My dear Rabbi Silver.

I write to
tell you that on account of
the coal edict the Baltimore
section, Council of Jewish Women
has been obliged to change
its day of meeting from Sunday
to Friday - I hope you will
not be inconvenienced by this
obligatory change on our part.
Will you be able to come to

us on March 15th instead of
the 18th as arranged? — if
not we can arrange to
have our "star performer"
of April, change to March,
as he is a local celebrity
and is quite willing to make
the change — by April we
can again meet on Monday
— (April 15th) Will you be so
good as to let me have
an early reply — as to whether

it may be our privilege
to hear you address us on
Friday March 15th or
Monday April 15th

I regret very much that
this change had to be made
With kind regards I am

Very cordially yours
(Mrs. Charles) Dora A. Gaus.

January 24th, 1918

My dear Mrs. Gane,

Replying to your letter of the twenty-fourth - I appreciate the necessity for making the change in the date of my coming to Baltimore.

Monday, April fifteenth will be satisfactory to me and I will reserve that date for you. I should be glad to have you send me a reminder a week or so in advance of the meeting.

With cordial regards, I remain

Sincerely yours,

Mrs. Charles Gane

WRI I appreciated your note of

Dear Hillel,

Remember I told you at Merrit that I wanted you to come to Baltimore and occupy my pulpit so soon after your return as possible? I write now to renew the invitation.

After my sailing orders were cancelled I was ordered here to await further orders. I do not think there will be further shipment of Chaplains overseas and so I am organizing the work here.

I am planning a series of Sunday evening lectures during the months of January, February and March at which some of the biggest men of the country will speak. The general theme of the addresses will be Reconstruction.

I shall be pleased if you might arrange to come on January 19th or February 16th. If these dates are not convenient I would appreciate a choice of date.

Any subject related to the general topic of reconstruction would be interesting. Tho I personally would like to hear something about your trip, if it can be brought in.

Should you be able to come I'd be happy to have you preach for me on Saturday morning also. And of course we shall expect you to make our home yours while you are here.

With warm greetings from Pauline and Morris Jr. who is quite a lad now, and anticipating your coming with pleasure.

Faithfully yours,

Mani

My dear Morris,

I was very pleased to receive your very kind invitation to address a Sunday evening gathering in your Temple. I have been away so many Sundays from my own pulpit, that I feel ashamed to accept any further Sunday engagements.

If you can arrange some allweek meeting, I think perhaps I can plan to come.

Please convey my best wishes to Pauline and remind Morris Jr. of our first meeting.

Dear Hillel,

Your note just came.

I regret exceedingly that it will be impossible for me to arrange a mid-week lecture as they will all be advertised for Sunday evenings.

Surely you can make the exception and come along! A warm welcome awaits you!

Let us know and make the effort please..

Dear Hillel,

I trust this finds you well; I am sure you returned with inspiration from your summer's jaunt.

We were most of the summer in Wheeling with the family there; about August 15th however they were persuaded to leave for a trip east and we hied to the mountains for several weeks. We have just returned and I am now planning the season's activities.

You will remember our chat on the porch? your telling me about the program of congregational growth based upon your liberal attitude toward the unaffiliated... I said to you that our problems were essentially the same. Only the more progressive spirit in Cleveland made possible the achievement of something worthwhile. I asked you to come to speak before my Brotherhood at its first meeting and you said you would arrange to do so.

I would of course prefer a Sunday evening, when a great audience would greet you. But for the purposes of propaganda, the Brotherhood meeting will be perhaps even better. I can assure you of a fine turnout of representative men. The Brotherhood meets on a week night and this I know will be more convenient for you.

We plan our first meeting this year toward the end of October. No definite date has been set. We want you to set it. Any evening after the holiday season is over that is convenient for you to come we shall make convenient for us. Will you name it?

Pauline joins me in warm regards to you. we have not forgotten your kind thoughtfulness in coming to us some months ago.

Faithfully yours,

Morris S. Lazon

Rabbi A. H. Silver,
Cleveland, Ohio.

Dear Rabbi Silver:-

The National Federation of Temple Sisterhoods is entering upon a new year of activity, is entering it under new guidance and asks your co-operation, your help.

I realize that with Mrs. Simon, the outgoing president, at the head, the Federation grew and grew and gained the position it now holds, the largest Jewish Woman's organization in the Country, such an organization can and must do much for the cause it espouses.

To me the Sisterhood stands pre-eminently for the religious, for the furtherance of the work of the Synagog; and for the fulfillment of my aims and purposes, I ask your assistance.

I shall welcome any and all suggestions and hope that you will give me the help you so generously gave my predecessor, and will pledge you the support of our organization at all times.

With cordial greetings, I am

Sincerely yours,

(Mrs. Joseph) Maurice M. Wisenfeld

My dear Morris,

Please pardon the delay in
replying to your letter. The pressure of
work since my return from abroad has caused
my correspondence to suffer.

I could not come to you in
October, as my work here would not permit me
to leave. However, I am planning to spend a
week or two in the East some time this winter,
and I shall then be very pleased to avail my-
self of the opportunity which you offer me,
if you care to have me then.

Dear Hillel,

Your letter has come to me--endlich!

If you can let me know some weeks ahead of your leaving I shall appreciate it very much indeed as I always try to keep the dates for meetings, etc...at least a month in advance.

I am particularly anxious that you bring to the Brotherhood the experience of your congregation. We have another meeting in November and one in December. Dates are not yet set...if you will let me know ahead we'll try to arrange the date of meeting to your convenience.

Best wishes...and...don't delay answering others' letters as you did mine...they may not be so lenient.

Sincerely,

My dear Colleague:

Our congregational Sisterhood with a membership of over seven-hundred, and our congregational Brotherhood with its more than five-hundred constituents, request me through its officers to extend to you an invitation to come to Baltimore some Sunday night during the month of January or February to deliver before them a lecture on a subject which you would deem interesting and important for them.

I need not tell you that I shall be very happy to see you accept this invitation. The lecture will be delivered from my pulpit.

My dear Dr. Brewster,

I am in receipt of the very kind invitation of your sisterhood and Brotherhood to address their meeting on some Sunday in January or February.

I should be very happy to accept the invitation if it were possible for me to do so. Unfortunately I cannot leave Cleveland for a Sunday. You undoubtedly know that our principle service is on Sunday morning. I hope that I shall have an opportunity to be of some service to you in the future.

I was very happy to receive your letter and were it not for the great number of lectures which I am pledged to give between now and the end of the season, I should dearly love to avail myself of the opportunity to address your people. I have pledged a great deal of my time to Jewish War Relief work during the next few months, as well as to the Palestine Restoration Fund campaign, and I feel that it will be very hard for me to accept any further invitations.

Perhaps sometime in the future, if you still desire my services, I shall be in a better position to come and shall be very glad to do so.

Dear Sir:-

I note from invitation received by mail this morning that you will be in Baltimore next Tuesday.

I had the honor of meeting you and the pleasure of listening to your address in Boston at the convention last May.

I was impressed and fascinated by your personality and your wonderful address. I found when I reached home that many members of our Har Sinai Congregation shared this impression with me. I am sure the other members of the Har Sinai Congregation would enjoy meeting you and listening to a sermon delivered by you.

I, as chairman of the committee for Sunday speakers, wish to invite you to occupy our pulpit next Sunday morning at our services which begin at eleven o'clock.

I earnestly wish that you could see your way clear to accept this invitation. If there are any obstacles in the way, I should like to urge you to make an earnest effort to remove them. I believe it might be advantageous to you either right now or at sometime in the future.

If you can see your way clear to favor us by accepting this invitation, I should like you to wire me on receipt of this letter, so that I might arrange the necessary publicity.

I should also like to have you take dinner with us next Sunday after the services.

Kindly give this your earnest consideration, and I am hoping for a wire accepting the invitation.

Yours sincerely,

My dear Pauline,

I was indeed very indeed to receive your letter inviting me to address the Baltimore Section, Council of Jewish Women, at its annual meeting.

I should dearly love to accept, not alone because of the pleasure it would give me to meet the members of the Council, but more especially because it would enable me to be of some slight service to you. Unfortunately, I am very fully booked up for April and May. I have given a great deal of my time to the Palestine Restoration Fund, as well as the Jewish War Relief campaign, and I feel, in justice to myself at this time, that I must not take on any further obligations to speak.

I hope I shall be able at some future time to avail myself of the courtesy extended to me by your Council.

My dear Dr. Silver -

Write in behalf of the Baltimore
Section, Council of Jewish Women, an organization
with a membership of 1100 women.

We would deem it a great
privilege if it can be arranged that you address
us at our opening meeting October 18th - 1920,
on a subject either chosen by you or on one of a
choice which you might suggest. Baltimore
feels that it knows you from your recent
work here, at the time of the Palestine Restoration
Drive, as also from other lectures given in
the past, and I hope earnestly that this
engagement can be arranged satisfactorily.
Would you be so kind as to let me have details?

My dear Mrs. Kasper,

I am directed by Rabbi Silver to reply to your letter to him of the 21st instant, saying that he will be glad to accept your kind invitation to address the Baltimore Section Council of Jewish Women, and thinks he can come to Baltimore on Wednesday, October 19th.

Rabbi Silver's customary remuneration for lectures delivered to the Council of Jewish Women, or to Temple Sisterhoods, is \$45.00 and traveling expenses.

If these arrangements are satisfactory to your organization, kindly advise Rabbi Silver, whom he will select a number of topics, from which you may select one which would best suit your purposes.

July 25th '20

Dear Hillel,

Since writing you several weeks ago about a joint arrangement whereby the C.S.S. and we would share expenses of an engagement here in January, I've heard from the Chairman of the Council Committee that they have decided it would be unwise for them to have you on Monday when you have spoken for us the preceding evening.

I feel keenly disappointed at their point of view.

Now the situation is this:

Will you come to speak for us at our Sunday evening lecture service January 16th and at what terms? I shall be able to get the appropriation of \$75 if that will interest you; however it would have to include your expenses which would be only travelling.

Let me hear by word as you get closer your return as I am anxious to get the details of arrangements completed before October 1st.

With all good wishes,

Sincerely,

Rabbi Abbe Hillel Silver,

Dear Sir:

On November 14th, there will take place in this city, perhaps the most important meeting this community has ever held. It will be a banquet which will launch the Campaign for One-Hundred Per-cent Amalgamation of all the Jewish Charities in Baltimore. We are trying to make this as distinguished an occasion as possible. The event will take place in our largest hall, and we expect an attendance of five hundred or more of the representative Jewish men and women of this city. We should like to have for this meeting a speaker who can bring a real Jewish and thrilling message to the assembly, and our Committee in charge of selecting a speaker has unanimously decided upon your name.

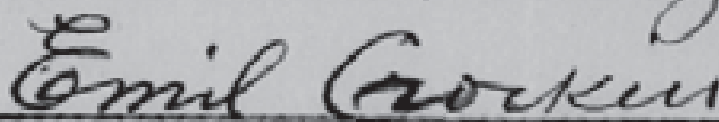

We beg, therefore, to invite you to address our banquet at the Lyric here, Sunday evening, November 14th, and sincerely trust that you will be able to come to our City and take part in this function. We expect from our amalgamation not only material but spiritual gain and we are extremely anxious that our people get a message that will inspire them.

Your coming, we are sure will mean much for the success of our Campaign.

May we ask you to let us know as soon as possible whether you could perform this very valuable service for us.

Yours very truly,

President Federated Jewish Charities

Dear Sir,

The Council of Jewish Women were
you some weeks ago - concerning your coming
to Baltimore to speak. You asked \$7500.
They want to join with me and bring you
less for two addresses - as starting the
Spencer. Their meetings are always held
on Monday afternoons - and community services
on Sunday evenings. We have spoken and
written about your coming some Sunday evening.
Are you willing to do it that way? Our
cross does not begin till November and
the council dates are fixed for Nov. 15
December, therefore the joint engagements
agivable on this end is Jan. 16th for
the C. J. W. and Jan. 15th Sunday evening for
me. Are you willing to do this for
the new record? Of course you will
be our guest first when you come to Balt.
We are writing now, knowing you are away,
but in the hope that you will fix it your
attention immediately on your return. Address
the Baltimore - it will be forwarded.
With kindest personal regards, Faithfully,

My dear Mrs. Kemper,

I am giving you herein a list of lectures which I have delivered this year before the Council and Sisterhoods. Please select one and let us know of your choice.

1. "What is Culture"; with special reference to Hutchinson's book-
"If Winter Comes".
This lecture has proven very popular.
2. "Prejudice and How to Meet it".
(Perhaps timely in view of
Mr. Belloc's latest book - ~~"The Servant"~~)
3. "Christian and Jew; will they ever meet".
4. "Friends I have made and lost".

I plan to arrive in Baltimore on the morning of the 17th. If the Council meeting is in the afternoon or evening, I should like to keep the noon hour free for another meeting, which I understand is being organized by the Palestine Development League.

PLEASE WIRE COLLECT LECTURE SUBJECT COUNCIL AND HOUR OF ARRIVAL

MRS ARMAND KEMPER.

Mrs. Leonard A. Hecht,
1916 Bataw Place,
Baltimore, Maryland.

My dear Mrs. Hecht,

Permit me to thank you for your kind invitation to take lunch with you on the day of my address before the Council. I wish I could accept the privilege of your hospitality, but during my last visit to your city I accepted a similar invitation.

I am looking forward with great pleasure to my visit to Baltimore.

I shall be glad to hear concerning the subject which has been selected for my address, about which I wrote Mrs. Keiper.

With kindest regards, I beg to remain

Very sincerely yours,

My dear Dr. Silver —

Thank you for your note
of a few days ago regarding the subject
of your address from the Baltimore
Section Council of Jewish Women on
Monday April 17th.

The Committee has chosen:

"Christian and Jew, Will They Ever
Meet?" as the lecture to be
delivered. It sounds very interesting
and we are looking forward to

this date with much pleasure.

I trust you will find
it possible to accept Mrs.
Becht's luncheon invitation,
as I shall see the pleasure
of seeing you there, if so.

Sincerely yours,

Elise W. Kemp

Rabbi Abba Hillel Silver:.

My dear Rabbi Silver:.

By way of introduction,

I wish to say I am President of the
Baltimore Section Council of Jewish
Women, and I am wondering if you
will take luncheon with a few of us
at my home before your address to
the Council on Thursday April 17/22.

From Lador Blum, I am
here to, ^{here} dinner with a number of
gentlemen that evening before you
address them, & by way of contrast,
I thought you might enjoy lunching
with a few women. Please don't
hesitate to be perfectly frank about
this, for I know you have many
friends in Baltimore, beside the
rather few, with whom you might

wish to take luncheon.

It will give me great pleasure to have you as guest
of Honor, but if you feel you would rather spend
that time with your colleagues please don't hesitate
to say so. I want you to be perfectly free.

With sincere feelings of trusting to hear an
early reply from you.

Yours, very cordially yours.

Mrs. Armand Kesper,
Baltimore Council of Jewish Women,
Baltimore, Md.

My dear Mrs. Kesper,

Recently in checking up Rabbi Silver's lecture engagements for the past season, I fail to find a record of a check having been received by him from the Baltimore Council. Your records, no doubt, will tell whether this is an oversight on our part or on yours. Will you kindly have some one look up the matter and advise me whether a check was mailed and when, and whether the check has been returned to your Treasurer.

Thanking you for your courtesy, I am

Very sincerely yours,

Secretary to Rabbi Silver.

Franice H. Jones -
Secretary to Rabbi Silver -

My dear Miss Jones -

I am very glad
to have received your note today
because I personally have
written twice to Dr. Silver informing
the amount owed him by the
Baltimore Council. We are very
eager to pay our check, in fact
cannot balance our annual
books because of this delay

in knowing the amount
owed. Do you see?

I have never received
any word in this matter
from anyone in Dr. Silver's
line here, despite my two
letters of inquiry above
mentioned.

* The amount was to
be one hundred dollars plus
Dr. Silver's traveling and
other incidental expenses, and
it is this amount I should
like very much to be told.
Thank you very much for a prompt
reply. Very truly yours, Miss W. Temple

July 24th, 1922

Mrs. Armand Kemper,
Thirty-nine Talbot Road,
Windsor Hills,
Baltimore, Maryland.

My dear Mrs. Kemper,

Rabbi Silver regrets that the letters which you wrote him did not reach him. The mails here are quite uncertain at times and these letters must have miscarried.

The charge for Rabbi Silver's lecture was one hundred dollars, and his traveling and other expenses amounted to approximately twenty-five *dollars* -

Thanking you for the prompt attention you have given to my inquiry, I remain

Sincerely yours,

Secretary.

My dear Aunt Dora,

I want to thank you for your kind invitation to address the Sisterhood of the Baltimore Hebrew Congregation. I really should be most happy to accept it. Unfortunately, I am tied down, and shall be for the next few months, with the work of building our new Temple and I cannot, in justice to myself, accept any more lecture engagements for the present season.

Then again, I shall probably be gone two or three weeks during the month of January, and I feel that I ought to spend the rest of year with my Congregation.

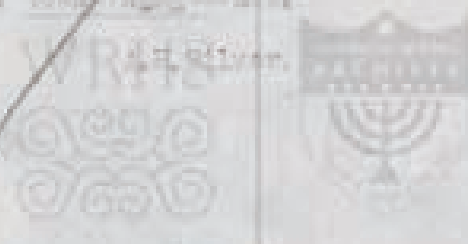

Trusting that I shall have the good fortune to see you before very long, I remain, with kindest regards to yourself and Uncle Charles,

August 4, 1933,

Mrs. Morris L. Lasaron,
Edmond Place,
Chester, N.Y.

My dear Mrs. Lasaron,

Permit me to acknowledge receipt of your kind invitation to address the Sisterhood of the Baltimore Hebrew Congregation. I had hoped to be able to give you a date during the month of December when I am to take my Southern tour. I find however, that my first stop is in Nashville, Tennessee and my last stop is in New Orleans, and that my route somehow does not bring me near Baltimore. I am however anxious to avail myself of the opportunity to address your organization again.

I could come some evening in January or February. I wonder if Wednesday, January 31st, is a convenient date for you. I am to be in Cincinnati on the 24th. If that date is not convenient please suggest one yourself.

Please convey my greetings to your dear husband and remember me to your children unofficially as their uncle,

My dear Rabbi Silver:

On behalf of the Bal-
timore Hebrew Congregation
Interhood it gives me
great pleasure to invite
you to address an
evening meeting of our
organization to which
the public will be in-

vited any time in December that
will be convenient to you. I
understand from Mrs. Silver that
you contemplate a Southern
speaking trip during that month
and trust that you will find
it convenient to begin or end
your tour in Baltimore.

Mrs. Silver has promised to
be my guest during your
absence and my dear husband
and I trust that you will
always to remain with us
as long as you can. (Ditto
Morris & Howard!) While our
Sisterhood cannot offer as
large banquets we shall

be happy to pay you \$100. - as a
token of our appreciation of the
favor you do us.

Cordial greetings to your dear
wife and a cordial and al-
together unofficial hello from

MRS. MABEL BLAIR BURNS, Prop.

Haines Landing, Maine, August 8 1923

Dear Hobbs:

Thanks so much for your lovely letter. I'm disappointed about your itinerary for your trip - and hope it won't interfere with Jim's plan to stay with us while you are away.

As far as I know Wednesday - January 23 is a satisfactory date for our evening meeting. May I accept it tentatively - until we can learn if it is a free evening communally? Or perhaps you'll look over your schedule and see

if you can't make Balto. more than
a one-night stand. That's hardly
brotherly! Meantime I'll hold
this date.

Love to you and Jack from
Upnight Harold - Upnight
Pauline.

August 15th, 1933,

Mrs. Morris L. Lasaron

My dear Pauline,

I have set aside Wednesday,
January 31st for Baltimore. If you find
later on that the evening is not free
conveniently, please let me know and I shall
give you another date. I trust that you,
Morris and the children are having a fine
and restful time in Maine. Mike is getting
ready to go down to Wheelock as soon as Dad
returns from the coast.

My love to you all.

September 24th, 1922.

Mrs. Harris Leshman,
1712 Union Ave.,
Baltimore, Md.

My dear Pauline,

In looking over my schedule
I find that I shall be able to be with
you the latter part of December, my
Monday or Tuesday, December 18th or 19th,
or Monday or Tuesday, December 17th or 18th.
Please let me know if any of these dates
is acceptable to you.

My love to all.

As ever,

October 2nd, 1923.

Mrs. Morris L. Latham,
1715 Union Avenue,
Baltimore, Md.

My dear Mrs. Latham,

I have noted the date of
Tuesday, December 18th. I trust that
nothing will prevent my coming to you.
The following subjects have proved rather
popular with Sisterhoods and Councils;

1. Is Progress a Myth?
2. Have we an American Civilization?
3. The Triumphs and Failures of
Democracy.

My love to everybody.

As Ever,

MRS. MORRIS S. LAZARON
1715 LINDEN AVENUE
BALTIMORE, MD.

Dear Abba: We've investigated date
and find that Tuesday - December
18th will be best for us - if it's
agreeable to you. The Sisterhood
is elated but not nearly so much
as your Sister. At your

convenience will you send me
a subject?

Truly

Yours

Dear Abba,

It was a joy to spend the day with Jinks but I was disappointed that you could not be there. The more so as I would have enjoyed going over your wonderful plant with you. I can imagine old fellow the inspiration you have in creating such a thing of beauty!

Harold is standing near by and when I tell him to whom I'm writing he says to send his love to Aunt Jinks and to you.

My expenses are about \$50.00. I'm sorry but my inefficient secretary whom I had told to arrange for my minister's rate book forgot or delayed so that I had not received it and paid full fare.

Will you mail me your talk on The Rising Tide of Choler? I'm talking on Negre and Nordic, Saxon and Semite several weeks hence and I'd like to see your treatment of the subject as I know it will be suggestive.

Shall I see you in New York? I have to go on for the Conference Board.

Dear Abba,

Several days ago, Albert Berne- asked me if I would write you concerning your coming here to deliver the address at the dinner which opens our local drive for the Associated Jewish Charities. I told him I thought you would give as much serious consideration to their formal invitation as you would to any word from me. So you will probably hear or have heard either from Mr. Berne- or Mr. Hutzler.

The Drive takes place the end of April and you know how much pleasure it would give both Poll- and me to have you come. Bring Jinks with you and let's have a foursome - or, if the girls prefer to sleep we might arrange a game of Casino!

It is particularly important that our Drive this year get a fine start and I can assure you if you can possibly arrange to come we would all appreciate it.

Faithfully,

Dear Rabbi Silver:-

It is unfortunate to have to start a letter with apologies but through a misunderstanding the Baltimore community through me offers its apologies to you for a misunderstanding that has recently occurred.

Several weeks ago I spoke to Rabbi Lazaron telling him that we anticipated having a drive here starting April 27th for the Associated Jewish Charities of Baltimore and explained to him that we were extremely anxious to have you come here that evening as the principal speaker. I asked Rabbi Lazaron to be good enough to communicate with you and urge you to come if you possibly could.

Knowing so well from previous experience your promptness in replying to matters of this kind I thought it strange that we had not heard from you in reference to the matter and when I spoke to Rabbi Lazaron about it just a few moments ago I learned unfortunately that we had misunderstood one another regarding same. He had understood that I would write to you asking you to come and that he would also write urging you to accept the invitation if you could. My impression was that he alone was to write and I can understand very well why we have not received a reply from you and hope that this letter of explanation is satisfactory to you as to why you have not heard from me.

This campaign will start with a dinner Sunday Evening, April 27th, and we feel that an address by you on this occasion would help us enormously. We realize the demands made upon you and know what a sacrifice it would be for you to accept our invitation but we are working so sincerely for this good cause that we feel that you would be glad to help us if you possibly could.

May we have your further kindness in asking you to please telegraph to me at my expense letting us know if you could favor us on this occasion.

With kind personal regards and hoping to receive an affirmative reply, I beg to remain,

Dear Dr. Silver:

The Young Men's & Young Women's Hebrew Association of Baltimore would consider it an honor and a privilege if your engagements permitted you to deliver an address under its auspices this coming winter. I know that you are extremely busy but I also know that you often come East and I thought that on one of these occasions you might be willing to travel just a little bit further and come to Baltimore. We have within the last few months completed a successful campaign for funds for a new building and we are hoping that within the next two years we will erect a building worthy of the Jewish Community of Baltimore. At this stage of our existence you would not only be doing us a real mitzvah by speaking under our auspices, but at the same time you would have the opportunity of seeing the members of your family here.

Unfortunately we are not in a position to pay an honorarium to our lecturers but we would be in a position to pay your additional travelling expenses from some nearby point when you are in this general neighborhood.

I sincerely hope that you will accept this invitation and that you will permit me to make the necessary announcement even though the exact date may be fixed later.

With kind personal regards and best wishes for the New Year.

Yours very sincerely,

Frank Rubenstein

I wish I could see my way clear to accept it but have reduced my lecture engagements this year to a minimum as I am devoting a great deal of time to necessary work at home and to various Palestine and relief funds. Dear Rabbi Selov.

To repeat what I conveyed to
you in substance via long distance,
I was instructed at a Board-meeting
held this morning to extend to you
our most cordial invitation to be
the speaker at the Fifty Dollar
Dinner to be held in the interest of
the College on Sunday January 30,
1927. Last year we had a similar
affair, the hosts of which were
Jacob Epstein, Dr. Harry Friedmann.

and the late lamented Julius Leay. Dr
Gross Adler was the speaker and the attendance
in quantity as well as in quality, was very
gratifying. We feel that even greater success
will be ours, if your name will be on the
program.

No funds will be solicited. There
will be a charge for admission but
none for exit.

The Board is most anxious for
your acceptance of our hearty invitation
and looks forward to your
prompt and favorable reply.

Cordially yours,

Dear Rabbi Efros,

I am exceedingly sorry that it will not be possible for me to accept the kind invitation which you extend to me on behalf of the Board of the College, to be the speaker at the dinner to be held January 30th. Aside from the fact that I am greatly overcrowded with speaking engagements and hesitate to assume any additional obligations for this season, your date is on a Sunday and I have made it a practice not to absent myself from my Congregation on that day. The Temple has its principal service of the week on *Sunday* and the day is filled with important *Congregational* activities.

Permit me to extend to you my best wishes for a most successful affair, and with kindest regards to remain

Dear Abba:

I shall be very happy, indeed, to speak for you on the 15th of May. How soon must you know the subject and is there any particular theme you would like me to discuss?

I believe Dad's birthday occurs on the 13th and Polly conceived the idea of going with me as far as Wheeling and remaining there with Dad. I will pick her up on the way back from Cleveland. Perhaps Jinks will join her there and you, too, if possible, and we might have a lovely reunion for Dad's birthday.

I am delighted to see your book off the press and have ordered a number of copies, -one for myself, one for the library here and for a number of friends.

Polly joins me in love.

Faithfully,

Dear Abba:

I am sending under separate cover a copy of the "Services." I appreciate more than I can say your introduction of the book into your school. I am enclosing an order blank. These copies are available at once.

It was mighty nice seeing you and Jinks in New York. Tell Jinks that the baby is crazy about her dog, whom she calls Frenchy, and Harold was in a high state of excitement when his croquet set came and Morris loves his lumberman's jacket and wanted to wear it this morning although the temperature was around 65.

Do you plan to give any addresses in the East during the winter season? I should like so much to have you before the Civitan Club at a Friday luncheon. We can afford an honorarium of \$100.00. If you were in the East and could stop over conveniently, it would give me a great deal of pleasure. Try to make it, won't you? Let me know as soon as you can as I am filling up my program of Friday noon dates.

With love to you both and best wishes for a most successful holiday season,

Devotedly,
Morris

Dear Abba:

Tuesday, February 5th is the date of the annual meeting of our federation (the name is too long to write out so in explaining why I do it) and the date on which I ~~leave~~ my job as president. We had a very pleasant two years and I'd like to end my incumbency with a great meeting. Would it be possible for you to come to us on that date and give the address? But I only want you on one condition. That you will ask the same honorarium you would receive from any other organization not presided over by a sister. We paid Sol Froehhof - one hundred and fifty dollars last year and got ~~the~~ money's worth and we are willing to make an even better arrangement this year. You see I'm willing to use my family pull to get you here - but I'm not willing to make you pay for it. Any subject of your choosing would be acceptable but we prefer a Jewish theme as the organization is made up of thirty clubs - and women of all degrees of orthodoxy reform. Jews with the City Club talk went so well. I remember how I shared her night on such an occasion a few

years ago.

Daniel Jeremy must be wonderful. I love to
see him but in a taxi driver time days.

Here's love from all of us to you three.

Finally

Dear Luba:

The possibility that you may be able to come for our Federation meeting makes me very happy. If you can make it - we shall arrange our program for Tuesday - January 29th I am enclosing last year's program so that you may see the nature of the gathering. This is the only meeting of the membership at large that we hold during the year so we try to make our program significant. We conduct business in the morning. Have a luncheon and conclude with a lecture. We prefer a Jewish theme. No' any message pertinent to women will be acceptable. Many of the organizations are made up of orthodox women and I value the Federation because the good will engendered at these meetings does help to break down the barriers that also

do exist between different groups in the community.

In answering this will you give me your subject and state the reasons you are receiving this news that I must present this at our next meeting. As I hope you present your answer to me as present - next not on sister. Also I'm happy if wonderfully persuaded you to come. Maria and the ladies join in best greetings to you all.

My dear Polly:-

I have definitely scheduled your organization for Tuesday, January 29th. If you prefer a Jewish subject I would suggest:

1. The Four Major Tendencies in Jewish Life.
2. The Democratic Impulse in Jewish History.

For a secular subject I might perhaps suggest, "The Faith of an Untired Liberal."

I am looking forward with pleasure to my visit.

All is well with us here in Cleveland. Danny is doing splendidly.

Dear Abba: Your letter confirming January 29th as the date of your coming to Baltimore to speak for the Federation made me very happy. Only your postscript to use my own judgment about your customary fee of \$250 perturbed me a little. The Federation has an income of \$90 from dues and make up the difference in expenses by sale of luncheon tickets for this meeting. I am sure that we can definitely pledge \$200 and perhaps even ^{pay} the full \$250 - if we sell as many tickets as we expect. I don't want you to feel I am bargaining with you for no one knows better the value of your labor's time and service - and especially my brother-in-law's - than I. But I don't want to involve my organization beyond its ability to pay. Nor do I want you to come for less than you feel right. If this plan is not satisfactory - write me at once. But if you will come for \$200 definitely and anything more which we can clear - I shall be very pleased. And so, unless I hear from you I shall proceed on this basis and let you know which subject we choose after our board meeting, November 27th. This being

This organization has been in

We would like to have the pleasure

I should be tempted to accept your invitation but unfortunately I cannot leave Cleveland during the month of October because of the holiday season and the opening of the many activities for the new year. The Y.M. & Y.W.H.A. of Baltimore will dedicate its new building the week of October 19th. We are planning as part of the program for that week an educational night with Professor Florence Samberger of Johns Hopkins University as the presiding officer and with Mrs. Milton E. Gundersheimer, the chairman of our educational committee, making a brief report of our educational policies and plans for the coming year.

Our committee is extremely anxious that you deliver the address on that occasion. We do not know anyone who would be more appropriate and who would be more welcome in our community than you. Unfortunately, however, we are not in a position to pay any honorarium. All our funds will permit us to do will be to pay the travelling expenses of the speaker. I know that as a matter of protection to yourself you have made it a rule to charge a fee for lectures, and I can very well understand that unless you did so every organization in the country, small and large, would be calling upon you and you would not have an opportunity to do your own work; but I believe that our situation is a little different. We are not inviting you to give a lecture in a series. The "Y" in Baltimore has been anxiously awaited for generations. We have had a hard time building up the sentiment for it and finally all our hopes and aspirations are culminating in the beautiful building which we are dedicating. It has been a hard struggle and to many people in the community we will still have to fight for many years to justify our existence.

You can be of inestimable service to us and I want to ask you if you will not waive your general practice for us on this occasion and accept this invitation. The date on which we would like to have you is Tuesday, October 21st. I assure you that we will all deeply appreciate your cooperation.

With kind personal regards, I am

Sincerely yours,

My dear Mr. Rubenstein:-

Permit me to thank you for your kind letter of August 28th and for the invitation which you extend to me to address your meeting on Tuesday, October 21st.

It would have given me great pleasure to accept your invitation but unfortunately I have other engagements scheduled for that week. I am to be in Boston on the 20th, in New York on the 21st and 22d and in Cleveland on the 23d. Perhaps at some future time I may be of service to you.

My dear Morris:-

I gladly would have come to your protest meeting on Sunday, Nov. 2d but here is the situation:

I am to be out of my pulpit on Sunday, Nov. 9th being scheduled for an address at the University of Chicago. It is impossible for me to absent myself from my pulpit on two consecutive Sundays. It is not fair to my congregation and I am sure that it would resent it. If the meeting were on a week day I would make an effort to come.

Please convey my love and Virginia's to Polly and the children.

As ever yours.

Dear Abba:

I need your help and if there is any possible way that you can arrange your affairs to do what I ask, please do so.

I have been forced to take the chairmanship of our city and state joint campaign for \$170,000 for the Joint Distribution Committee and the Jewish Agency. We are having no dinner but are opening the campaign with a mass meeting on Sunday evening, April 26th. I know what it means to you to leave your pulpit for a Sunday. At the same time, it is needless for me to point out the difficulties that we face here. You have them in Cleveland, too, and I feel if you can be present at that mass meeting, at which subscriptions will be taken, that you will contribute greatly toward making the campaign substantially successful. The entire committee joins with me in urging your acceptance.

With love to Jinks and you.

Faithfully yours,

My dear Morris:-

23d. Thank you for your letter of March

I should very much like to come to you for the opening meeting of your campaign but it is a physical impossibility for me to get away on Sunday. Not only must I occupy my pulpit but numerous other engagements on Sunday compell me to remain in the city. As it is I have two weddings scheduled on the 26th.

Should you be able to shift the meeting for a mid-week meeting, I shall make an effort to come.

Dear Dr. Silver:

Now I will tell you the reason why I didn't send you those moving pictures that I made on that pleasant little trip to Europe. I thought if I held out long enough, you would come to Baltimore to see them.

I now hear that you are coming to talk to the town on April 27th. As I happen to be chairman of the Publicity Committee (and doing no work) I want some pictures from you.

I want you to send me a half-dozen photographs in which you look your handsomest, which I will pass along to the papers. We need some money, and a face like yours will help us get it.

Mr. Katz has turned your letter of June 2nd over to me, regarding Rabbi Silver's photographs.

Dear Rabbi Silver:-

The Baltimore Chapter of Hadassah is already planning its Senior's Luncheon for next winter. As this is always the most inspirational affair of the season as well as our largest fund-raising function, the program for the afternoon is always a serious problem. The program committee feels that this year that problem could be solved most fortunately and also most satisfactorily if you would accept the invitation

your sincere Zionism and

My dear Mrs. Shapiro:

Permit me to thank you for your kind letter of July 13th and for the invitation which you extend to me to address the Baltimore Chapter of Hadassah at its Donor's Luncheon. I wish I were free to come. Unfortunately I am forced to limit my out of town lecture engagements, next year, to a minimum. As you know, I have been away from my post for almost the entire congregational year and I will have to devote myself more closely to my own congregational program next year.

My dear Friend:

Please pardon the long delay in answering your kind letter of June 26th. I have been away from the city a great deal of the time and my correspondence has lagged. I wish I were free to accept the invitation of the Baltimore chapter of Hadassah. Unfortunately my schedule for the next season will be so crowded that I cannot, in justice to myself, take on any more out of town engagements. The year which I spent abroad has piled up additional work for me for the coming year and I feel a moral responsibility to stick closer to my local work than ever before. I know that you will understand.

Are you planning to go to Europe and the Zionist Congress this year? With all good wishes, I remain as ever

Dear Rabbi Silver,

Rabbi Lazarov, upon whom we count so much, has probably told you of our group, the Federation of Church & Synagogue Youth, but I am enclosing a copy of our covenant which will tell you, briefly, our ideal.

For this season we are having a series of supper-discussion meetings augmented by two big, more general meetings. The first big meeting we plan for December fourth and we very greatly desire to have you make the address. Of course, we will take care of your travelling expenses. Should December fourth be impossible, we will gladly make it any date within several weeks of it that may suit your convenience. We realize how busy you are and how much we are asking, yet so great is our wish to have you talk to our group that we are venturing the

request. If there is a possibility of fitting us into
your schedule at any time this year, will you
let us know, tho we should especially like

Reverend Doctor Abba Hillel Silver,

Dear Doctor Silver,

I hope you will not regard me as presuming when I urge upon you to comply with the request from the Baltimore Hadassah that you speak before them in February. The Hadassah of Baltimore has been doing just the sort of work that you admire, and has become a real force in the community, and their annual luncheon has been a real event in our community. Now that my daughter has accepted the presidency, we are hopeful of enlisting a still wider membership and of further increasing the activity of the organization. I feel that it means so much to them and to the community to have you give the address that I am thus urging you to come. I hope that we shall have a favorable reply, and that I shall thus have the opportunity of spending a few hours with you.

My dear Dr. Friedenwald:

I was very pleased to receive your letter. I wish I could say "yes" for I should very much like to comply with your request and that of your charming daughter. Unfortunately I have been so harrassed with activities and lecture engagements, and my schedule for the future is so crowded that I cannot, in justice to myself, take on any out-of-town engagements. As you know, I was away from my work practically the whole of last year. My duties, this year, are therefore largely increased. I feel hesitant about leaving the city when there is so much to be done here, and especially because I was away from my work for so long.

Furthermore, the German-Jewish situation has taken up a great deal of my time. As you know I am actively identified with the American League for the Defense of Jewish Rights. The League is attempting to raise a half-million dollars in the country to prosecute the German boycott. I will have to do a great deal of traveling in connection with this campaign. I might have to come to Baltimore in connection with it. Should the Welfare Fund of Baltimore spare me a special trip by allocating some money out of its joint chest to the League, I might be able to come in February or March to the Hadasah.

Please convey my best wishes and that of Mrs. Silver to your daughter. With all good wishes, I remain
