Rabbi Abba H. Silver,
Cleveland, Ohio.

Dear Sir:

Our Chamber of Commerce is constantly on the look-out for able men to address its membership on business subjects. In order to know whether you will serve us in this way I am writing to inquire if you would be willing to come to Barberton sometime to give an address. We need not cite the time now but have the understanding that it is subject to naming the time which is agreeable to you.

Barberton is 8 miles south of Akron; 2 hours from Cleveland by steam train and somewhat longer by N. O. T. Traction Co., and good paved road all of the way for auto driving. We would appreciate your courtesy in this matter and if it is customary for you to require a fee we would be pleased to know the amount.

Very truly yours,

BARBERTON CHAMBER OF COMMERCE

Dear Sir:-

Rabbi Silver is in receipt of your letter of the thirteenth instant. He thinks he may be able to give you a date during the latter part of February or the early part of March. His remuneration would be one hundred dollars.

If the terms are agreeable to your organization, Rabbi Silver will be glad to send you a list of possible dates, as well as a group of subjects from which to make your choice.

Awaiting further word from you,

Very truly yours,
