Rabbi Silber,

Cleveland, Ohio.

My Dear Sir:-

The Plum Street Temple will hold their annual meeting Sunday evening December 1st, and our committee on arrangements are most anxious for you to be with us as the speaker of the evening to address the members of our congregation on any subject that you may choose; preferably one relating to National or International interests.

The writer had the pleasure of meeting you personally while out at Lockdown. Of course I will want you to be my guest while in the city.

Will you kindly wire me upon receipt of this letter that you will come?

Very sincerely yours,

Mr. Jacob V. Oak,
209 East 6th Street,
Cleveland, Ohio.

Dear Sir:-

Your letter of the eighteenth instant to Rabbi Silver has been opened by me in his absence. Rabbi Silver is in the West on a lecture tour from which we expect him to return Friday of this week.

Regrettably your letter demands a reply by telegraph and because I know that it will be impossible for him to be absent from Cleveland on Sunday, December 1st, I am taking the liberty of replying for Rabbi Silver.

Sunday, December 1st, has been chosen for the Memorial Service in honor of Rabbi Grice, and for the afternoon of that date a similar service for the Religious School is being arranged.

I know Rabbi Silver will regret having to decline your courteous invitation.

Very truly yours,

Secretary.

My Dear Dr. Silvers:

Altho I have never had the pleasure of meeting you I feel that I am somewhat acquainted with you because Mr. Max Grossman of Cleveland has spoken about you so often. - He has told me, among other things, of your very interesting and eloquent address before the City Club after your return from France, and I am wondering whether I may prevail upon to accept an invitation to address our Open Forum.

This Forum is conducted jointly by the Social Centers of the two large Reform Congregations. The subjects discussed, however, are not necessarily of a religious nature, and we shall be glad to have you speak on any subject whatever. - Can you arrange to come for the meeting on March 2nd at 10.45 in the morning? - If not for that date, will March 9th be convenient? - The address usually lasts for from forty-five minutes to an hour

after which there are questions and discussion from the audience, followed by answers from the speaker.

Of course we shall expect to pay whatever expenses the trip may entail.

I hope you will let me have a favorable reply, and I wish you would kindly telegraph, at my expense, not later than Tuesday morning, advising which date you prefer. For ourselves, we prefer March 2nd.

Sincerely yours,

Marie Elward

Feb. 23rd, 1919.

Please say in your telegram too what your subject will be, so that we may get out notices.

My Dear Dr. Silver:-

I received your telegram but delayed writing to you because we were considering the advisability of not holding the mass meeting. Yesterday our local committee, at the suggestion of those having the matter in charge at New York, concluded not to hold the mass meeting.

We thank you most heartily for your kind offer to speak at our request, and assure you of our appreciation of your kindness.

Thanking you personally, I remain,

Sept 16th -

My dear Mrs Smith.

It is splendid that
the work has started and
I am so grateful to you
for what you are doing.
But I know you are glad
with me to have the
opportunity to help in a
good cause -

By now the literature
and pins must be in
your possession. As they
were to be mailed last
Monday night. If they
have not reached you, a
line to headquarters - 1029
Garfield Bldg. (Per. will
no doubt fix things up.

At the meeting at the
High School on Tuesday
evening, I think it would be

good to have Mr Greenwood -
or some one you would select.
Make a few remarks before or after
the speaker of the evening's address -
And have literature handed out.
But I agree with you that Raski
Silver should have an evening at
home -

He said that next week would
be a very crowded one for him
anyway! So the week after would
probably suit him better. I understood
from my talk with Raski Silver -
that he wished a letter from
us - just putting the invitation
in concrete form -

It would be my suggestion that
you write, reaching my car -

3501 Reading Road
Cincinnati

narration of Oct. 14th to
his mind - expressing his
willingness to speak for us -
and tell him of the
suggestion as to Nov. 2nd -
which sounds very fine to
me - and then give him
the possible dates and
meeting places for the week
beginning Oct. 26th -

and let him fit in his
engagements and decide
which night to give us -
I think that is what he
would desire -

It is not our fault
that the work is a little
late and I feel we can
only do our best and
not worry.

Before the address, the
work can be well started
and surely then the Pastor

can round things up for us and
finish our quota.

I expect to be at home the
middle of next week and hope to
be soon back to you.

I hope my suggestion seems a
good one to you. And I feel sure
our benches will come to the
point - even if we do go over a bit
into the time of the Union
enterprise.

Thanks and best wishes -

Yours truly, Titchcock -

The paper clippings are a fine
start - and are
expressed very clearly - should do a
lot of good -

Rabbi Abba Hillel Silver,
c/o The Temple,
Cleveland, Ohio.

My dear Friend:

The Plum Street Temple has its annual meeting Sunday evening, December 7th, to be preceded by a dinner.

The Committee in charge of this meeting, of which I am a member, has asked that I get in personal touch with you at once with the view of having you address our membership that evening.

I understand that you were unable to accept the invitation to speak at the Wise Center on Sunday morning because of your holding services at that time, but would it not be possible for you to leave on the noon train, which arrives here about six o'clock?

I have been patiently waiting for you to accept the invitation that I extended to you when we met in Chicago, to be my guest the next time you come to Cincinnati.

My idea would be for you to speak Sunday evening at our annual meeting and then to have Mr. Sam Feckheimer arrange for you to speak at a large public meeting the following night, at the same time address one of our Civic organizations Monday morning. *Worm*

Now, please don't say "NO". Of course, we would prefer to have you come Sunday morning, but if your congregation cannot do without you, you surely can leave Sunday noon and be with us as above outlined.

JACOB W. MACK
209 EAST SIXTH STREET

Rabbi Silver,

11/11/19

I am particularly anxious that we make this annual meeting a wonderful success, as the supper idea is an innovation here and furthermore, we have every reason to believe that this will be an unusual meeting in many respects. You have so much to tell us on International affairs and you can so well suggest to us ideas so wonderfully carried out in your own congregations, that I feel whatever sacrifice it will mean to you will be well worth while.

Instead of 'phoning you I am writing in detail, but please do not turn us down this time.

With kindest regards,

Sincerely yours,

Jacob W. Mack

My dear Mr. Nick,

I appreciate very much your courteous invitation to address the Annual Meeting of the Film Street League. I should be very anxious to accept it, especially as it would afford me the opportunity to address a Zionist meeting in Cincinnati on the following day.

Unfortunately, I accepted, some six months ago, an invitation to address the Executive Meeting of the KKK in Wheeling on Sunday, December 7th, and I, of course, do not feel justified in cancelling it.

I hope that the opportunity will be given me, at some future time, to meet your people in Cincinnati.

My dear Rabbi Silver:

In the rush of things I neglected to answer your kind telegram and letter of the 16th. We have decided to have the Wise Center give an entertainment at our Annual Meeting, since you were unable to be our guest on that evening.

We have also concluded it best not to give a dinner, under present conditions.

Had a letter from my brother, Judge Mack stating he would be in Cincinnati December 20th and we hope to hold an informal Zionist meeting for a selected group. Our plans are not definite as yet, and should we want to hold a mass meeting about that time, would you be in a position to be here? Kindly let me know at your leisure.

Very sincerely yours,

Please pardon the delay in answering your wire of the 4th, but Rabbi Silver's time has been so completely booked for speaking engagements, that he has been unable to decide definitely whether he had a date to offer you.

There is a chance now that he may be able to accommodate Cincinnati, for Saturday, February 15th, or Thursday, March 6th. Would either of these dates be satisfactory to you? Kindly let Rabbi Silver know at your earliest convenience.

I appreciate very deeply your kind invitation to occupy your pulpit on Saturday and Sunday morning, but I shall leave Cincinnati on Saturday night, in order to be back in my pulpit Sunday morning.

I have not been feeling well for the last few weeks and I am afraid that two lectures in one day would be a bit too strenuous for me, especially as my City Club address, I understand, is to be at noon.

I hope that at some future time I may have the opportunity to occupy your pulpit.

Dear Colleague:-

You may have observed that Rabbi Franklin, President of our C.C.A.R. has addressed the attached letter to the Zionist Organization of America, after the issuing of the palestinian mandate to Great Britain at San Remo.

It is not impossible that the Central Conference, at its convention at Rochester, may feel impelled to modify considerably its attitude toward Zionism; possibly it may realize its duty to call upon America Israel to help in rebuilding Palestine. Perhaps the time has even come when the American Reform Rabbi realizes that Zionism is one of the great incentives for Jewish loyalty, and will hold within Judaism those who would otherwise have strayed from it.

In the interest of the future of American Judaism we Zionists in particular ought to attend the Rochester Convention.

Very Sincerely,

Dear Rabbi Silver:

As you probably are aware, the American Jewish War Relief drive will take place in the State of Ohio from February 12th to February 22nd. The headquarters of this drive for the State will be in Cincinnati.

I have been asked to serve as Chairman of the Board of Speakers. The purpose of this Board is to furnish, particularly to smaller communities in the State, the names of those who will be able effectively to present the appeal for our unfortunate brothers and sisters. It is the feeling of the gentlemen who are supporting this that there is nothing of greater importance before us today. The need is more poignant than ever.

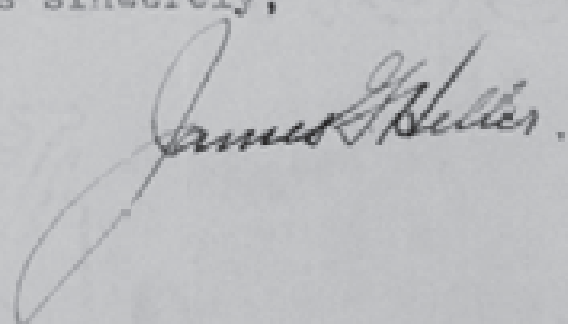

May I then ask you whether you will consent to have your name placed upon the list of speakers, whether (if time and place can be suited to your convenience) you will be willing to serve in this way? Kindly write to me as soon as possible, as the time is short, and we wish to get in touch with every community in the State.

May I also ask you to suggest the names of lay speakers in your city, who in your opinion are qualified for the same task?

With fraternal greetings, I am

I have been asked by the Forum Committee of the Wise Center to invite you to be one of the speakers in this year's course of lectures. As you probably are aware, these Forums are held on Sunday mornings and attract a large and intelligent audience. We would greatly prefer that you select one of the following Sundays: January 7, February 11, March 11, or April 8. Of course it is understood that your expenses will be paid and also an honorarium. Will you kindly name in your letter what you would expect? I am particularly eager that you should make it possible to accept this invitation as it is our desire to make the Forum of this year more Jewish than it has been in the past.

Rabbi Abba Silver,

My dear Rabbi Silver,-

I am writing to let you know, immediately after the decision was reached, that we will omit the January meeting of the Council. Our reason for doing so will, I know, win your understanding and sympathy. Laura Freiberg, the only daughter of our president, yesterday met her death most suddenly and tragically. A called meeting of the Board was held this afternoon and, among other marks of our sorrow and sympathy, it was agreed to omit this meeting, which was to have been a gala occasion.

Needless to say, we are still very anxious to have you address us-- and we are well pleased with your choice of subject. We will rearrange our program, so that you could choose either our March or our April meeting-- the dates are March 28 and April 25. If these are impossible for you, I might be able to change our plans for February -- the 28th again-- but that would be much more difficult.

May I hope that you will come to us either in March or April? And will you let us know which you prefer? I hope this change of date will not seriously inconvenience you.

Very sincerely,

Roseline A. Schwab.

I wonder if you ever have heard of our Big Brothers' Association? As its name implies, it tends to equip each less fortunate boy in the community with a Big Brother, a real friend. However, the Big Brothers have heard of you and believe that you could inspire them to even greater success. For really this Association has done very remarkable, practical work.

The last week in March, the Big Brothers, between 75 and 100, will have their annual meeting, and the Board suggested that I ask you to be their guest at dinner and speaker. The exact date during that week could be fixed to suit your convenience, and if you find it absolutely necessary, you could even leave again for Cleveland that night.

I believe you will enjoy it, and I am sure that we will enjoy you. Please write or wire, stating your acceptance and date upon receipt of this letter. I shall then be very glad to give you further information.

My dear Dr. Silver,-

I am delighted that you will be able to address us next year. January 24 will suit us nicely, and your terms are quite satisfactory.

Is it too early to discuss the subject of your address? Each of the women's organizations in this city expect to devote one meeting to furthering the cause of peace, and it has occurred to me that you could give us a very inspiring talk of this kind. However, we need not decide this now. But I should like to have you send me, about a month in advance of your appearance here, both your subject, and some other items, suitable for newspaper articles. We could make use of a photograph, I am sure. Perhaps I had better write you a line, at that time, as a reminder.

We shall all look forward very eagerly, to hearing you.

Rabbi Abba Hillel Silver,
The Temple, 55th & Central Aves.
Cleveland Ohio.

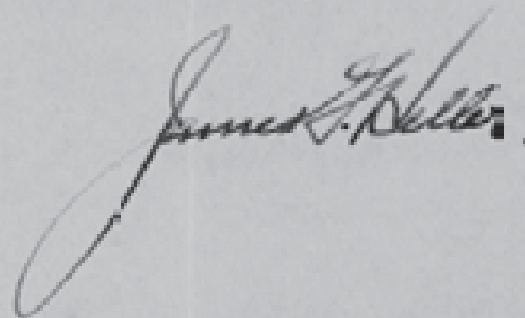

Dear Silver:-

You will, I am sure, recall that I invited you some time ago to be the speaker at our annual congregational banquet this December,- that you were kind enough to accept. You asked that it be not on Sunday evening, but in the middle of the week. In accordance with your wish in this matter we have set the date as Wednesday, December 5th. I write to you thus far in advance to make sure of your being with us.

These banquets have meant much in the life of the congregation. We use them for the discussion of congregational problems, for the inculcation of the spirit of good-fellowship. This year the meeting ought to be a particularly auspicious and eventful one, as we hope by that time to have money for a new Temple Center,- and because of your being with us.

Will you kindly let me know positively that you will be with us? I shall write later as to details. With friendliest greetings to Mrs. Silver and yourself, I am

Yours sincerely,

October 24th, 1922.

Rabbi James G. Heller,
Plan Street Temple,
Cincinnati, Ohio.

My dear Rabbi Heller,

I received your letter and telegram. Had I not made a promise to you months ago I would not have accepted the invitation in as much as the amount of work which has piled up on me in the last few months due to the construction of our new Temple has proved very taxing. However I want to keep my promise and I shall be with you on Tuesday, December 12th. Please give me an idea of just what type of an address the occasion requires.

With kindest regards, I am

Dear Rabbi Silver:

The students of the Hebrew Union College are very anxious to hear you speak, and as president of the Lit. I am taking the liberty of writing to you, hoping that perchance you will be in Cincinnati some time this school year, and that then perhaps you may be willing to give us an evening and be the speaker at one of our meetings.

I am sure that an evening with you would a rare treat for us, and since there is at least no harm in hoping, I hope that we may have it.

Sincerely yours,

I should like to write to you a little later in regard to the kind of address we should like. Dear Rabbi Silver:

Just a few words in regard to our banquet on December 12th,
and the type of address we would like on the occasion.

The purpose of this banquet is: first, to stimulate a feeling of good fellowship and of congregational unity; secondly, to put before our members the problems we have had to face in our congregational life. This year happens to be a particularly crucial one. We start tonight on a campaign for \$300,000.00 to erect a new center, to house our religious school and our Sunday services and our offices in general. It is more than possible that we shall have to use the banquet also, not for the raising of money, (for we have definitely promised not to solicit subscriptions at it), but at least for arousing additional and renewed enthusiasm. My idea was, if it appeals to you, that you should speak upon the need for a Jewish revival, of the pressing character of Jewish problems in general, of the need for rallying to the standard of the synagogue. In other words, what I should like most is for you to pave the way, so that upon that basis we may come to them with our individual necessity.

Let me know how this appeals to you.

With kindest greetings to Mrs. Silver and yourself, I am,

I plan to begin Cincinnati on Decem-
ber 12th, but I am to address an evening meeting,
so I shall be unable to meet with the men of the
Literary Society, much as I should like to.

Perhaps at some future time I may have
this pleasure.

Dear Abe:

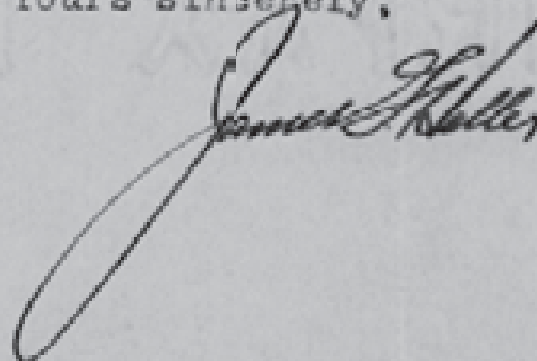

I need not tell you with what universal acclaim your address before our congregation banquet met. I enclose a copy of our bulletin with an account of the banquet. We were very glad to have had you here, and hope that it will be possible to repeat your visit at an early date.

Please let me know what your expenses were for the trip, so that we can send you a check for the amount.

I trust that Mrs. Silver is again enjoying the best of health.

With friendliest greetings to both of you, I am,

Yours sincerely,

821 Mann Place,

Avondale, Cincinnati.

22 December, 1923.

My dear Dr. Silver,-

I hoped to speak to you when you were in the city, the other day, but when I found what a few hours you were to be here, I gave over the attempt. I was to communicate with you, you remember, about this time, in regard to your subject when you address our Council on the twenty-fourth of next month. I forget if I mentioned, in our previous correspondence, that we would be especially glad if you would choose some aspect of universal peace as your topic. Every women's club in Cincinnati-- and of course in many other places-- is giving one meeting this year to ~~that~~ subject, and we feel that no one could give us a more inspiring address than yourself. A Peace Committee has been appointed, which is just beginning its work. As we have invited the various Sisterhoods to attend this meeting as guests, it would be a particularly auspicious time for this subject.

Will you let me know, as soon as you conveniently can, under what title you wish your address announced? And I would be glad for autobiographical details, such as would make good newspaper articles. Even for a speaker so well-known as Dr. Silver, we like to have as much publicity as possible.

Will you let us know, too, when you decide, just when you will arrive in Cincinnati, and if you wish arrangements made for the night?

Very sincerely,

Rosalind A. Schwab.

Dear Rabbi Silver:-

Permit me to extend to you upon my own behalf, as well as that of the Faculty and the Board of Governors of the College, my sincere thanks for your kindness in coming to Cincinnati to participate in the Memorial Exercises for the late Professor David Neumark.

Also let me repeat my statement of appreciation, of the masterly address which you delivered on that occasion. I have heard only the very highest and most enthusiastic comments upon it. For myself I may say that you made Dr. Neumark to be more of a real, creative personality and better understood by me than I ever conceived him to be or understood him during life. I thank you very heartily for this.

If you will kindly send me the statement of your expenses for this trip, I shall see that it is taken care of by the Board of Governors.

Dear Sir:

From April 18 to April 29, Cincinnati will stage its annual Community Chest drive, and on behalf of the Chest, I am asking you to be our guest of honor and speaker at one of the campaign luncheon meetings of all the worker and active supporters of the Community Chest.

These meetings will be held on April 21, 22, 23, 24, 27 and 28, at one of the prominent hotels, and we should like very much to have you with us on the 27th. If this date, however, does not meet your convenience, we shall be glad to see if we can arrange our program so that you can speak on one of the other days.

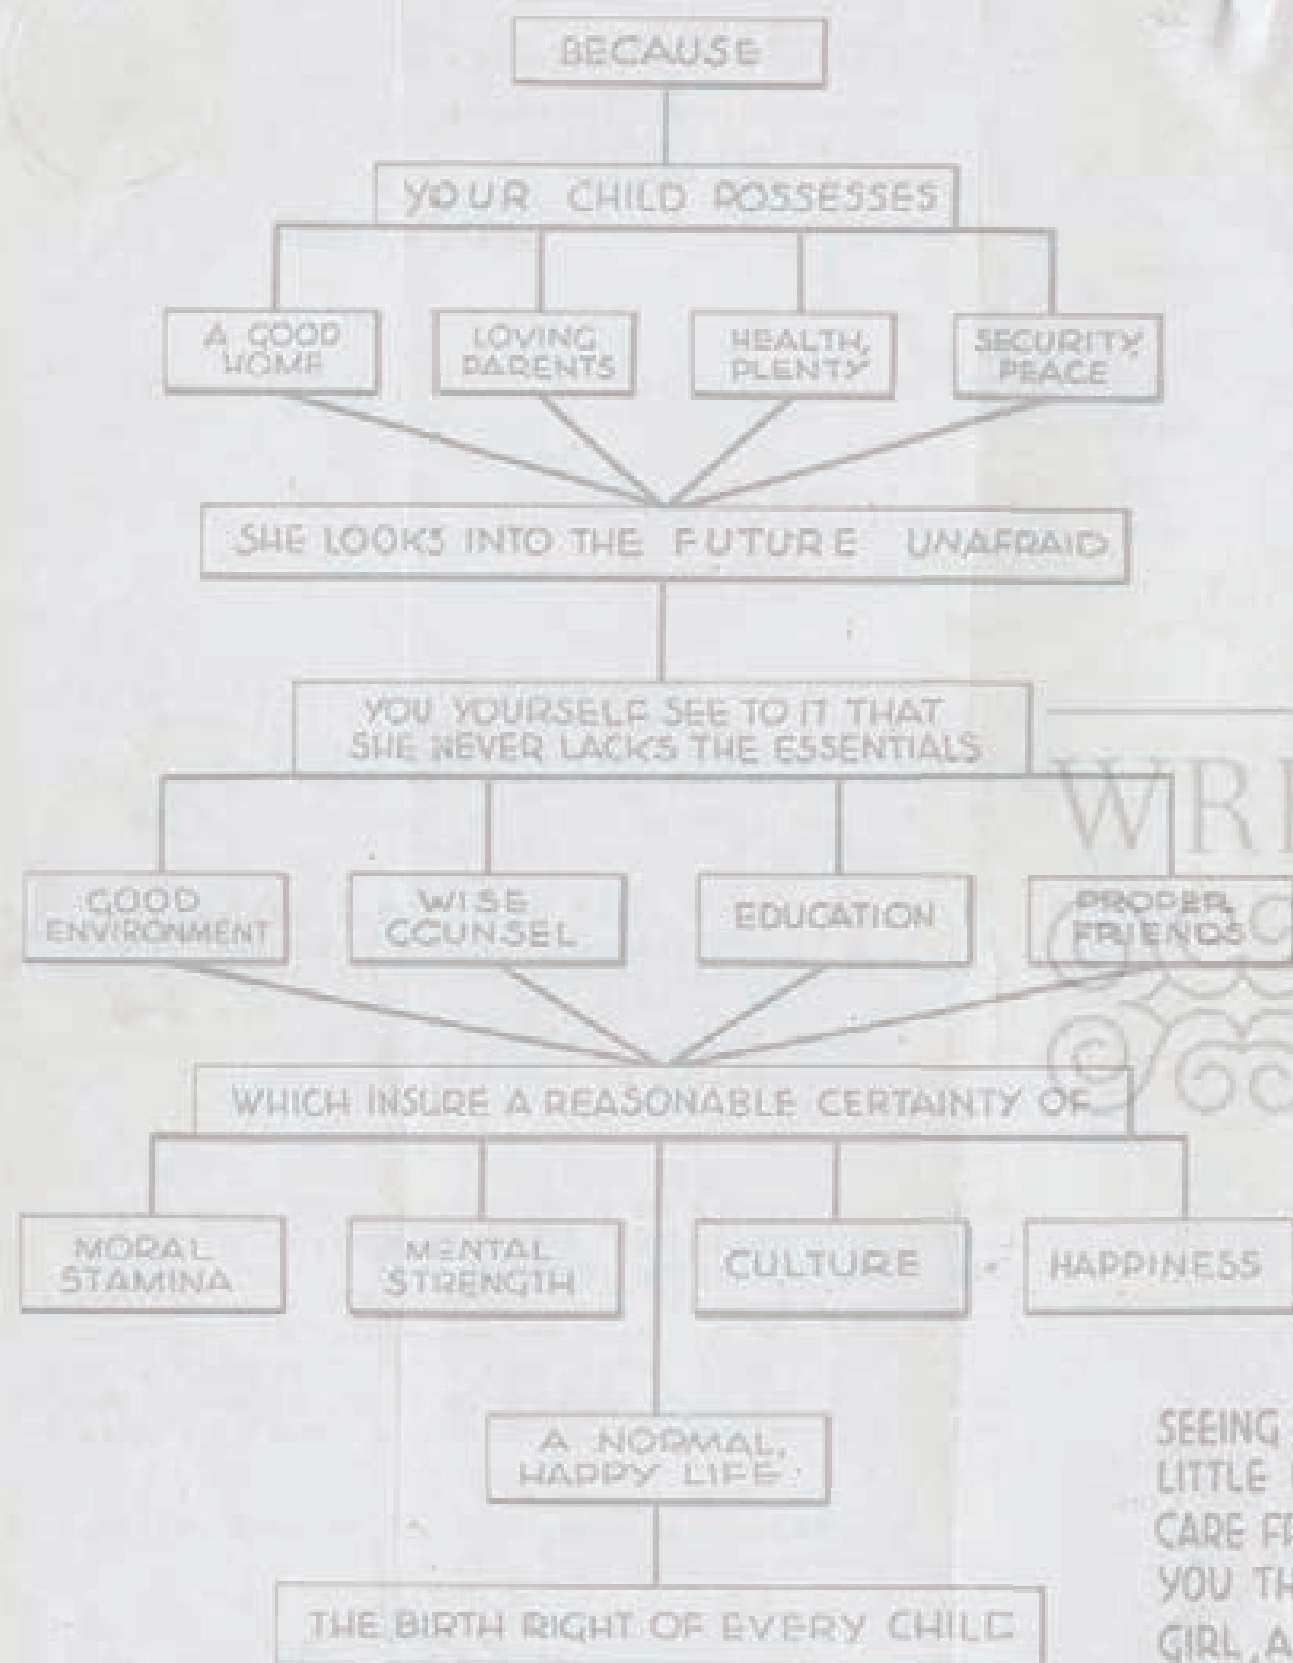

The meeting, including the reports of the various teams, lasts only an hour, and of this time about twenty minutes is used in an enthusiastic message from some well known person.

Cleveland has been so successful in its Community Chest activities that many of us here in Cincinnati are very anxious to have the encouragement and inspiration that some one from your city can give us.

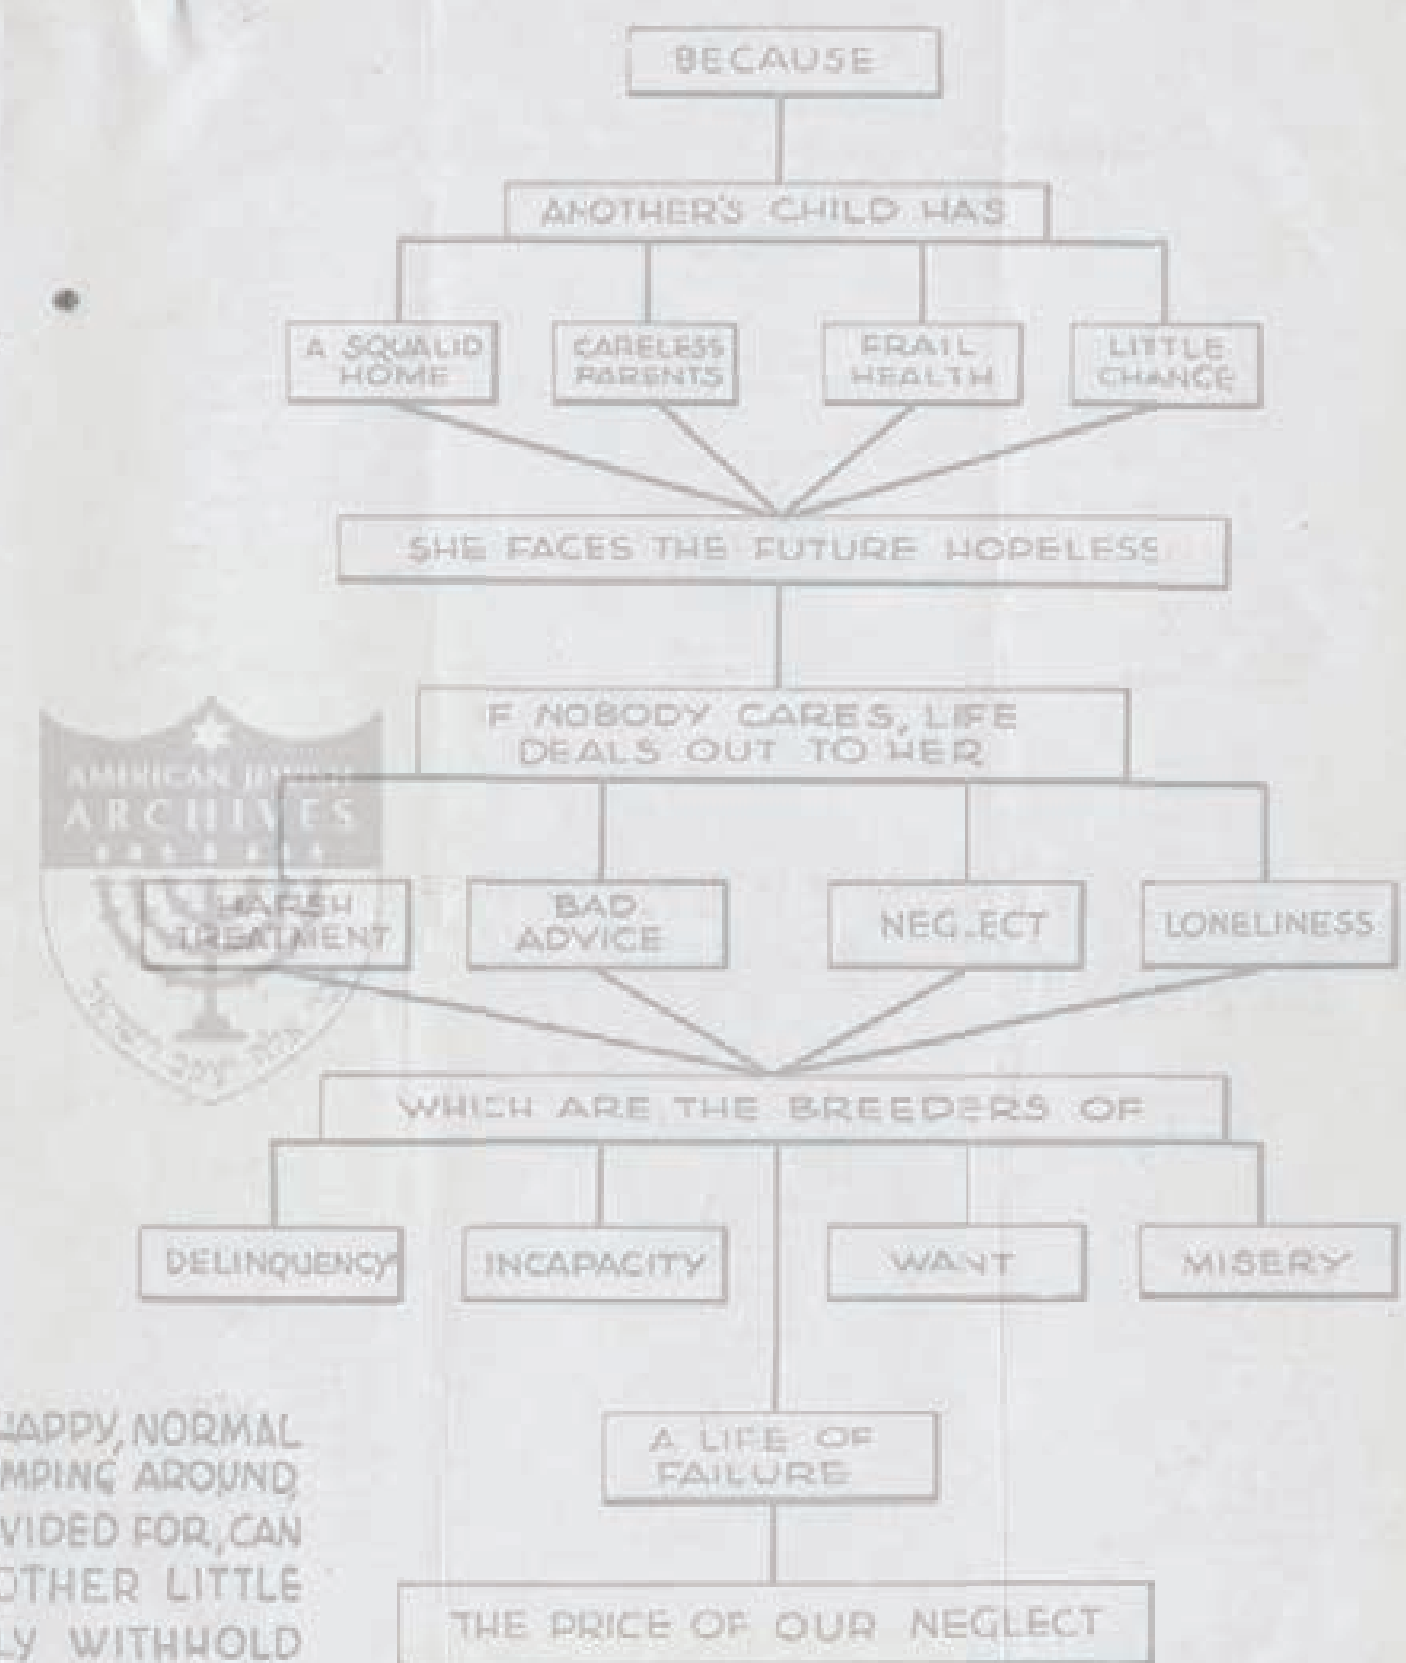

We shall, of course, be glad to meet any expenses occasioned by your trip.

Yours very truly,

Our Mr. Herbert S. Bigelow having been given a leave of absence during this year, we are trying to fill our platform for Sunday afternoon meetings with speakers of ability and eminence who may have a message for us. At the present time we have the following dates not yet taken care of, to-wit:

January 24th, February 7th, April 4th.

Would it be possible for you to come on one of these dates? Our meetings are held on Sunday afternoons from 3:00 to 4:45 o'clock in the Shubert Theatre of this city.

As may perhaps be judged from the legend at the top of this letterhead, there would be no restrictions as to point of view or the expression of it.

If you could come, would you kindly let us know what date would be acceptable and what your fee would be?

Trusting to hear favorably from you, I am,

Yours very truly,

My dear Dr. Silver,

The University Y.M.C.A. has been given the selection of the Baccalaureate speakers. Last year we had Howard Melish of Brooklyn and this year we had Clinton Wunder of Rochester, both graduates of The University of Cincinnati. It has been our aim to select the outstanding ministers among our alumni to come back to speak at the Baccalaureate Services and are wondering if it will be possible for you to make the address at The University on June 12th, Sunday, 1927.

Our custom has been to pay the expense of the trip and to provide a small honorarium for the speaker. If this arrangement and the date are both satisfactory to you, we should like very much to have you come down to speak on the 12th.

Will you let me know as soon as possible if you will be able to come?

Sincerely yours,

Rabbi Abba Hillel Silver,
The Temple,
Cleveland, O.

My dear Rabbi:

The division meeting at the Cleveland meeting of our National Conference of Social Work, where you and others spoke on "Religious Experience in Case Work" was, to my mind, one of the best and most inspiring sessions which I have attended, and I have been going to the National Conference for over twenty years.

It was on a phase of social work which has been neglected, but on which some of us have been trying to focus attention. Your own address, after the three others had spoken, was a wonderful summing-up of the reasons why social workers should give more attention to spiritual values in their work. I tried to find you after the meeting to express in person the obligation which I felt we all owed to you, but was unsuccessful.

By curious coincidence, before going to the Conference, some of us had been discussing the subjects which we would like to have presented at the two evening sessions of our Ohio Welfare Conference which is to meet in this city, October 12-13-14. At this Conference we had all agreed that we would like to give one of the evenings to a presentation of the subject, "Spiritual Values in Social Work" with yourself as the speaker. This subject has now been approved by those directly in charge of the Conference, and I have been asked, in Mr. Bookman's absence to get in touch with you for the purpose of inviting you to give this address. It is our desire to spend the entire evening sessions on this subject. If it meets with your approval, instead of having two or three speakers, as is so often done, we will have only one, and that yourself.

We feel that the subject is one which warrants an entire evening, and that if you are free to take the time to handle it in the way you would like to, it will be better than trying to bring in others.

We would like to have you take Thursday evening, October 14, if at all possible.

You know, of course, what our Ohio Welfare Conference is. It is our State Conference of Social Work. Unfortunately like the National Conference, it is only able to reimburse speakers for their expenses. We do hope, however, in view of the subject we want discussed, and the Conference being in our own state, that you will find it possible to accept. It will be quite impossible to find anyone equally able to take your place.

The Secretary of the Conference informs me that he wishes to send out a preliminary program as early in August as possible. For this reason we will appreciate an early reply.

Sincerely yours,

Edward W. Davis
Assistant Secretary.

My dear Rabbi Silver:-

The Anti-Defamation League in accordance with our new program contemplates the organization of a Speakers Bureau for the use of the various luncheon clubs, such as the Rotary, Kiwanis, Lion, etc. It is our intention to give an opportunity to the non-Jewish representative groups to hear a talk on Jews or about Jews, or for that matter a talk by a Jew on any subject which indirectly may leave a favorable impression and thus create a better and more just attitude toward our people as a whole. The experiment will be started in four States, Illinois, Ohio, Wisconsin and Missouri. I am wondering whether you could find it worth while to make yourself available for this work, and if you feel that way I will appreciate it if you will send me the topic or topics on which you would like to speak, and what dates would be most convenient for you. Mention also the number of dates you can give so that in our arrangement we can consider the time that it will require to cover certain distances.

Naturally, there is an honorarium connected with this work and you can mention your own figure and then we may ask for a reduction.

In addition to this I will appreciate it if you will send me one or more names of persons, either Jewish or Non-Jewish whom you consider qualified to be included in our program.

Hoping to receive a favorable response, and thanking you for your cooperation, I am

Session I am wondering whether my address before the Ohio Welfare Conference could be shifted to an afternoon during the convention, or whether on the evening of the fourteenth I could speak early in the evening, permitting me to give some time to the United Jewish Appeal. I should appreciate it if this can be arranged.

Will you kindly let me know at your earliest convenience, in order that I may advise the U.J.A. Committee.

Miss Frances H. Jones,

My dear Miss Jones:

Mr. Howard Knight, Secretary of our Ohio Welfare Conference telephoned this morning and informs me that the preliminary program is about to go to press.

I had to tell him that no word had yet come from Rabbi Silver, but from your courteous note I judged that he was expected back by this time. We very much desire to have him present with us as you will recall from my letter of July 26th, at the meeting of our Ohio Welfare Conference in this city October 14th.

If Rabbi Silver is back and you are able to get my letter above referred to before him, it would be very helpful to us if you could wire me his acceptance. We certainly do want to have him if possible even though we may not be able to include the formal announcement on our first program.

Thank you very much for your kind letter of September 15th. My absence from the city explains the delay of my answer.

I have just returned from New York, where I spent a whole week trying to stimulate the work in the East and I am very pleased with the results. I expected to begin the organization of the Speakers Bureau at once, but unfortunately, I am called to Florida to do emergency relief work in connection with the disaster.

I shall write you again when I return. Meanwhile, I was wondering whether you could not give us, in advance, the dates when you are speaking in the various localities. Perhaps we can sandwich in some engagement with the clubs in question. Your contribution in this respect is of the greatest value.

My dear Dr. Silver:

We are inaugurating a new method of giving expression to the annual stewardship of social service agencies. Heretofore, the old method of having each President and each professional worker make a report of the work for the year was adhered to. We wish to change this type of meeting to a dinner affair, at which an outstanding representative of Jewry makes the principal address on a subject concerning Jewish Social Service.

I am exceedingly anxious to have the innovation create good feeling and a better Jewish consciousness. I, therefore, should appreciate if you would consent to come here to address the meeting at any date convenient to you, during the month of March.

Hoping to hear from you affirmatively within the next few days and with kindest regards, I am

Cordially yours,

Dear Rabbi Silver:-

Our organization is planning to have an Interdenominational Mass Meeting on Lincoln's birthday, February 12th. We are inviting representatives of Judaism, Protestantism, and Catholicism to speak at that time. It is our desire to get men of national position to speak so that the day may be made an important one.

We would like you to be one of these three men. Would it be possible for you to come for a noon meeting on that day? We trust that you will make every effort to be with us. All expenses connected with your coming will of course be assumed by us.

Kindly let us hear from you as promptly as possible. Hoping for a favorable reply, I am

Dear Rabbi Silver,

We have heard so many gratifying reports of the Baccalaureate Service that we felt we must let you hear them too. Many people felt that it was by far the best service we have ever held and that your message was very inspiring to the older people as well as to the graduating class. We all appreciate your coming down here to address the students and hope that you felt that your time was well occupied.

As I mentioned to you we are planning to send a printed booklet containing your address to all graduates of 1927 so that those who were not fortunate enough to be present at Baccalaureate may read your message and those who attended the service may have the opportunity to reread the address. I hope that you will send the manuscript as soon as possible as we are anxious to have it printed.

My dear Doctor Silver:

On July the 25th I wrote you at the request of the Cincinnati Peace League to ask you to address an inter-denominational mass meeting February 22nd, 1928. The League has had such a meeting for the past three years on this date at Keith's Theater, at the noon hour. It is the most important meeting of our year's programme, and has been addressed by three clergymen, of the Jewish, Catholic and Protestant Faiths.

We have asked Dr. Joel Hayden of your city to also speak at this meeting, and are very anxious that both of you will find it possible to accept the invitation. The Cincinnati Peace League, as you may know, is an organization of more than seven hundred members of which Rabbi Heller is President.

We are very anxious to complete arrangements for this meeting at the earliest possible moment, and hope that you may find it possible to accept our invitation.

May we hear from you concerning this matter at your earliest convenience.

Very sincerely yours,

Ruth M. Jones

My dear Silver:

In the first place let me welcome you home from your trip abroad and wish you a happy New Year, even though it be somewhat belated.

The real reason for my writing you is to extend to you a most cordial invitation from the officers of my Congregation and myself to deliver the address at the 104th anniversary meeting of the Congregation. This will be celebrated on the date of the anniversary, January 16, 1928, with a congregational dinner. We are very desirous of having you as our guest and having you give the message of the evening. I know that you are in great demand but I hope that you will be able to be with us as this is always a great occasion.

I am looking forward eagerly to reading your book, upon whose appearance I congratulate you most heartily. The book producing Rabbis are only too few among us and I welcome you most cordially into that rather small fraternity. I have no doubt but that I shall find your book both scholarly and stimulating.

The fact that you are here on November 22, to speak at the Wohl installation dinner, does not appear to us in any manner as making your speaking at our dinner in January impossible. It will be an entirely different audience. Kindly let me have your subject as soon as possible. I know that this entire congregation will be delighted when they hear that you are to be with us on that occasion.

Dear Dr. Silver:

Mr. Hershman told me of his conference in Cleveland with you and that you have been kind enough to accept our invitation to deliver the installation address at the dinner. The date of November 22nd suits me very well. We shall therefore proceed with the necessary preparations for this affair.

To the invitation of the Congregation I add my personal invitation to Mrs. Silver to be present.

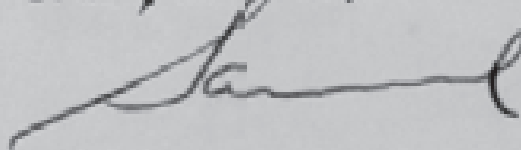

It is our plan to have only one speaker at this affair and after the dinner, which will probably take place either at the Alms or at the Sinton, there will be a ball.

My work here is going along very nicely. There is a great deal to do and it is delightful to see results so soon.

Our little Theodore Herzl is a real joy to us. He is growing beautifully. Last week he surprised us on his fifth month birthday with two teeth.

Please let me hear from you soon and give my very best to Mrs. Silver. Mrs. Wohl joins me in wishing you and Mrs. Silver a gmor hasimo tovo.

Dear Dr. Selzer

As I said to you over the phone, the Anti Bureau of Jewish Education will launch its campaign at a dinner to be given November 10th. They have delegated me to ask you to be the speaker upon that occasion. The Committee knows of your efforts for Jewish Education in Cleveland and Nationally and feels that you are the man who can awaken Anti Jewish to its responsibility along these lines. Particularly Anti does not live up to its reputation in the lacking it gives to the Bureau of Jewish Education. Should you not be able to come on the 10th will you set a date some night that week

that will be convenient for you?
Please consider this not only an

My dear Mr. Silver:

I am in receipt of your tentative acceptance of our invitation to speak in Cincinnati Friday Morning, October 26th, 1928. Since we formulate our programs early, may we have positive confirmation of this and a statement of the topic you wish to use as soon as possible? We would like an address of about fifty minutes' length. The fee of \$200.00 is satisfactory.

Very sincerely yours,

Would your group be interested in my address "The Four Major Tendencies of Jewish Life"? This is a discussion of prophecy, legalism, mysticism and nationalism as they manifested themselves in the life and thought of our people.

If you think this subject would be too heavy for the type of gathering which you contemplate, I can speak on the subject, "What Is Happening to the American Home"?

My dear Silver:

I have your letter in which you mention two subjects for your address at our congregational dinner. As you intimated, the first named may be somewhat heavy for a gathering of that kind. It would therefore appear better for you to use the second address, namely, "What is happening to the American home?".

Please let me know by what train you will arrive as I will have one of the men meet you. Will Mrs. Silver come with you?

It is the desire here to begin the dinner at half past six promptly, or as shortly thereafter as possible.

Rabbi Abba Hillel Silver
The Temple

Dear Rabbi Silver: Cincinnati has a large group of students who are earnestly interested in things Jewish and hence are very active in the Menorah Society of the University of Cincinnati. The coming year promises to be an unusually successful one - discussion and study groups have been organized and are being enthusiastically anticipated. We are exceedingly anxious to arrange a program of speakers that will make the year even more worth while for Menorah.

So we are optimistic enough to hope that you are planning to be in Cincinnati during the coming scholastic

year. If so, will you consent to address a group consisting of students of the Hebrew Union College and members and friends of the Menorah Society of the University of Cincinnati. We are all looking forward to the great pleasure of having you address us.

Perhaps at present your plans do not include Cincinnati. However, if later unexpected circumstances should bring you here, we should be delighted to call a special meeting if you will notify us sufficiently in advance. The time of the meeting, of course, will be

set to suit your convenience.

We are sincerely hoping
that we may have the honor and
pleasure of having you with us at
a memorable meeting.

One of the most important features of any Conference on Social Work is the publicity that is secured in the local press. It will be extremely helpful to us in securing adequate publicity for the State Conference which will be held in Cincinnati next month if you will send to me at your early convenience ~~two~~ glossy prints of your photograph. Also, in order that those who are on the program to speak may be quoted accurately in the press we would appreciate a copy of your manuscript not later than October 1. If you find it impossible to send such a manuscript, a four or five hundred word abstract would assist us.

I think I have written to you before concerning the same matter, but I am writing you again at the request of the Executive Board of the Cincinnati Peace League. For a number of years now, we have had an annual interdenominational meeting on Lincoln's Birthday. We are planning to make it even more impressive this year. It has been our custom to have three speakers representing the three denominations. The other two will be represented by Father Duffy and Reimold Niebuhr. We are very eager to have you come to represent the Jews. The meeting will be held in the evening and should last a total of about two hours. Will it be possible for you to accept this invitation? Hon. Maurice Bloch, the President of District Grand Lodge No. 1 is making a very strenuous effort to corral the best forces in New York City in our behalf. They are planning a large assembly meeting on Wednesday, November 14th and I have received a request from him that I approach you, inquiring whether it would not be possible for you to honor them with your presence as the speaker of the occasion.

Because I told Brother Bloch that you are my friend, he thinks that my writing to you would appeal to you perhaps more than an official invitation. If it is only possible I would appreciate very much your accepting this invitation. I can assure you that you will be satisfied not only with the large attendance but by the reception you will be given by the New York people who are eager to hear your message.

Please let me know by wire whether you can fill the engagement. With best personal greetings,

Rabbi Abba Hillel Silver,

Cleveland, O.

Dear Rabbi Silver:

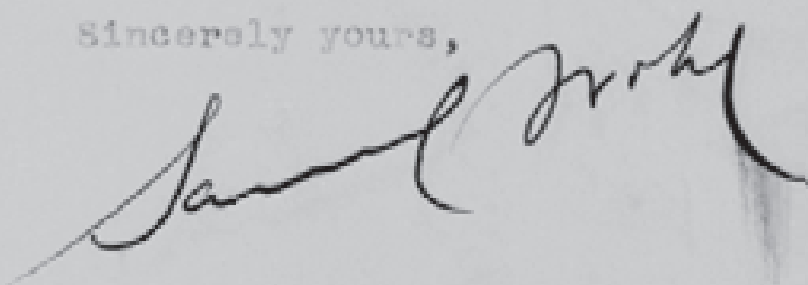

May I, on behalf of the Cincinnati B'nai
Brith, invite you to speak on Monday eve-
ning, April 8, at the symposium on Reform,
Conservative and Orthodox Judaism. This
symposium has aroused a great deal of in-
terest in the community, and will probably
attract national attention.

I am, therefore, asking you, one of the
ablest representatives of Reform Judaism,
to address this gathering. The Organiza-
tion will, of course, pay your expenses
(plus), and we shall appreciate your ac-
ceptance.

I am sure that Cincinnati Jewry will hail
your visit. I hope that you will accept
this invitation.

With kindest personal regards, I am

Sincerely yours,

Rabbi Samuel Wohl,
Cincinnati, Ohio.

My dear Wohl:-

Thanks very much for your kind letter of
March 14th.

I wish I could see my way clear to accept
your invitation for Monday evening, April 8th. For two
reasons I can not. First, my voice is not yet in good
shape and I am not accepting any more engagements than
I have already arranged for. The doctors have asked me
to rest my voice as much as possible.

In the second place April 8th will in all
probability mark the close of our Bureau of Jewish Educa-
tion Campaign. A public meeting is being planned and I
shall have to be present.

Perhaps at some future time I may be of
service to you.

With kindest regards, permit me to remain

Very sincerely yours,

Dear Rabbi Silver:

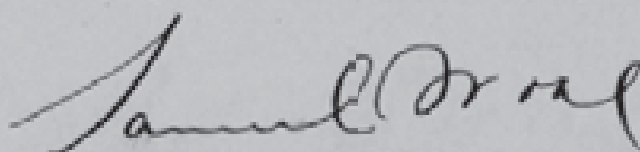

To refresh your memory, I said that I would write to you concerning the series of lectures I contemplate for the coming year.

I suggest Tuesday, November 5, or Tuesday, November 12, for the opening lecture of the year, which I cordially invite you to deliver.

Please let me hear the good word from you immediately, as I should like to proceed with my arrangements.

With very best wishes and kindest regards to Mrs. Silver and Daniel Jeremiah from Belle, Hersl and myself.

Sincerely yours,

Thank you for your note of June 18th.

It will be possible for me to come to
you on Tuesday, Nov. 12th. Is your organization in
position to pay my customary honorarium of \$250?

I shall be very happy to see you in

Dear Dr. Silver:

Thank you very much for your acceptance.
We shall look forward to your coming on
Tuesday, Nov. 12.

In accordance with the conversation we
had in Detroit, I shall appreciate if
you will revise your honorarium.

Rabbi Samuel Wohl,

My dear Wohl:-

You will recall that I spoke to you in Detroit about the conflict of dates with the Sisterhood of Detroit. I have definitely given them the date of Tuesday, November 12th so that it will be impossible for me to be with you on that day. I could come to you on November 19th or 26th.

My customary honorarium is \$250 and I do not feel warranted in reducing this much unless I have another meeting on that day. I give so many of my lectures gratis for charitable organizations, Zionist meetings, religious services, etc. etc. that I do feel that in the case of lecture forums I should be remunerated for my services. Should you be able to arrange another lecture in Cincinnati on the same day my honorarium for the two would be \$300.

I plan to leave for Europe on the 15th, sailing on the Berengaria.

I hope that you and your dear ones will have a very restful and happy summer. With kindest regards in which Virginia joins me, I am

The local Bureau of Jewish Education has asked me to request you to be its speaker at their Annual Meeting and dinner. The date has not been definitely set, but it will be either on a Monday or Wednesday night, the first, second or third week in November. The leeway has been made great so it may fit conveniently into your plans. Please let me hear from you affirmatively, and tell me which of the beforesaid dates will be most to your liking. I hope to see something of you while you are here.

My dear Rabbi Silver:

I am now able to write you definitely of the plans of one of the Foreign Policy Association branches for a discussion of the present situation in Palestine. The Cincinnati Foreign Policy Association plans to hold a meeting on that subject during the first week of December, preferably December 5, and wishes me to forward to you their urgent invitation to address them at that time. They are able to offer a fee of \$100 and traveling expenses and regret that they cannot make it more, but hope that in view of the great public interest in the question, you will be able to accept.

Rabbi Abba Silver,
The Temple,
Ansel Rd. and East 105th St.,
Cleveland, Ohio.

Dear Dr. Silver:-

Dr. Louis L. Mann, Acting National Director of the B'nai B'rith Hillel Foundations, has asked me to issue a call for a meeting of the B'nai B'rith Hillel Foundation Commission to be held in Cincinnati on Wednesday, November 27th at ten a.m. at the office of the Constitution Grand Lodge, I.O.B.B., 40 Electric Building, 9 West Fourth Street.

Due to the death of my predecessor, Dr. Boris D. Bogen, there has been no meeting of the Commission for some time. Many important problems must come up, among them approval of the budgets for all the existing Foundations and the question of organization of new Foundations. It is therefore most important that we have a full attendance and I hope that in view of ample notice given, you can arrange your affairs so as to be present at the meeting. Please let me know immediately whether we can expect you.

Sincerely yours,

I. M. Rubinow
Secretary.
