1. Have heard much all leadership
 1. we encircling them.
 2. we need connected des' playing
 3. you can't have leaders - for
- consuming flame. Hill lead
- with rich - Even if I walk
this channel the delusion road
7 frustration & disillusionment
 4. we need courage to follow
Wang not leadership.

2. We have such leaders. being
& dead - Then who speak to us
than being Jesus - & those who
speak to us across the gulf
of ages than being words of
immortal power -

3. Judaism is - has ideals to inspire
disciples - It's the one program
of universal salvation.

4. Jews in this land. to
uspire south, this land.

+ ~~Jews rejected strong democracy.~~

1 - Human rights - לחם חיים
① לחם חיים

2. Economic Justice. - There shall not
be - exploit.

3. Peace - Not mean peace with
military preparation - but they
shall not be any more

4. Democracy.

① Democracy. ^{"Sinner"} Democracy
"People of the Land"

② Why we are hated -

③ Whether the People, or
friend or enemy - expansion -

5. we feel that these ideas - of our
very blood - should be presented to
our youth - in the universities and
land -

1. How we have tried to express
them. How we are trying
to express to-day -

2. What is our program for
the future.

3. Not 5th past only.

6. Memorial - only intel. Effect in
this direction -

① Club - Syllabi - extension -
Journal - one of the first
ways of type in America

② Keep up. It needs field
written extension programs
teachers at university

③ Addition liberation -

④ Give for charity
1 - we are people & not -
2. Early liberal program -

1. Ch. is spirit. at war with
itself. Its source & inspiration is
a mystic, apoc. vision & a thirst
to be expected than a categorical
instruction & the duty. Its
beliefs is pantheism. Its social
program - a, perhaps communism
an an interregnum before the
the advent of the first day of
J - Its present day problems
are mixed & prophetic, and its
temperament be activist
and realistic.

2. Program, while it had at all
times its apoc. ^{Villemans} ~~dreams~~ - with
Mr. Deans - was largely con-
cerned with the social & human
relat's. - with ethical & political - re-
garding the post econ. schemes under
which we live.
