Dear Sir:

We are making plans for a Parent-Teacher Association Founders Meeting to be held in the W. K. Kellogg Auditorium, under the auspices of the County and City Councils.

Would you care to consider such a speaking engagement the last of February or the first part of March? Several members heard you at the Michigan Congress the year it was held in Petoskey and recommend you highly with genuine interest in hearing you again.

Information will be gratefully received concerning an available date and your fee. Thank you for your attention in this matter, and permit me to remain,

Very sincerely,

R. Wood g.w.

My dear Mrs. Wood:

I greatly appreciate your kind invitation to address your Parent-Teacher Association Founders Meeting the last of February or the first part of March. I wish I were free to avail myself of your invitation. Unfortunately I am committed to so many out of town engagements for the next few months in connection with various overseas relief projects, that I am compelled to turn down invitations which I would otherwise be very much inclined to accept. Please keep me in mind for some future season.

With all good wishes, I remain

Very cordially yours,
