in ZOA . . . From this scene of travail and hope I call upon American Jews to rally en masse under the Zionist Banner and join with us in our struggle. The campaign for members proclaimed by the ZOA must be an overwhelming success.
