"ISRAEL INDEPENDENCE WEEK"

Week beginning May 10, 1954

BY THE COMMISSIONERS OF THE DISTRICT OF COLUMBIA
A PROCLAMATION

WHEREAS, the District of Columbia is the seat of the Federal Government of the United States of America and as such is a world symbol of the successful demonstration of the ideals of democracy through representative government; and

WHEREAS, the growth and practice of those ideals throughout the world are signs of progress and portents of peace; and

WHEREAS, in May of 1948, a new and independent State, dedicated to those ideals, arose in the Middle East as the State of Israel; and

WHEREAS, on the evening of May 11, 1954, the America-Israel Society, dedicated to the advancement of the interchange of cultural information between the youngest and oldest democracies in the world, Israel and the United States of America, will hold its first annual national dinner in the Hotel Statler in Washington, D. C. in honor of the creative spirit of the people of Israel:

NOW, THEREFORE, WE, THE COMMISSIONERS OF THE DISTRICT OF COLUMBIA, do hereby proclaim the week beginning May 10, 1954, as "ISRAEL INDEPENDENCE WEEK" and do call upon all people to reflect upon the strength and solidarity of the democratic ideals common both to our own great country and to the State of Israel.
