INVITATION

Cleveland and its fifty-seven suburbs in Cuyahoga County are honored at the opportunity to have as their guests the members of the American College of Physicians, and we hope to make this 33rd Annual Session one to be long remembered both by the City and by the members of the College. Joining in this opportunity to entertain so many distinguished guests is the Academy of Medicine of Cleveland with its 2,400 members, the Cleveland Medical Library Association, the Medical School of Western Reserve University, and the more than twenty hospitals which make Cleveland a great medical center.

Cleveland with its Public Hall, modern and spacious, its modern shopping center, its beautiful public mall and its atmosphere of cordiality will help to make your days downtown comfortable, enjoyable and worth while.

Many of you will find time between sessions at Public Hall to visit the medical center of Western Reserve University, the research and hospital facilities of the Cleveland Clinic, and many of the hospitals on both the east and west side of the city.

Those of you who visit such institutions on the east side as the University medical center, the Cleveland Clinic, St. Luke's Hospital, Huron Road Hospital and Mount Sinai Hospital will find adjacent to the campus of Western Reserve University the impressive Allen Memorial Library — the home of the Cleveland Medical Library Association, a branch of the Army Medical Library, and the offices of the Academy of Medicine, where also you will find the Howard Dittrick Museum of Historical Medicine.

You will also find it convenient on your way up or down town to stop into Cleveland's famous Museum of Health, the first of such institutions in this country. It is located at 8911 Euclid Avenue.

Downtown Cleveland will offer you an opportunity to observe clinical procedures at St. Vincent Charity Hospital, a few blocks from the downtown business center. The west side, easily reached by taxi or bus, is

Visit the Exhibit

the home of Cleveland's City Hospital with its many units, St. John's Hospital, Lakewood Hospital and several others. You will find, if you visit these and other institutions, many new wings or buildings, and others in the course of construction or in blueprint form for development next year.

On the fringes of the County, but easily reached by taxi or public transportation, are the new Marymount Hospital on the south edge of the County, Sunny Acres Sanitarium, and the two Government Hospitals — Veterans Administration at Brecksville and Crile Hospital, also operated by the Veterans Administration. United States Public Health Service Hospital is easily visited on the way up the hill to Shaker Heights and St. Luke's Hospital.

Those of you who are interested in the problems of developing Civil Defense organizations in your community will find the headquarters of the medical section of Cleveland's Civil Defense organization in City Hall, just across Lakeside Avenue from the Public Auditorium. In the City Hall also you will find the office of the Commissioner of Health and his staff.

Space will not permit mention of all the other medical institutions in Cleveland, including the smaller hospitals and modern Health Stations of the City of Cleveland, all of which are worth visiting and all of whom join heartily in the hope that you will find time to get at least a quick glance at Cleveland's ability to develop research and to serve its population adequately and in a manner fitting the great progress of American Medicine.

GENERAL INFORMATION

GENERAL HEADQUARTERS Cleveland Public Auditorium

Registration headquarters, the information bureau, technical exhibits, general sessions, morning symposia, panel discussions, clinical-pathological conferences, televised clinics, meetings of committees, of the Board of Regents and of the Board of Governors. The Annual Convocation will be held in the Music Hall of the Public Auditorium, and the Annual Banquet will take place in the Grand Ballroom of the Hotel Statler.

Visit the Exhibit

HOTEL ACCOMMODATIONS

A fully adequate number of hotel guest rooms has been reserved in fairly close proximity to the Public Auditorium, and a Housing Bureau, working through the Committee on Hotels and Transportation, has been set up at the Cleveland Convention Bureau, 511 Terminal Tower, Cleveland 13, Ohio. In view of the fact that the American Heart Association is meeting in Cleveland, April 17-19, and the American Board of Internal Medicine is giving one of its oral examinations at Cleveland also, April 17-19, a hotel reservation form has been devised for use of all three groups, thus preventing the necessity of having to move from one hotel to another between meetings. Applications for rooms should be made to the Housing Bureau, preferably on the official form provided by the College or by the American Heart Association or by the American Board of Internal Medicine, but in the absence of the form, the Housing Bureau will handle letters of application, provided the applicant identifies himself with the College and its Annual Session, or with one of the above organizations. It is requested that three choices of hotels be indicated and that a reasonable range of rates be shown. Whenever possible, arrangements should be made for occupancy of rooms accommodating two persons. Confirmation from the hotel where the reservation has been made will be mailed to each applicant. If after making reservations the applicant finds it is impossible to attend, he is requested to notify the Housing Bureau promptly, so that his accommodations may be made available to another physician.

Who May Register—

- (a) All members of the American College of Physicians in good standing for 1952.
- (b) All newly elected members.
- (c) Graduate medical students pursuing courses in local institutions of Cleveland, including residents in Cleveland hospitals, without registration fee, **upon presentation of matriculation cards or other evidence of registration at these institutions**; admission to exhibits, general sessions, morning symposia and TV clinics.
- (d) Members of the staff, including interns, of the Cleveland Hospitals participating in the program, without registration fee, **upon presentation of proper identification**; admission to exhibits, general sessions, morning symposia and TV clinics (this does not include courtesy staff members).

Visit the Exhibit

- (e) Bona fide hospital residents, regardless of their location in North America, without registration fee, **upon presentation of proper credentials from their hospitals**; admission to exhibits, general sessions, morning symposia, and other program features where facilities are adequate.
- (f) Members of the Medical Corps of the Army, Navy, Public Health Service, Air Force and Veterans Administration, either of the United States or Canada, without registration fee, **upon presentation of proper credentials**.
- (g) Qualified physicians who may wish to attend this Session as visitors, sponsored in advance by letter or in person by a member of the College; such physicians shall pay a registration fee of \$25.00, and shall be entitled to one year's subscription to the ANNALS OF INTERNAL MEDICINE (in which the proceedings will be published) included within such fee.

The above regulations are essential because of the increasingly large attendance at the Annual Sessions of the College, and the necessity of accommodating members first.

Registration Bureau—While official registration will start on Monday morning, April 21, advance registration of members and exhibitors will be provided for on Sunday, April 20, from 2:30 P.M. to 5:00 P.M. The Registration Bureau, located in the Public Auditorium, will be open through the week from 8:45 A.M. to 5:30 P.M.

Registration Blanks for all Clinics, Panel Discussions and Clinical-Pathological Conferences will be enclosed with the final program to members of the College. Guests will secure registration blanks at the Registration Bureau during the Session.

Bulletin Board for special announcements will be located near the Registration Bureau at the Public Auditorium.

Transportation—Local transportation arrangements are in charge of the Committee on Hotels and Transportation, which will issue full information at the meeting.

The General Business Meeting of the College will be held from 2:00 P.M. to 2:40 P.M., Thursday, April 24, immediately preceding the afternoon scientific session. All Masters and Fellows of the College are urged to be present. There will be the election of Officers, Regents and Governors, the annual reports of the Secretary-General, Executive Secretary and Treasurer. The President-Elect, Dr. T. Grier Miller, Philadelphia, will be inducted into office.

BOARD AND COMMITTEE MEETINGS

All meetings will be held at the Regents' and Governors' Headquarters in the Public Auditorium. Special meetings will be announced and posted.

A Dinner Meeting of the Board of Regents and of the Board of Governors will be held at the Hotel Statler, Sunday, April 20, at 7:00 P.M.

Committee on Nominations
(At the call of the Chairman)

Committee on Credentials

SPECIAL FEATURES

"THE MARK TWAIN" POST-CONVENTION CRUISE—Arrangements have been consummated for a cruise down the Ohio River, Tennessee River and to the Kentucky Lake, one of the TVA "Great Lakes of the South." The "Delta Queen," the cruise steamer, sets a new standard of luxury in river transportation. Lounging and observation rooms are comfortably and pleasantly appointed, and wide decks invite one to exercise or to rest. An orchestra will provide music for dancing. The dining room has a distinctly southern cuisine, and the hostess will provide a program of entertainment that is interesting and lots of fun. Additionally there will be daily, optional scientific motion picture programs, including "The Hypertensive Crises," "Problems of Rheumatoid Arthritis," the "Therapeutic Use of ACTH in Human Disease," "Management of the Failing Heart," "Allergy—Immunology and Treatment," the "Role of Gastroscoy in the Diagnosis and Treatment of Gastric Pathology" and "Urinary Infections — Bacteriology-Pathology and Treatment."

Members of the cruise will leave Cleveland at 11:30 P.M., Friday, April 25, board the ship at Cincinnati early Saturday morning, sail on the Delta Queen at 8:30 A.M., following the paths of LaSalle, Joliet, George Rogers Clark, Daniel Boone, the Singing Baptists, Mark Twain. All day, Sunday, cruise the lower Ohio River, and arriving Monday at Kentucky Dam, passing through the highest single lift lock on the American Continent into Kentucky Lake. After a forty mile cruise, return back to the Tennessee River. Tuesday, shore tour of Evansville and plant of Mead Johnson and Company; afternoon cruise the Ox-Bow bends; Wednesday, cruising the lower Ohio, with an afternoon tour of one of the distilleries at Louisville, tour of the City, Churchill Downs; Thursday, stop at Madison, Ind., visiting Clifty Falls State Park and Lanier Mansion; arrive Cincinnati, Friday, in ample time for early morning departures to all points by train or by air.

Inclusive prices range from \$121.00, without bath, to a top of \$184.25. Cruise under the direction of Mr. Leon V. Arnold, Travel Consultant, 36 Washington Square West, New York 11, N. Y., to whom requests should be sent for prospectus, deck plans, reservations, etc.

CONCERT, ORPHEUS MALE CHORUS, Monday, April 21, 8:00 P.M., Music Hall, Public Auditorium—The Committee on Entertainment is gratified to announce this Concert by the prize-winning chorus of America, under the direction of Dr. Charles D. Dawe, its founder and only conductor. For a quarter of a century this Chorus has maintained a record of artistic achievements unequalled in male chorus history. Not only is it the first and only American male chorus to win top honors in European competition, but in its every appearance in competition both abroad and in the United States it has won first prize. It boasts a repertoire as unusual as it is ample and varied, for it contains many works, dedicated to Dr. Dawe and the Chorus, which it has given a first performance and others given only by this group because of their exacting vocal and technical demands.

The Chorus has demonstrated its versatility by the high standard of its radio broadcasts, particularly those to and from Europe, for which it has received praise from the National and British Broadcasting Companies,

Visit the Exhibit

and by its Victor recordings, which are used extensively by radio stations throughout the Country.

An additional feature of the program, in which the Committee takes pride in arranging, will be the appearance of Jerome Gross, M.D., a member of the Cleveland Academy of Medicine, and also a member of a prominent family of physicians of Cleveland. Dr. Gross is an accomplished violinist, has appeared in numerous solo violin recitals in Cleveland, New York, Chicago and other cities. He has been soloist with the Cleveland Summer Symphony Orchestra and the Cleveland Philharmonic Orchestra in performances of the Tschai-kovsky, Mendelssohn, and Conus concertos, and the Lalo Symphonie Espagnole. He has also participated in many chamber music programs, and is an ardent devotee of this type of music.

Admission to this Concert is free to all members and duly registered guests, and to the exhibitors at this Annual Session. However, for identification, show your registration badge (physicians, ladies or exhibitors).

THE ANNUAL CONVOCATION AND THE PRESIDENT'S RECEPTION, Wednesday, April 23—

The Annual Convocation of the College will be held at 8:30 P.M., April 23, in the Music Hall of the Public Auditorium. All members of the College and their families, and those of the public who are interested, are cordially invited. No tickets are required. All physicians elected Fellows of the College since the 1951 Convocation, and all previously elected Fellows who have not been formally inducted, should be present. Officers, Regents and Governors, and new Fellows to be inducted, are requested to assemble on the Third Floor Foyer of the Music Hall at 7:45 P.M., preparatory to the formation of the procession.

The Convocation ceremony will include the President's Address and the Convocational Oration, "The Administrative Process and Health Problems," by Raymond B. Allen, M.D., F.A.C.P., Director of the Psychological Strategy Board, Washington, D. C. The John Phillips Memorial Medal for 1952, the James D. Bruce Memorial Medal for 1952 and the Alfred Stengel Diploma for 1952 will be awarded. Recipients of Research Fellowships and of Latin-American Fellowships of the College for 1952 will be announced, and a Mastership will be conferred upon a distinguished member of the College. The class of new Fellows will be inducted by the President.

Following the Convocation, the President's Reception will be held in the Grand Ballroom of the Hotel Statler, followed by the Dance.

THE ANNUAL BANQUET, Thursday, April 24, 8:00 P.M.—

At 7:00 P.M., in the Euclid Ballroom of the Hotel Statler, will be held a "Dutch Treat" cocktail party, to which all members and their guests are cordially invited.

The Annual Banquet will follow at 8:00 in the Grand Ballroom of the Hotel Statler. A gala occasion, with excellent food, good fellowship and fine entertainment is assured. Dr. Abba Hillel Silver, for more than three decades spiritual leader of The Temple in Cleveland, eminent author, an authority on world affairs and an outstanding and brilliant speaker, will be the Speaker of the Day. Table reservations for groups may be arranged. Tickets should be procured at the Registration Bureau in the Public Auditorium by 5:00 P.M., Wednesday, in order that adequate preparations may be concluded by the Committee.

Visit the Exhibit

SPECIALIZED CARDIAC DEMONSTRATION—

The Program Committee has concluded arrangements for a Specialized Cardiac Demonstration daily in the North Hall of the Public Auditorium by J. Scott Butterworth, M.D., F.A.C.P., Associate Professor of Medicine, New York University—Bellevue Medical Center, New York, N. Y. The demonstration has considerable teaching value of a postgraduate nature. Three electron cardioscopes, each with a sixteen-inch screen, and three independent tapes will be run simultaneously, so that the listener may have his choice of a variety of conditions.

ENTERTAINMENT OF VISITING WOMEN

The Ladies' Committee looks forward with genuine pleasure to meeting the wives of the visiting members of the American College of Physicians, and cordially welcomes them to Cleveland.

Headquarters for registration, information, purchase of tickets, reservations for entertainments, and all other women's activities, will be on the mezzanine floor of the Hotel Statler. The Committee sincerely hopes the visiting wives will enjoy every minute of their stay in Cleveland.

Daily Program

9:00 A.M. to 4:00 P.M.—Every day (except Sunday)

REGISTRATION at the Hotel Statler.

Sunday, April 20

2:30 P.M. to 4:00 P.M.—Registration at Hotel Statler for early arrivals.

Monday, April 21

3:00 P.M. to 5:00 P.M.—Tea and Reception at the Union Club to meet and welcome the Visitors, given by the Ladies' Committee.

8:00 P.M.—Concert by the Orpheus Male Chorus of Cleveland, Music Hall, Public Auditorium. Admission by registration badge.

Tuesday, April 22

12:30 P.M.—Luncheon and Fashion Show at the Carter Hotel, Rainbow Room. Capacity, 500 guests. Tickets, \$3.00.

As an added feature, one of Cleveland's favorite florists will demonstrate new and uncommon flower arrangements for a variety of occasions.

Wednesday, April 23

10:00 A.M.—A sight-seeing tour of Cleveland's Cultural Gardens, Museums, Universities, Music Centers, and lovely homes — given through the courtesy of National Dairy Products Corporation, Processors of Sealtest Dairy Products — stopping at the Country Club for those desiring luncheon.

12:30 P.M.—Luncheon at the Country Club, where busses will wait to return the guests (along an interesting route) to the hotel. Luncheon Tickets, \$2.75.

Visit the Exhibit

A special attraction at the Luncheon will be the reading of his own poems by Mr. Joseph Newman, well-known Cleveland author, playwright, master of wit and a matchless raconteur.

(Luncheon accommodations are limited to 175. An early advance reservation is therefore desirable.)

or

2:30 P.M.—A musical, "Travesty," composed and directed by the Women's Discussion Group of the Council on World Affairs, will be presented at Higbee's auditorium. Our visitors are cordially invited to attend this amusing skit as guests of the Discussion Group. Admission by badge. Tea (optional), 75 cents.

8:30 P.M.—Annual Convocation of the College, Music Hall, Public Auditorium.

10:30 P.M.—President's Reception and Dance, Grand Ballroom, Hotel Statler.

Thursday, April 24

Suggestions for individual or group trips will be listed at the Information Desk at the Women's Headquarters, Hotel Statler. Among recommendations are the following:

2:30 P.M., *Treasure Hunting Holiday* — an underwater adventure—a family goes diving for sunken treasure; narrated by Mrs. George Crile, Jr.

A visit to the Cleveland Health Museum — hours 9:00 A.M. to 5:00 P.M.

A visit to the Cleveland Museum of Natural History — hours 9:00 A.M. to 5:00 P.M.

A visit to Allen Memorial Library—medical library featuring the Howard Dittrick Museum—hours 9:00 A.M. to 6:00 P.M.

A visit to the Cleveland Museum of Art—arrangements will be made for a group or groups with a museum staff guide, starting at 2:30 P.M.

Tickets, when needed, may be procured at the Information Desk.

7:00 P.M.—"Dutch Treat" Cocktail Party, Euclid Ballroom, Hotel Statler.

8:00 P.M.—Annual Banquet of the College, Grand Ballroom, Hotel Statler.

For some who may not wish to attend the College Banquet, the Ladies' Committee has been able to secure a limited number of tickets for the Symphony Concert (Beethoven Ninth Symphony), under the direction of George Szell, at Severance Hall, 8:30 P.M.

Visit the Exhibit

COLOR TELEVISED CLINICS — Through the courtesy of Smith, Kline & French Laboratories, Philadelphia, and the co-operation of the Columbia Broadcasting System, the College will present for the third year an interesting program of clinics televised in color from the Cleveland Clinic Hospital to the Public Auditorium in Cleveland, 9:00 A.M. to 10:50 A.M., daily, Tuesday through Friday. Color television is no longer an innovation in medical education, but has become a well established medium of medical teaching. Since the introduction of color television by Smith, Kline & French at the American Medical Association's meeting at Atlantic City in 1949, over 200,000 medical men have viewed these programs.

SUPPLEMENTARY SHOWING OF "MEDICAL FILMS THAT TEACH"—The Medical Film Guild, of New York City, will show a wide variety of colored sound films of particular interest to members of the College in its projection room adjacent to their exhibit booth No. 18, on the main exhibit floor. Consult Mr. Joseph Hackel, President of the Medical Film Guild, at its booth concerning special films you desire to view, and he will schedule them at your convenience, if possible.

The Medical Film Guild is also providing the films constituting the scientific program for the Mark Twain Post-Convention Cruise.

THE TECHNICAL EXHIBIT—The Technical Exhibit is located in the main exhibit hall of the Public Auditorium, and will be one of the finest and all-inclusive exhibits yet conducted by the College. The Committee on Exhibits maintains the highest possible standards in the conduct of this exhibit. Exhibitors are admitted only by invitation; irrelevant exhibits are eliminated, and only firms which present a group of approved products of scientific interest to the internist and allied specialist may exhibit.

Members and guests of the College are encouraged to accord the exhibitors courteous and interested attention. Many thousand dollars are expended by the exhibitors to bring to this College superior displays and up-to-date information concerning pharmaceuticals, equipment, medical books and medical services. The Technical Exhibitors gauge this meeting by the amount of interest shown and the co-operation displayed by the College. At no other meeting is there assembled a group of technical exhibits and technical exhibitors comparable as a whole to these at the meeting of the American College of Physicians.

Exhibits will be open from 8:45 A.M. to 5:30 P.M., daily, from Monday through Thursday, and from 8:45 A.M. to 2:30 P.M. on Friday. Physicians are urged to use the intermissions in the program for inspection of the exhibits, but these intermissions are inadequate for a thorough visit and inspection of the large number of exhibits, and, thus, physicians are encouraged to spend some additional time in this important part of the meeting.

GENERAL SESSIONS PROGRAM

Music Hall, Public Auditorium

FIRST GENERAL SESSION

Monday Afternoon, April 21, 1952

Presiding Officer

ROY W. SCOTT, F.A.C.P., Cleveland, General Chairman

P.M.

2:00 Addresses of Welcome:

The Honorable THOMAS A. BURKE, Mayor of the City of Cleveland.

JOHN S. MILLIS, Ph.D., LL.D., President, Western Reserve University.

FRANCIS BAYLESS, M.D., President, The Cleveland Academy of Medicine.

Response to Addresses of Welcome:

MAURICE C. PINCOFFS, M.A.C.P., President, The American College of Physicians.

Presiding Officer

President MAURICE C. PINCOFFS, M.A.C.P.,
Baltimore

2:30 The James D. Bruce Memorial Lecture on Preventive Medicine: Immunity to Poliomyelitis.

JAMES H. S. GEAR, M.D. (by invitation), Deputy Director, The South African Institute for Medical Research, Johannesburg.

3:10 Histoplasmosis.

AMOS CHRISTIE, M.D. (by invitation), Professor of Pediatrics, Vanderbilt University School of Medicine.

3:30 INTERMISSION.

3:45 The Present Status of Ballistocardiography.

ISAAC STARR, M.D. (by invitation), Hartzell Research Professor of Therapeutics, University of Pennsylvania School of Medicine.

4:05 The Physiology of Congenital Heart Disease.

RICHARD J. BING, M.D. (by invitation), Professor of Experimental Medicine, The Medical College of Alabama.

4:25 Prognosis Following the Blalock-Taussig Operation: An Analysis of One Thousand Cases.

HELEN B. TAUSSIG, M.D. (by invitation), Associate Professor of Pediatrics, Johns Hopkins University School of Medicine.

4:45 The Surgical Repair of Interatrial Septal Defects.

CHARLES P. BAILEY, F.A.C.S. (by invitation), Professor and Head of the Department of Thoracic Surgery, Hahnemann Medical College and Hospital of Philadelphia.

5:05 ADJOURNMENT.

Visit the Exhibit

SECOND GENERAL SESSION

Music Hall, Public Auditorium

Tuesday Afternoon, April 22, 1952

Presiding Officer

DAVID P. BARR, F.A.C.P., New York

P.M.

2:00 **Angiocardiography in Mediastinal and Pulmonary Disease.**

CHARLES T. DOTTER, M.D. (by invitation), Assistant Professor of Radiology, Cornell University Medical College.

2:20 **Osteoporosis and Osteomalacia.**

I. SNAPPER, M.D. (by invitation), Director of Medical Education, Mount Sinai Hospital, New York City.

2:40 **The Role of Sodium Studies in the Therapy of Cirrhosis.**

WILLIAM J. EISENMENGER, M.D. (by invitation), Hospital of the Rockefeller Institute for Medical Research.

3:00 **Latent Steatorrhea.**

DOUGLAS G. CAMERON (Associate), Assistant Professor of Medicine, McGill University Faculty of Medicine.

3:20 **INTERMISSION.**

3:40 **Observations on the Splenic Flexure Syndrome.**

THOMAS E. MACHELLA, F.A.C.P., Assistant Professor of Medicine, University of Pennsylvania School of Medicine.

3:55 **Acute Pericarditis in Adults of Middle Age.**

WILLIAM HALL LEWIS, JR., F.A.C.P., New York City.

4:10 **Cat Scratch Disease.**

WORTH B. DANIELS, F.A.C.P., Professor of Clinical Medicine, Georgetown University School of Medicine.

4:25 **Diagnosis and Management of Asymptomatic Isolated Intrathoracic Nodules.**

SIDNEY E. WOLPAW, F.A.C.P., Assistant Clinical Professor of Medicine, Western Reserve University School of Medicine.

4:40 **Treatment of Hypertension with Oral Proteratrine.**

SIBLEY W. HOOBLER, F.A.C.P., Assistant Professor of Internal Medicine, University of Michigan Medical School.

4:55 **ADJOURNMENT.**

Visit the Exhibit

THIRD GENERAL SESSION

Music Hall, Public Auditorium

Wednesday Afternoon, April 23, 1952

Presiding Officer

HUGH J. MORGAN, F.A.C.P., Nashville

P.M.

- 2:00 **The John Phillips Memorial Lecture: A Discussion of the Concept of Cardiac Failure in the Light of Recent Physiologic Studies in Man.**

ANDRE F. Cournand, M.D. (by invitation), Professor of Medicine, Columbia University College of Physicians and Surgeons.

- 2:40 **The Evaluation of Anticoagulant Therapy in Congestive Heart Failure Using Depo-Heparin, Dicumarol and Tromexan.**

GEORGE C. GRIFFITH, F.A.C.P., Professor of Medicine, University of Southern California School of Medicine.

- 3:00 **Electrolytes and Congestive Failure.**

T. S. DANOWSKI, F.A.C.P., Renziehausen Professor of Research Medicine, University of Pittsburgh School of Medicine.

- 3:20 **INTERMISSION.**

- 3:40 **The Physiology of the External Pancreatic Secretion in Man.**

JOHN M. HOWARD, Captain, (MC), AUS, (by invitation), Army Medical Service Graduate School, Washington.

- 3:55 **Abnormal Bleeding Associated with Blood Transfusion.**

J. GARROTT ALLEN, M.D. (by invitation), Professor of Surgery, University of Chicago School of Medicine.

- 4:10 **Factors Influencing Recovery from Radiation Injury.**

LEON O. JACOBSON, F.A.C.P., Associate Dean, Division of Biological Sciences, and Professor of Medicine, University of Chicago School of Medicine.

- 4:25 **Immunologic Mechanisms in Idiopathic Thrombocytopenic Purpura.**

WILLIAM J. HARRINGTON, M.D. (by invitation), Instructor in Medicine, Washington University School of Medicine.

- 4:40 **Indications and Contraindications for the Treatment of Thyroid Cancer with Radioactive Iodine.**

WILLIAM H. BEIERWALTES (Associate), Assistant Professor of Internal Medicine, University of Michigan Medical School.

- 4:55 **ADJOURNMENT.**

ANNUAL CONVOCATION

Wednesday Evening, April 23, 1952

8:30 o'Clock

Music Hall, Public Auditorium

LEMUEL C. MCGEE, Marshal

Pre-Convocation Assembly of Fellows to be inducted, Officers, Regents and Governors, at 7:45 P.M., Balcony Foyer, Music Hall, Public Auditorium.

All members of the profession and the general public are cordially invited. No admission tickets required.

1. Processional.

2. The President's Address:

"THE AMERICAN COLLEGE OF PHYSICIANS AND THE INTERNIST OF THE FUTURE".

MAURICE C. PINCOFFS

3. Conferring of Fellowships by the President.

4. Conferring of Mastership by the President.

5. Presentation of the John Phillips Memorial Medal for 1952.

6. Presentation of the James D. Bruce Memorial Medal for 1952.

7. Presentation of the Alfred Stengel Memorial Award for 1952.

8. Announcement of Research Fellows for 1952-1953.

9. Announcement of Latin-American Fellows for 1951-1952.

10. Convocational Oration: "THE ADMINISTRATIVE PROCESS AND HEALTH PROBLEMS".

RAYMOND B. ALLEN, F.A.C.P.

Director, Psychological Strategy Board

11. Recessional.

President's Reception

The President's Reception and Dance will follow at 10:30 o'clock in the Grand Ballroom of the Hotel Statler. A cordial invitation is extended to all members and guests, with their families.

Visit the Exhibit

FOURTH GENERAL SESSION

Music Hall, Public Auditorium

Thursday Afternoon, April 24, 1952

P.M.

2:00 THE ANNUAL BUSINESS MEETING.

All Fellows and Masters are urged to be present and to participate more actively in the administrative problems of the College. Reports will be received from the Secretary-General, Executive Secretary and Treasurer; elections of new Officers, Regents and Governors will take place; President-Elect T. Grier Miller, of Philadelphia, Pa., will be inducted as President and will make a brief inaugural address.

2:40 INTERMISSION.

Presiding Officer

CHARLES A. DOAN, F.A.C.P., Columbus

3:00 Prognosis in Psychosomatic Disease.

HENRY W. BROSN, F.A.C.P., Professor of Psychiatry and Chairman, Department of Psychiatry, University of Pittsburgh School of Medicine.

3:20 Evaluation of Developments in the Surgical Treatment of Pulmonary Tuberculosis.

J. BURNS AMBERSON, F.A.C.P., Professor of Medicine, Columbia University College of Physicians and Surgeons; Visiting Physician in Charge, Chest Service, Bellevue Hospital (Columbia University Division).

3:40 The Application of Cytological Diagnosis in Cancer of the Stomach, Pancreas and Biliary System.

HENRY M. LEMON, M.D. (by invitation), Assistant Professor of Medicine, Boston University School of Medicine.

4:00 Dietary Modification of the Metabolic and Clinical Effects of ACTH and Cortisone.

LAURANCE W. KINSELL, F.A.C.P., Director, Institute for Metabolic Research, Highland-Alameda County Hospital, Oakland, Calif.

4:20 The Use of Cortisone and ACTH in Idiopathic Thrombocytopenic Purpura and in Acquired Hemolytic Anemia.

MURIEL MEYERS, M.D. (by invitation), Assistant Professor of Internal Medicine, University of Michigan Medical School; Research Assistant, Thomas Henry Simpson Memorial Institute for Medical Research.

4:40 Changes in Connective Tissue Reaction Induced by Cortisone.

ROBERT H. EBERT, M.D. (by invitation), Markle Foundation Scholar and Assistant Professor of Medicine, University of Chicago School of Medicine.

5:00 ADJOURNMENT.

FIFTH GENERAL SESSION

Music Hall, Public Auditorium

Friday Afternoon, April 25, 1952

Presiding Officer

CYRUS C. STURGIS, F.A.C.P., Ann Arbor

P.M.

2:00 Thyroiditis.

GEORGE CRILE, JR., F.A.C.S. (by invitation), Cleveland Clinic Foundation.

2:20 Clinical Results of Aortic-Sinus Graft Operation in Arteriosclerotic Heart Disease.

HAROLD FEIL, F.A.C.P., Clinical Professor of Medicine, Western Reserve University School of Medicine.

2:40 Antimicrobial Therapy in Pulmonary and Extrapulmonary Tuberculosis.

H. CORWIN HINSHAW, F.A.C.P., Clinical Professor of Medicine, Stanford University School of Medicine.

3:00 The Disturbance of the Normal Bacterial Ecology by the Administration of Antibiotics with the Development of New Clinical Syndromes.

DAVID T. SMITH, F.A.C.P., Professor of Bacteriology and Associate Professor of Medicine, Duke University School of Medicine.

3:20 INTERMISSION.

3:40 The Emotional Problems of High Blood Pressure.

EDWARD WEISS, F.A.C.P., Professor of Clinical Medicine, Temple University School of Medicine.

4:00 The Neurosurgical Treatment of Spontaneous Intracerebral Hemorrhage Simulating the Common Stroke.

MICHAEL SCOTT, F.A.C.S. (by invitation), Clinical Professor and Head of Department of Neurosurgery, Temple University School of Medicine.

4:20 Rehabilitation of the Hemiplegic.

DONALD A. COVALT, M.D. (by invitation), Associate Professor of Physical Medicine and Rehabilitation, New York University College of Medicine.

4:40 The Protean Clinical Features of Leptospirosis and Its Diagnosis.

JOHN A. HIGHTOWER, Captain, (MC), USA, (by invitation), Army Medical Research and Graduate School and University of Maryland School of Medicine.

5:00 ADJOURNMENT.

Visit the Exhibit

MORNING SYMPOSIA

In the place of the Morning Lectures there are presented this year four Symposia, two of which will be held on Wednesday morning and two on Friday morning. In each instance basic physiologic principles will be discussed by the first speaker and clinical aspects by the other participants.

Attendance at these Symposia is open to all members and guests of the College.

Admission by regular registration badge; no special tickets.

Wednesday, April 23, 1952

I. SYMPOSIUM ON THYROID DISEASE

Music Hall, Public Auditorium

Presiding Officer

MARION A. BLANKENHORN, F.A.C.P., Cincinnati

A.M.

9:00 **The Thyroid and Its Endocrine Relationships.**

JAMES HOWARD MEANS, F.A.C.P., Jackson Professor of Clinical Medicine (Emeritus), Harvard Medical School; Physician, Massachusetts Institute of Technology; Board of Consultation, Massachusetts General Hospital.

9:50 **INTERMISSION.**

10:00 **Hyperthyroidism: An Evaluation of Anti-Thyroid Drugs Followed by Subtotal Thyroidectomy.**

ELMER C. BARTELS, F.A.C.P., Lahey Clinic, Boston.

10:20 **Hyperthyroidism: Long Term Treatment with Anti-Thyroid Drugs.**

SAMUEL P. ASPER, M.D. (by invitation), Assistant Professor of Medicine, Johns Hopkins University School of Medicine.

10:40 **Hyperthyroidism: Treatment with Radioactive Iodine.**

E. PERRY McCULLAGH, F.A.C.P., Cleveland Clinic.

11:00 **ADJOURNMENT.**

II. SYMPOSIUM ON ARTERIAL HYPERTENSION

Little Theater, Public Auditorium

Presiding Officer

JOHN MINOR, F.A.C.P., Washington

A.M.

9:00 **Some Aspects of the Pathogenesis of Essential Hypertension.**

EPHRAIM SHORR, M.D. (by invitation), Associate Professor of Medicine, Cornell University Medical College.

9:50 **INTERMISSION.**

10:00 **New Drug Therapies in Arterial Hypertension.**

ROBERT W. WILKINS, F.A.C.P., Associate Professor of Medicine, Boston University School of Medicine; Chief, Hypertension Clinic, Massachusetts Memorial Hospitals.

10:20 **Psychogenic Influences in Hypertension.**

EUGENE B. FERRIS, JR., F.A.C.P., Professor of Medicine, University of Cincinnati College of Medicine.

Visit the Exhibit

- 10:40 **The Role of the Adrenal in Arterial Hypertension.**
JOHN P. MERRILL (Associate), Instructor in Medicine, Harvard Medical School.
- 11:00 **ADJOURNMENT.**

Friday, April 25, 1952

III. SYMPOSIUM ON DIABETES

Music Hall, Public Auditorium

Presiding Officer

JOSEPH M. HAYMAN, JR., F.A.C.P., Cleveland

A.M.

- 9:00 **Endocrine Regulation of the Blood Sugar.**
JEROME W. CONN, F.A.C.P., Professor of Internal Medicine, University of Michigan Medical School.
- 9:40 **INTERMISSION.**
- 9:50 **Basic Principles in the Therapy of Diabetes.**
HENRY T. RICKETTS, F.A.C.P., Professor of Medicine, University of Chicago School of Medicine.
- 10:10 **Diabetic Acidosis as a Therapeutic Problem.**
GARFIELD G. DUNCAN, F.A.C.P., Clinical Professor of Medicine, Jefferson Medical College of Philadelphia.
- 10:30 **The Kimmelstiel-Wilson Syndrome.**
STANTON L. EVERSOLE, M.D. (by invitation), Instructor in Pathology, Johns Hopkins University School of Medicine.
- 10:45 **Diabetic Retinopathy.**
BERNARD BECKER, M.D. (by invitation), Instructor in Ophthalmology and Mellon Fellow in Ophthalmology, Wilmer Institute, Johns Hopkins University School of Medicine.
- 11:00 **ADJOURNMENT.**

IV. SYMPOSIUM ON RHEUMATIC FEVER

Little Theater, Public Auditorium

Presiding Officer

HAROLD H. JONES, F.A.C.P., Winfield, Kans.

A.M.

- 9:00 **The Natural History of Rheumatic Fever.**
EDWARD F. BLAND, F.A.C.P., Physician, Massachusetts General Hospital.
- 9:50 **INTERMISSION.**
- 10:00 **Recent Developments in the Prevention of Rheumatic Fever.**
HAROLD B. HOUSER, Major, (MC), AUS, (by invitation), Streptococcal Diseases Laboratory, Warren Air Force Base, Wyoming.
- 10:20 **Present Status of Diagnostic Tests for Rheumatic Fever.**
MACLYN McCARTY, M.D. (by invitation), Hospital of the Rockefeller Institute for Medical Research.
- 10:40 **The Use of Cortisone and ACTH in Rheumatic Fever.**
JOSEPH J. BUNIM, F.A.C.P., Associate Professor of Medicine, New York University College of Medicine.
- 11:00 **ADJOURNMENT.**

Visit the Exhibit

PANEL DISCUSSIONS and CLINICAL-PATHOLOGICAL CONFERENCES

Topics of intimate interest and practical value to all members of the profession have been chosen. Qualified men have been selected as leaders and members of the panel personnel. All panels are scheduled from Tuesday through Friday, 11:30 A.M. to 12:45 P.M., and will be held at the Public Auditorium.

In place of one regular panel discussion, the Program Committee is offering a clinical-pathological conference each day at which the clinical protocol of an interesting medical case will be discussed by the participants who are expected to make the correct diagnosis. The post-mortem findings will then be presented by the pathologist in whose department the case was autopsied. Moderators and conference personnel will then answer questions that may arise as time permits. The clinical protocols of the four cases to be presented appear in a separate booklet to be sent with the program, so that members may have the opportunity of making their own diagnosis before the formal conference.

Applications for tickets to all Panels (the C-P Conferences will be held in the Music Hall which has practically unlimited seating, and will not require tickets) may be made in advance by members on a regular application form which will accompany the program. Tickets will also be available at the Registration Bureau, Public Auditorium. **NON-MEMBERS** may not register by mail, but should secure their tickets directly at the meeting.

Applicants may submit in writing three weeks before the Session, through the Executive Secretary of the College, any questions concerning any phase of the subjects listed. Moderators and panel personnel will answer those questions which they feel are applicable to the subject under discussion, and will answer as many questions as time permits.

THE CLINIC SESSIONS

Color Television of Medical Clinics

The following series of clinics will be televised in color on Tuesday, Wednesday, Thursday and Friday mornings between 9:00 A.M. and 10:50 A.M. from the Cleveland Clinic Hospital to the Public Auditorium by a group of physicians from the participating hospitals and medical schools.

Due to changing programs from one clinic to another, a slight lag will occur. However, it is believed that the times indicated will be approximately correct.

Admission by regular badge; no special tickets required.

Tuesday, April 22, 1952

9:00- 9:20 Peripheral Vascular Disease.

FIORINDO A. SIMEONE, M.D. (by invitation), Professor of Surgery (City Hospital), Western Reserve University, Cleveland; and IRVING S. WRIGHT, F.A.C.P., Clinical Professor of Medicine, Cornell University Medical College, New York City.

9:25- 9:35 Intra-arterial Blood Transfusion.

DONALD E. HALE, M.D. (by invitation), Head of the Department of Anesthesiology, Cleveland Clinic.

9:40- 9:50 Solitary Pulmonary Lesions.

SIDNEY E. WOLPAW, F.A.C.P., Assistant Clinical Professor of Medicine (Mt. Sinai Hospital), Western Reserve University; and HARVEY J. MENDELSON, M.D. (by invitation), Assistant Professor of Surgery (Thoracic), Western Reserve University.

9:55-10:10 Methods of Skin Testing in Allergic Disease.

WILLIAM P. GARVER, F.A.C.P., Clinical Instructor in Medicine (City Hospital), Western Reserve University; and MYRON A. WEITZ, M.D. (by invitation), Head of the Department of Allergy, Mt. Sinai Hospital, Cleveland.

10:15-10:30 Hormone Treatment of Metastatic Breast Cancer.

E. PERRY McCULLAGH, F.A.C.P., Head of the Department of Endocrinology, Cleveland Clinic.

10:35-10:50 The "L.E." Test.

JOHN R. HASERICK (Associate), Department of Dermatology, Cleveland Clinic.

Televised Medical Clinics—(Continued)

Wednesday, April 23, 1952

9:00- 9:20 The Jaundiced Patient.

ARTHUR J. PATEK, JR., M.D. (by invitation), Professor of Medicine (Mt. Sinai Hospital), Western Reserve University; and CECIL J. WATSON, F.A.C.P., Professor of Medicine, University of Minnesota Medical School.

9:25- 9:40 Congenital Heart Disease Amenable to Surgery.

HAROLD FEIL, F.A.C.P., Clinical Professor of Medicine, Western Reserve University; and HERMAN K. HELLERSTEIN, M.D. (by invitation), Clinical Instructor in Medicine, Western Reserve University.

9:45- 9:55 Dermatologic Lesions of Medical Interest.

CURTIS F. GARVIN, F.A.C.P., Assistant Clinical Professor of Medicine, Western Reserve University.

10:00-10:15 Ophthalmopathy.

BROWN M. DOBYNS, M.D. (by invitation), Associate Professor of Surgery (City Hospital), Western Reserve University.

10:20-10:30 The Shoulder-Hand Syndrome.

HAROLD SCHWARTZ (Associate), Chief, Cardiology Department, Crile Veterans Administration Hospital, Cleveland.

10:35-10:50 Demonstration of Neurological Cases.

LOUIS J. KARNOSH, M.D. (by invitation), Head of the Department of Neuropsychiatry, Cleveland Clinic, and Clinical Professor of Nervous Diseases, Western Reserve University.

Thursday, April 24, 1952

9:00- 9:20 Hereditary Hemolytic Disease.

RUSSELL L. HADEN, F.A.C.P., Consultant in Medicine and Research; Cleveland Clinic; and THOMAS HALE HAM, F.A.C.P., Professor of Medicine, Western Reserve University.

9:25- 9:35 Measurement of Pulmonary Function; Chronic Emphysema.

SCOTT R. INKLEY, M.D. (by invitation), Instructor in Medicine, Western Reserve University; and JULIUS H. COMROE, JR., F.A.C.P., Professor of Physiology and Pharmacology, University of Pennsylvania Graduate School of Medicine.

9:40- 9:55 Rehabilitation of the Hemiplegic.

KEITH KEELER, M.D. (by invitation), Assistant Professor of Physical Medicine and Rehabilitation, Western Reserve University.

10:00-10:15 X-Ray—Pathology Conference on Gastrointestinal Lesions.

RAFAEL DOMINGUEZ, M.D. (by invitation), Pathologist, St. Luke's Hospital; Assistant Professor of Pathology, Western Reserve University; and DONALD BRANNAN, M.D. (by invitation), Department of Roentgenology, St. Luke's Hospital; Cleveland.

Televised Medical Clinics—(Continued)

10:20-10:30 Cardiac Output and Blood Volume Measured by Radioactive Iodinated Albumin.

WALTER H. PRITCHARD, M.D. (by invitation), Assistant Professor of Medicine, Western Reserve University; and W. JAMES MACINTYRE, Ph.D. (by invitation), Physicist-in-Charge, Atomic Energy Committee, Western Reserve University.

10:35-10:50 Syndromes Due to Adreno-Cortical Hyperactivity.

SAMUEL SPECTOR, M.D. (by invitation), Assistant Professor of Pediatrics, Western Reserve University.

Friday, April 25, 1952

9:00- 9:20 Cardiac—Pathology Conference: Unusual Forms of Heart Disease.

A. CARLTON ERNSTENE, F.A.C.P., Chief of Staff, Medical Division, Cleveland Clinic; and ALAN R. MORITZ, M.D. (by invitation), Professor of Pathology, Western Reserve University.

9:25- 9:40 Treatment of Acute Ulcerative Colitis.

WALTER L. PALMER, F.A.C.P., Professor of Medicine, University of Chicago School of Medicine; and GEORGE CRILE, JR., M.D. (by invitation), Department of Surgery, Cleveland Clinic.

9:45-10:00 Treatment of Severe Bronchial Asthma; Effect of ACTH and Cortisone in Allergic Disease.

MCKINLEY LONDON, F.A.C.P., Chief of the Department of Allergy, St. Luke's Hospital, Cleveland; and LOUIS E. LIEDER, F.A.C.P., Area Consultant in Allergy, Veterans Administration; Visiting Physician in Allergy, Mt. Sinai Hospital, Cleveland.

10:05-10:15 Acute Leukemia.

ROBERT W. HEINLE, M.D. (by invitation), Associate Professor of Medicine, Western Reserve University.

10:20-10:30 Selection of Patients for Mitral Commissurotomy.

GEORGE H. A. CLOWES, M.D. (by invitation), Senior Instructor in Surgery (City Hospital); and SALVATORE M. SANCETTA (Associate), Instructor in Medicine (City Hospital), Western Reserve University.

10:35-10:50 Hodgkin's Disease.

U. V. PORTMANN, M.D. (by invitation), Head of the Department of Therapeutic Radiology; and JOHN B. HAZARD, M.D. (by invitation), Head of the Department of Pathology, Cleveland Clinic.

THE CLINIC SESSIONS

Clinics at Hospitals

The regular Hospital Clinics will be conducted on Tuesday and Thursday from 9:00 A.M. to 10:30 or 11:00 A.M., whereas Morning Symposia will be conducted on Wednesday and Friday mornings, thus eliminating competition between these features of the program.

Admission to the Hospital Clinics will require special tickets, which will be issued to MEMBERS in advance of the Session and to NON-MEMBERS directly at the Registration Bureau in the Public Auditorium. Application forms for tickets for the Hospital Clinics and Panel Discussions will be sent to all members with the program.

The Committee on Panels is committed to a program of clinics in the true sense of that term—that is, patients will be shown and discussed, rather than having presentations of formal short papers. A wide range of medical topics important to the clinician is offered. Visitors will have the opportunity to see patients at close range and to observe hospital methods in Cleveland.

All clinics must terminate promptly at the designated hour, in order that members may have adequate time to reach the Panel Discussions, which start at 11:30 A.M.

The Committee on Transportation recommends the use of taxicabs for reaching the Hospital Clinics, and will arrange that there shall be an adequate number of taxicabs available also for the return trip.

Tickets will be required for each and every one of the Hospital Clinics, unless specifically otherwise mentioned. The co-operation of every one in securing his clinic tickets will assist greatly in distributing the attendance according to the capacity of each meeting room. It is self-evident that a clinic arranged for fifty will lose its value for all if a hundred are present. Ticket registration, naturally, is the only effective method of keeping the attendance within the capacities indicated.

Member registration blanks for the clinics should be filled out and returned to the Executive Secretary promptly. Upon receipt by the College Office, proper tickets will be selected and held at the Registration Bureau in the Public Auditorium, or, on the request of the member, will be mailed to him. Reservations by mail cannot be made after April 5, but reservations may be made in person at the Registration Bureau on the afternoon preceding any clinic day, providing tickets are still available.

Members who reserve Clinic Tickets are urgently requested to notify the Executive Secretary, and to return their tickets, if they find they will be unable to attend.

PROGRAM OF HOSPITAL CLINICS

Tuesday, April 22, 1952

A

CLEVELAND CITY HOSPITAL

(3395 Scranton Road)

Pathology Amphitheater

(Capacity, 150)

- 9:00 The Management of Malignant Hypertension.
Maurice Sokolow, San Francisco.
- 9:30 Heart Disease and the Aging Process.
Hugh J. Morgan, Nashville.
- 10:00 Recess.
- 10:10 Lipedema and Physiologic Edema.
Edgar A. Hines, Jr., Rochester, Minn.
- 10:30 The Macrocytic Anemias.
Cyrus C. Sturgis, Ann Arbor.
-

B-1

CLEVELAND CLINIC

(Euclid Avenue at 93rd Street)

Fourth Floor Auditorium, North Building

(Capacity, 200)

- 9:00 Disseminated Lupus Erythematosus.
John R. Haserick.
- 9:20 Ulcerative Colitis.
Everett N. Collins.
- 9:40 Hyperparathyroidism.
Robert W. Schneider.
- 10:00 Recess.
- 10:20 Treatment of Coronary Disease.
Herrman L. Blumgart, Boston.
- 10:40 Aphasia.
Louis J. Karnosh.
-

B-2

CLEVELAND CLINIC

(Euclid Avenue at 93rd Street)

Founder's and Staff Room

(Capacity, 125)

- 9:00 Multiple Myeloma.
Russell L. Haden.
- 9:20 Hypertension.
Robert D. Taylor.
- 9:40 Treatment of Adrenal Insufficiency.
E. Perry McCullagh.
- 10:00 Recess.
- 10:20 Problems Related to Hepatitis.
Albert M. Snell, Palo Alto.
- 10:40 Liver Biopsy.
H. R. Rossmiller.

Tuesday, April 22, 1952—(Continued)

C

MT. SINAI HOSPITAL
(1800 E. 105th Street)
Pathology Amphitheater
(Capacity, 70)

- 9:00 Leukemia.
Stanley M. Goldhamer.
- 9:20 Anemia of Folic Acid Deficiency.
Benjamin B. Teitelbaum.
- 9:40 Recess.
- 10:00 Gout.
Alexander B. Gutman, New York.
- 10:20 Subarachnoid Hemorrhage.
Julius Wolkin.
- 10:40 Group Therapy for Obese Diabetics.
Joseph I. Goodman.
-

D

ST. LUKE'S HOSPITAL
(11311 Shaker Blvd.)
Prentiss Auditorium
(Capacity, 250)

- 9:00 Polycythemia Vera.
Charles A. Doan, Columbus.
- 9:30 Urethane in Leukemia and Myeloma.
Charles S. Higley.
- 9:50 Late Complications of Diabetes.
M. Irving Sparks.
- 10:10 Dermatological Manifestations of Lymphomas.
Herbert H. Johnson.
- 10:30 Clinical Aspects of Lymphomas.
Ovid O. Meyer, Madison.
-

E

ST. VINCENT CHARITY HOSPITAL
(S. E. Cor. Central Avenue and E. 22nd Street)
Auditorium, Nurses' Home
(Capacity, 200)

- 9:15 Selection of Cases for Mitral Value Surgery.
Henry A. Zimmerman.
- 9:45 Surgical Aspects of Mitral Stenosis.
Earle B. Kay.
- 10:15 Recess.
- 10:30 Familia Aspects of Congenital Heart Disease.
Frank R. Hanrahan.
- 10:50 Prognostic Aspects of Congenital Heart Disease.
Bradley Hull.
- 11:10 Hemodynamics of Carotid Artery Ligation of
Aneurysm of Cerebral Circulation.
Spencer Braden and Keith Sheldon.

Tuesday, April 22, 1952—(Continued)

F-1 **UNIVERSITY HOSPITALS**
(2065 Adelbert Road)
Lakeside Amphitheater
(Capacity, 166)

- 9:00 A Problem in the Lymphoma Group.
 William S. Middleton, Madison.
- 9:20 Preliminary Pain in Myocardial Infarction.
 Harold Feil.
- 9:40 Recess.
- 10:00 Hemolytic Anemia.
 Thomas Hale Ham.
- 10:20 Management of Psychosomatic Patients.
 Douglas D. Bond.
- 10:40 Management of Lower Nephron Nephrosis.
 Max Miller.

F-2 **UNIVERSITY HOSPITALS**
MacDonald House Amphitheater
(Capacity, 100)

- 9:00 Brucellosis.
 Wesley W. Spink, Minneapolis.
- 9:20 Myxedema with Ascites.
 Wm. McK. Jefferies.
- 9:40 Recess.
- 10:00 Mitral Commissurotomy.
 Walter H. Pritchard.
- 10:20 Multiple Sclerosis.
 Clark T. Randt.
- 10:40 Multiple Myeloma.
 Gordon C. Meacham.
