Dear Rabbi Silver:

We are in the midst of a campaign in an endeavor to raise half a million dollars for the erection of a community center. At the present moment we are already assured of one-half of this amount.

In the desire to educate our members to the great need of such an institution today, I am addressing this letter to you asking for your kind cooperation. Would you be good enough to write me a letter which you consider might be useful in arousing the interest of our members up to a more liberal and intensive support of this movement?

Thanking you very kindly, and with kindest regards,

My dear Mr. Engelhard,

Please pardon the long delay in acknowledging your letter of July 14th. I have been out of the city most of the time. I was very pleased to learn that you are planning to erect a community center and that you are now endeavoring to raise the required amount of money to make this project possible. I know of no finer enterprise in which you and your people can engage in at the present time. Nothing is so potent in molding the lives and characters of the rising generation as an attractive community center intelligently planned and supervised. Our young people must be drawn within the sphere of the Temple's influence if they are ever to be of service to Israel and to America. A Jew without his faith and without the great ideals of his race is a menace wherever he finds himself. I wish you well in your fine undertaking.

My dear Dr. Levy,

Please pardon the long delay in answering your kind letter of the 15th. I have been out of the city so much of the time. I am sorry that I will not be able to absent myself from my pulpit on January 4th. I am already scheduled to be away from my pulpit twice during the next three months. I have made it a practice to be away as little as possible from my Congregation on Sunday in as much as I am away so much of the time during the week. I am looking forward however to the pleasure of exchanging pulpits with you later on in the season. I shall be most happy to see you in Chicago.

With kindest regards to Mrs. Levy and yourself, permit me to remain

To the Secretary of Rabbi Silver,

I am under the impression that Rabbi Silver is in Europe, hence I address this letter to his secretary. I wonder if I could get any information regarding the plans of Rabbi Silver for the coming season's lecture course. We would like to have a date for our Temple Forum Oct. 19 or 26. Also his charges for the lecture. Will you be good enough to furnish me the information as soon as possible.

Respectfully yours

Mr. Samuel Schwartz,

My dear Mr. Schwartz,

Your impression about Rabbi Silver's absence in Europe is correct. He left in June and we do not expect him back in Cleveland until about September 6th.

In his absence I could not assure you a date for a lecture by him in your Forum. I am very much afraid that the dates you mention - October 19th or 26th are much too early in the season for him to give them favorable consideration. A great accumulation of work must receive his attention when he returns to his desk.

However, I shall be glad to place your letter before him. I think, though, it would be better for you to write him again when he returns, if that be not too late for your purpose.

Sincerely yours,

Secretary

My dear Rabbi Schwartz,

Permit me to thank you for your kind invitation to address your Temple Forum. I fear I shall not be able to avail myself of your kindness, inasmuch as I am already very heavily booked up, especially for the early months of the season.

I should be glad to come to you next year, or perhaps toward the end of this season. If you want me then, please let me know and I will try to give your invitation favorable consideration.

Dear Friend and Colleague,

I believe when I met you this summer in Vienna, you mentioned the fact that you had never occupied my pulpit, to which I hastened to add, "though no fault of mine."

Sunday Services are an innovation in our Congregation and something new to us in our section of the city. We are very anxious to begin them this year as auspiciously as possible. I would therefore consider it a great favor if you would preach for me Sunday Nov. 1st. I know this is a busy time of the year here. I trust you will be able to come for me. Whatever expense is involved it is needless to say we will gladly reimburse.

With kindest greetings from home to home and best wishes for the New Year, I remain

My dear Levy,

Permit me to thank you for your kind letter of October second. I wish I could see my way clear to come to you on Sunday, November first, but inasmuch as I shall not begin my Sunday Morning Services this year until October 18th, I would not care to absent myself so early in the season. You know that this disorganizes a Service considerably. I do not, as a rule, absent myself from my pulpit on Sunday. I am away from Cleveland so much of the time during the year, that I hold the week-end sacred to Congregational duties.

Perhaps we can make arrangements later in the year.

With kindest regards and best wishes to yourself and Mrs. Levy, in which Mrs. Silver joins me, I am

My dear Mr. Silver:

We desire very earnestly to have you on our program at the big Chicago forum that will be inaugurated next fall, meeting on Sunday afternoons in a downtown theater.

Please advise me as to the possibility of your being able to do this on any Sunday afternoon of November, December, January, or February. Have you plans or engagements already made that assure your coming to Chicago? We shall be pleased to have some word from you at your early convenience, even though it may not be possible for you to give an exact date as yet.

We shall try to meet your requirements as to honorarium, as well as expenses, and shall also be able to make other worthwhile engagements for you in Chicago if you can be here for the Saturday and possibly the Friday before and the Monday following. But we are chiefly interested in the Sunday meeting.

June 10, 1926.

Miss Frances H. Jones,
The Temple,
East 105th Street at Ansel Road,
Cleveland, O h i o.

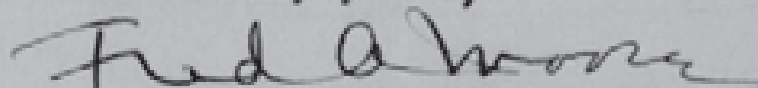

My dear Miss Jones:

Thank you for the information
regarding Dr. Silver's being in Chicago on
next January 3rd and 4th.

I do not know whether we can
use those dates or not. I shall be grateful
if you will advise me of any other dates that
he may make in Chicago next winter.

I respect his fee of \$200.00,
but wonder if that is his minimum for certain
worthwhile organizations who would like to
hear him when he is in the city but who cannot
pay anywhere near that fee? For example,
if he were to be here on a Friday forenoon,
the Abraham Lincoln Center Forum would be glad
to pay him \$75.00; this meeting is at 10:30
A.M. There would be other possibilities, but
very few groups with whom we deal can pay
two hundred dollars. I am sure that he will
understand.

Sincerely yours,

Dear Rabbi Silver:

As per your suggestion, we have taken the subject of your address with us on Monday evening, January 3rd, as "The Four Great Tendencies in Jewish Life" (A discussion of Prophecy, Legalism, Mysticism and Nationalism in Jewish Thought).

Our reason for being hesitant about the subjects which you gave us in your recent letter was due to the fact that we want to appeal to the non Jews who are also members of our lecture association. We feel that the subject, "Shall The Jew Assimilate?" or some such subject would be of interest to them.

We are glad indeed that we may look forward to your being with us again.

My Dear Rabbi Silver:-

The Anshe Emea Forum of the Jewish Arts Club is conducting a series of Forum lectures on Tuesday evenings during the month of January and February of 1927.

Three of the lectures are to be on the subject of "The Adjustment Of The Jew In America." The speakers invited for this part are: Professor M. M. Kaplan of New York, Dr. Kauvar of Denver and yourself. We would like to know what Tuesday evening is agreeable for you, and also what your fee is. I do hate to trouble you at this season of the year, but the program of lectures has to be made up and announced as soon as possible. Please let me know at your earliest opportunity.

As chairman of the Program Committee that is to make arrangements for next year's Annual Spring Conference of the Chicago Rabbinical Association, I write to you this letter, requesting that you favor me, by coming to our annual dinner, held co-jointly with the Chicago Federation of Synagogues, as the orator of the evening. Every year some prominent rabbi is invited to deliver the inspirational address, devoted to radio and layman, chiefly to latter. I trust you will be able to accept this appointment, the Committee and your colleagues here deem it an honor to have you.

The date for the meeting is Monday ^(twenty first) evening Nov. 21st, 1927, but if this time is unsatisfactory, I believe we can shift a day forward or backward.

May I hear from you as your various Announcements?

May I also ask you to send me, if possible, the pamphlet containing your rejoinder to the latter article in the Memorial Journal, which was refused publication. I would greatly appreciate this favor. With kindest personal greetings and ever

My dear friend:

Your speech at the University is the most important event of its kind this year. You will have several hundred students, and a number of the faculty, who have earnestly petitioned me to secure you. I couldn't imagine a greater service that you could render, and eight o'clock Tuesday evening is far preferable to four in the afternoon. The only reason I suggested four in the afternoon was that I feared you would have to speak on the North side that evening.

While I think that the same subject is admirable for both audiences, any subject that you might choose for the University would be most acceptable.

As all the publicity matter must go out before the winter recess, please wire me at my expense, that you can remain over Tuesday, and subject for the Tuesday evening meeting. Should you be very busy, I will not disturb you all day Tuesday, and you can read or write or study at your hotel.

I wired you yesterday afternoon that I shall address the meeting of the students of the University of Chicago on Tuesday, January 4th. I cancelled a very important local engagement assuming that the meeting is of moment. I trust that everything will be done in the way of organizing that meeting so as to make my stay over in Chicago worthwhile. I am unable to infer from your letter whether this is a Jewish meeting under the auspices of the Jewish students or a general meeting under the university auspices. Please let me know more specifically the nature of the meeting and I will then send you the subject of my address.

Dear Rabbi Silver:-

The Covenant Club of Chicago, with which you are no doubt acquainted would be very grateful, indeed, if during your sojourn in Chicago you could address its members and be their guest at luncheon.

The Club has an appropriation which permits the payment of \$100.00 for each address arranged for by the Forum Committee. Will you please wire me if you can be our guest at noon on Tuesday, January 4th? I understand that you are to talk at Sinai, Monday evening, January 3rd and no doubt it will be convenient for you to accept this engagement.

Will you please indicate also the subject of your address so that I can give it the proper publicity in advance?

Very sincerely,

Vice-President

Dear Colleague:-

At a meeting of the Rabbinate Association yesterday it was suggested that we arrange our Spring Conference so that you could be here for the address concerning which I wrote you in a previous letter. Will you kindly let me know, as soon as possible, whether you would be available for our dinner of the week of Mar. 21, the tentative date for our Convention, or whether you could come a few days before or after this week? I am sure you will be going ahead with other arrangements, and I trust you can accept our invitation.

With kindest greetings, Y. P. N.

My dear Rabbi Levi,

Permit me to thank you for your kind letter of December 24th. I am scheduled to be in Nashville on March 22nd so that it will be impossible for me to come to Chicago during that week. It seems that it will not be possible for me to get away until Monday, April 11th. I was wondering whether it would not be advisable for you to let me off until next year. You see, between now and April I have four addresses scheduled in Chicago and in that time I will have worn out Chicago's welcome by the time your conference goes on. However, if you feel that you want me this year I can give you Monday evening, April 11th. I am to be in Springfield, Ill. for a noon meeting on the 12th.

My dear Mr. Moore,

Rabbi Silver desires to have you know how deeply he regrets having had to cancel his lecture ~~lecture~~ engagement with the Jewish Arts Club of Chicago. He had been in the grip of a hard cold for some time and was finally compelled to give up, and under the advice of his physician to cancel, for the time being, all engagements to speak. Mr. Silver hopes the Jewish Arts Club was not too greatly embarrassed by his inability to appear, and that at some future time he may perhaps have an opportunity to serve them. Will you kindly express his regrets to the President of the Arts Club, whose name and address are not known to Rabbi Silver.

No great congregational celebration will ever be complete for me without you. Are you able to be the speaker on that occasion? The only other address will be a brief (fifteen minute) talk by me.

The acoustics are good now. The congregation is large; they are all anxious to have you, & as far as I am concerned it will be no you too without you. Please answer right off.

My congregation is giving an affair on Wednesday evening, February 8, 1928, which is to assume the nature of the fifth anniversary celebration of our establishment.

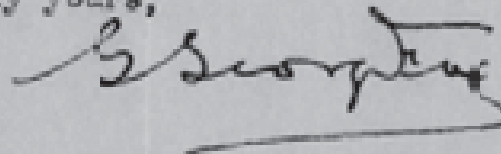

The purpose is to sell Temple bonds on that night as we are badly in need of money.

I have been asked to invite someone to address us and I should very much like to have you. I am wondering whether you could be with us that evening and what remuneration you would want; needless to say that I hope that the matter of money will not stand between us and your being here.

May I have an early reply?

The Chicago Rabbinical Association would feel highly honored if you would accept an invitation which it herewith extends to you, through me, the chairman of the programme committee of the Annual Spring Conference, to read before it on April 30th or May 1st a paper on Post Biblical Jewish Mysticism.

The general subject of this year's meeting is Mysticism, presented by Prof. Obermann of the Jewish Institute of Religion and Prof. Weiman of Chicago University on its Biblical and Philosophical aspects, respectively. Should you favor us by accepting the assignment to write this paper you would not have to dwell on the modern movements which are to be treated by some one else. He would appreciate it very much if you would tell him as soon as possible whether or not you can come. I hope the answer will be "Yes".

I had a fine time with Goldman here. The oftener I see him, the more I regret the fact that I did not work harder to take him away from you & lure him to Chicago. Of course had I succeeded he would have missed that great fight, which he has just won.

It is our earnest wish
that we may present you to our forum
audience some Sunday afternoon next
fall or winter.

Can you not possibly plan
to give us a Sunday, permitting you to
address the Chicago Forum in the after-
noon and another forum in the evening?
Perhaps an exchange of pulpit can be
arranged with one of the Chicago rabbis
for any Sunday that you may decide on.
Such an arrangement was made last season
when Rabbi Levi of Boston spoke at the
Chicago Forum.

We trust that you will
give this letter your earnest con-

a favorable reply from you.

Dear Rabbi Silver:

In answer to yours of May 7th, may I say that we are very happy to have the tentative arrangement that you will come to Chicago December 2nd provided that we are able to arrange with Dr. Mann or Dr. Freehof to exchange pulpits with you. We are immediately taking the matter up first with Dr. Mann because he is a member of our Forum Council.

I appreciate your willingness to come to the Chicago Forum for \$150.00. For the Sunday evening we want you to go to one of the other forums, which is of exactly the same nature as the Chicago Forum and definitely associated with us in the forum movement.

This is particularly true of the West Town Forum, which meets in the Washington Boulevard Jewish Temple on the west side. Will you not consent to speak for them for \$150.00, just as for the downtown forum? We shall be grateful for your early advice upon this particular point.

We shall see what we can do for another engagement on Monday at your regular fee of \$250.00.

We would like to open our next season's lecture program with a Symposium having four men appear speaking on the subjects, "Why I am a Jew", "Why I Am a Protestant", "Why I Am a Catholic" and "Why I Am an Agnostic." Would you care to take the subject, "Why I Am a Jew"? Each man would have a period of thirty minutes for the presentation of his subject.

We believe that a program of this sort would be a splendid way of opening our lecture program, and would afford the various elements of our audience of hearing a fourfold presentation of a most vital thought. We sincerely hope that you will find it possible to be with us at that time. Dear Dr. Silver:

Your secretary's letter of May 18th seriously disturbs me - not because we find any fault with your position regarding your established fee for other engagements than the Chicago Forum, but because we feel that it is impossible for us to secure that fee for a Sunday evening engagement.

If you are willing to come for the exchange with Dr. Mann and oblige us only to make the one engagement for you with the Chicago Forum, then there are no difficulties. If you do require a second, and possibly a third engagement, there is where our difficulty arises.

We may not have made thoroughly clear to you that the Sunday evening forum, at which we would like to have you speak for the same fee granted the Chicago Forum, is of exactly the same status as the Chicago Forum in so far as being under our sponsorship. It meets in a Jewish temple where the group is not wealthy and one hundred and fifty dollars would be larger than any fee they have ever paid. It would be very wonderful for them to have you.

We do not want to bore you or appear to be trying to make a bargain with you about this. It is only because of realities that make it impossible for us to secure more than one hundred and fifty dollars for a Sunday forum engagement, that we once more ask for your most generous consideration.

Rabbi Abba Hillel Silver

Dear Dr. Silver:

Mr. R. G. Schindler, a friend of mine, brother of Mrs. G. Silverberg, who is mother of Mrs. Hane, both formerly of Cleveland but now of New York, whom you doubtless will recall, tells me that he thinks you might be available for an address before the River Forest Sunday Evening Club.

River Forest, as you perhaps know, is a suburb just outside of Chicago, enabling one to drive to any of the Chicago railroad stations in 30 or 40 minutes so that if you came, you would be able to get a night train back to Cleveland, if desired, after making an address in River Forest.

Our Sunday Evening Club is non-sectarian with persons of all religious faiths participating. Our program, copy of which is attached, is, we believe, exceptional for a Sunday Evening Club with the number of nationally known speakers and musicians who will appear. Our Club meets in the largest public auditorium in the village and at our first meeting last spring following its organization, persons had to be turned away because of the crowd.

Mr. Schindler thinks that if it fitted in with your program, you would be glad to appear before our Club.

While we have engaged prominent speakers of the Catholic and Protestant faiths, we have as yet engaged no outstanding Jewish speaker and in order to make a complete, well-rounded program, we are anxious to do this. The Club is entirely non-commercial and is supported by voluntary offerings from residents of River Forest. Our finances will enable us to offer you, say, \$100 compensation as an outside figure. Mr. Schindler thought you would be willing to come for this if it harmonized with your other plans.

The only open date we have left is February 24. Would that be satisfactory to you on the above basis?

As we wish to have our complete program printed and distributed next week, I shall appreciate hearing from you soon.

Dear Dr. Silver:

Ever since receipt of your letter of September 7, I have been trying to make some changes in our schedule in order to make December 2, the date you suggested, available.

This, however, has been without success.

There is a bare possibility, however, that I can switch one date I have - namely, February 10. It occurred to me that possibly you might be in the Chicago district enroute to the Pacific Coast at that time whence you might be able to stop off in Chicago. If that is the case, I wonder if you could let me know.

I am not myself certain that I can make February 10 available but I have a letter now on the way to the speaker we have for that date to ascertain if I can change it. Of course, I will let you know definitely as soon as I hear from our other speaker and as soon as I hear from you.

Do not bother to write a letter. Just use the enclosed post-card if you prefer.

My dear Miss Sander:-

Permit me to acknowledge receipt of your letter of Sept. 22d in which you definitely confirm the afternoon of Dec. 2d for the Chicago Forum and for the evening of the same day, the Uptown Forum.

There is just a slight correction in the title for the address to be given in the afternoon. This should be: "Jew and Christian - Will They Ever Meet?"

The title for the evening lecture "Is Progress a Myth?" is correct.

Dear Rabbi Silver:

In behalf of the Humboldt Boulevard Forum, I am writing you with the expectation of having you appear at our Forum.

Will you please inform me, (1) what subjects you are prepared to speak upon, (2) when, within the next few months, it would be most convenient for you to fill an engagement, and (3) what your customary fee is.

The attendance at our meetings is between fifty and one hundred persons, most of whom are professional people and above the average in intelligence.

The subjects preferred are those of a controversial nature, such as would stimulate interesting discussion.

Assuring you of my appreciation of an early reply, I am,

Rabbi Abba Hillel Silver,

Dear Dr. Silver:

We are certainly very happy, indeed, to have had you with us yesterday and I trust that you found satisfaction in your two forum meetings. I greatly regretted that we had to lead up the meeting with an extraneous matter, which was very unfortunately presented, much to the detriment of our usual lively question period.

I am very pleased that we could have started this acquaintance with you which I shall trust may be very much extended in years to come.

Now that you have been with us and have seen us face to face, I am going to ask you to consider again the matter that we presented to you in connection with the making of the evening engagement.

You will recall that you generously consented to reduce your usual fee in the case of the Chicago Forum but that you did not feel justified in making a similar reduction for the Uptown Forum. Now that you more clearly realize how

Dr. Silver - page 2
December 3, 1928.

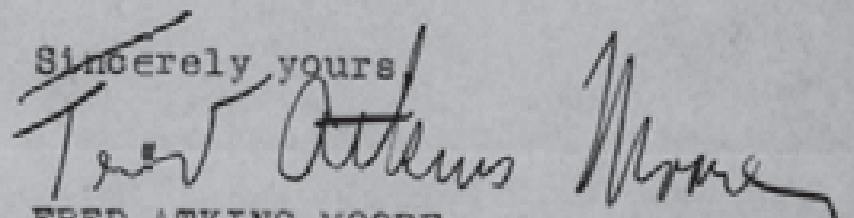

identical these two forums are and in view of the actual fact that the income at the Uptown Forum meeting is far below the amount of the \$250.00 fee, I feel constrained to comply with the request of the Uptown committee and ask if you will not sanction making the fee there \$150.00, just as for the downtown forum?

In order to help them our Speakers Bureau is willing to sacrifice the commission on that fee. Ordinarily our Bureau would take twenty per cent of the \$250.00, netting you \$200.00. We shall gladly give up the commission if you are willing to cut down your net fee by only fifty dollars.

I am sorry that an otherwise splendid day has to be marred by this material consideration, but I think that you will understand how vital these things are.

May I say in conclusion that I expected to come downtown with you last night at the invitation of your automobile host, but was detained by one or two people who had to see me and when I was through you had departed. So may I now say my word of farewell and specify my hope of seeing you again in the not distant future.

Dear Rabbi Silver:

After thinking over the subject of your address with us on Monday evening, January 7th, I believe it would be best to stick to the one which we announced in our program, namely, "What is Happening to the American Home?"

While I personally would prefer the other subject which you suggest, I believe it is better for us to conform to our announcement, because of two previous changes. I do not want our public to feel that our programs are arranged only to be changed at our convenience. It also so happens that one of the subjects to be presented in our Monday evening course, while not phrased as you have it, deals with this very subject.

Dear Rabbi Silver:-

Mr. Max Shulman has been kind enough to transmit to us your message of acceptance of Wednesday, April 10th, for the Hadassah Luncheon. We were able to make this announcement at our meeting and it aroused tremendous enthusiasm. With your acceptance the Luncheon promises to even excel last year's event which was probably the outstanding gathering of Jewish womanhood. We expect to have a thousand women present at the Luncheon, who have given and obtained a minimum of \$50.00 each. Immediately after the Luncheon and before you speak you will see a balcony crowded with men, husbands of the women present. (You see we reverse the order of the Orthodox,.

We do appreciate the sacrifice you are making for we realize the many demands that are made upon you. The impetus of your coming will mean added strength for Palestine such as only you are capable of giving.

Will you be good enough to ask your secretary to send us your picture and biographical material for publicity so that we may have it for Monday.

We thank you for the added zest you have given to us the workers in this difficult task of fund raising. Your name has already lightened the burden. We are most grateful for your coming.

Sincerely yours,

Cleveland, Ohio

My dear Dr. Silver:

I was very happy indeed that you have accepted our invitation to speak at the Hadassah luncheon, Wednesday, April 10th.

The news of your coming has given the women a greater impetus to continue their work and we hope that they will be able to present a check for at least \$50,000.00 at that luncheon.

The Zionists of Chicago are also anxious to avail themselves of your presence, and if it is agreeable to you we will arrange a dinner in your honor for the evening of Wednesday, the 10th, and will invite all our U.P.A. workers to meet with you.

Our campaign officially opens May 6th. We are now preparing our forces and feel that your presence will bring additional strength.

Hoping that this meets with your approval, and with personal esteem and kind regards, I am

Very truly yours

Max Shulman

My dear Mr. Shulman:-

Permit me to thank you for your letter
of March 19th and for your telegram of March 25th.
If all is well I will keep my appointment with the
Chicago Hadsasah Wednesday, April 10th.

The New York people have asked me to
address the Einstein Fiftieth Birthday Celebration at
the Metropolitan Opera House on April 9th. I told
them that I could not make it in view of my appointment
with you on the following day. If the Chicago group
would care to postpone this meeting I should make an
effort to attend both. Unless such arrangements are
made I shall of course, keep my previous appointment
with you.

My dear Dr. Silver:

Many thanks for your kind letter of the 26th.
I just received an announcement that the Fiftieth
Anniversary of Professor Einstein's birth will
take place Tuesday evening, April 16th. This will
make it possible for you to attend both functions.

The Chicago Hadassah has already issued invitations
for their luncheon for Wednesday, April 10th and
we are arranging a dinner in the evening. It would
have been impossible for them to postpone and I am
glad that these two affairs do not conflict. We are
looking forward to the pleasure of having you with
us for Wednesday, April 10th.

With kind regards and personal esteem, I am

I hope you are not arranging an evening
meeting for me. I simply can not speak twice in the

Dear Rabbi Silver:

On behalf of Hadassah, I want to thank you most sincerely for being our Guest at our Second \$50.00 Give and Get Luncheon.

We appreciate the sacrifice that you made in order to be with us and realize that no words can adequately express our gratitude for your coming. We feel however, that the wonderful propaganda that you made for our cause should in a measure repay you for that sacrifice.

The people who had the pleasure of hearing you will long remember the eventful occasion. We feel certain that your inspiring message will bring fruitful results for Palestine.

Will you be good enough to ask your secretary to send us your expense account.

With best wishes from the Thousand and more who were present at the Luncheon, I am

Sincerely yours,

Rabbi Abba Hillel Silver

Reverend Sir:

You will recall that we endeavored, but unsuccessfully, to find a mutually satisfactory date at the River Forest Sunday Evening Club last season.

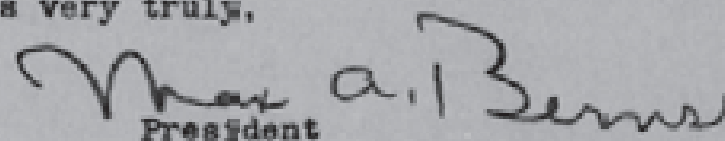

We are building up our program now for next season and I am wondering if we might look forward to your being with us some time when you happen to be in or near Chicago between October and April.

River Forest is a suburb of Chicago, within 30 or 40 minutes from the hotel district, and it is easily possible to take an evening train out of Chicago after speaking at our Sunday Evening Club.

We, of course, charge no admission and depend simply on very modest dues from a few interested people and on the evening collection. However, we would be glad to provide an honorarium of, say, \$100.

Can you let me know whether we may look forward to having you on our program? If you wish, you may prefer to use the attached reply form and self-addressed envelop, enclosed for your convenience.

Yours very truly,

President

M.A.B.-CM

P.S. - As our program is being built up now, it would be helpful if you could let us know at your early convenience.

Mr. Max A. Berns, President

Dear Mr. Berns:

According to your letter of May 2, you
can put me down for the River Forest Sunday Evening

dates - Dec. 22, Jan. 5, Jan. 26, Feb. 2, Feb. 16,

I understand you will provide an
honorarium of \$100.

Permit me to thank you for your kind

your letter on file and shall write to you again.
