My dear Rabbi Silver,

In the midst
of your numerous activities I
wonder if it would be possible
for you to be present at our
District Sisterhood Meeting?
We have decided upon no
definite date - we wish the
meeting to be in the
latter part of April or in
May. If you can be our
speaker whichever day

We are a very small

I have never heard
you Rabbi Silver but
so many people have
praised you so very
highly that I do hope

My dear Mrs. Geiger,

Permit me to thank you for
your kind invitation to be present
at the District Sisterhood meeting.
I wish I could see my way clear to accept
it. Unfortunately my work here is so heavy
and the number of my engagements already
made this season so numerous that I cannot
in justice to myself accept any more.

Rabbi Silver,

Dear Sir:— Our New Era Club and the Crocus clubs have planned for a series of lectures and talks for next season (from Nov. 1 to May 1) and they are wondering whether you could supply one of these, and if so on what afternoon and what your terms are.

We shall be pleased to receive a favorable response from you.

Sincerely yours.

My dear Mrs. Bliss,

Dr. Silver directs me to answer your kind letter to him of May Twenty-fifth, containing the kind invitation of the Crocus and New Era Clubs. He thinks he will be able to come to Bucyrus on any Wednesday afternoon in November. His honorarium would be \$150.00.

Kindly advise him at your earliest convenience whether these terms are satisfactory, in order that he enter the engagement in his lecture schedule for next season.

Sincerely yours,

Secretary

Rabbi Hillel Silver,
Cleveland, Ohio.

Honored Sir:— It would have greatly pleased us to have arranged for you to speak to our clubs the coming season, but our limited finances prevent our paying the suggested honorarium at present. We have had to cut down the number of lectures and limit the expense for each.

Hoping that at some future time we may be able to have you with us I remain

Yours sincerely.

Mrs. J. J. Bliss

We charge no admission; the expenses are met by the annual dues of members and the talks are free to the guests and members.

Rabbi Silver,
Cleveland, O.

Dear sir, - I am writing to you in the interest of the New Era Club, a literary club, of women. You have been recommended to us so highly, particularly by one of our ministers who heard you in Cleveland, recently.

We would like to know the type of lectures you give most attractive for a mixed group (having in mind our guest night, when we invite our husbands), and for a group of women; also your fee.

We are planning now for our guest night, April 16th, and have only \$2.50 for this night. Is there any chance of your coming to us at that time or near that date at that price?

I would appreciate an early reply.

Thanking you,

Mrs. Henderson.

My dear Mrs. Henderson:

Permit me to thank you for your kind invitation to address the New Era Club on April 16th. I appreciate your thoughtfulness and I wish that I were free to come. Unfortunately I have a long standing lecture engagement here in Cleveland for that evening. Furthermore, I am so heavily booked with lecture engagements and my work here has been so great that I have reduced my lecture engagements through the end of the season to an absolute minimum. Perhaps at some future time I may be of service to you.

With kindest regards, permit me to remain

Very sincerely yours,
