Samuel Bronfman, 1956.

Samuel H. Hays

Mr. Samuel Bronfman . . .

A group of your friends are gathered here tonight to do you well-deserved honour for your years of dedicated service to the Jewish community of Canada and to the cause of Israel.

Many loyal Canadians have proud ties of the heart with their origins overseas. Such are our ties to Israel. By your words and by your deeds you have served well and with dignity Canada our home, and Israel, the realization of our ancient heritage.

The Israel Bond Organization in Canada is itself honoured tonight to serve as the vehicle through which our community may express its affection and gratitude to an outstanding leader and a good friend.
