Rabbi Meilch Silver
Cleveland, Ohio

My dear Mr. Silver.

The Program Committee of the
Woman's Club of Corry has instructed
me to write, asking whether you would
grant us the pleasure of having you
on our Program some time either in
November, or January.

If so, may I ask what you
advise the date, the approximate ex-
pense, also the subject you might care
to handle. This latter we would leave
entirely to you.

The Club is composed of about
one hundred and fifty members, - practically
all Gentiles, - and is of the usual
caliber of Woman's Clubs, - representing
well-read, intelligent women and girls.

You would indeed confer a honor
upon us, and your acceptance would
surely give us great pleasure.

Hoping to hear favorably from
you, and at your earliest convenience
I beg to remain

Very sincerely yours

Miss Anna Cohen,

Secy. Woman's Club.

My dear Miss Cohen,

Replying to your kind letter of September Twenty-ninth, permit me to say that I find myself unable to accept your courtesus invitation to address your Women's Club, due to the fact that I ^{am} very heavily booked up with speaking engagements, and cannot in justice to myself take on any more for this season.

At some future time I may be in a position to serve you, and should I find myself in the vicinity of Corry, shall be glad to get in touch with you.

With kindest regards and wishing you a happy and successful year, I am

My dear Rabbi Silver.

Would there be any possibility of
getting you to come to Corry to
speak to our Woman's Club?

Ever since my husband heard
you speak and ^(that pleasure) heard about it so
much, I have wished it for myself and
the whole Club.

Perhaps we couldn't afford your
fee. Would there be any time when
you might be in Pittsburgh, Buffalo, Erie
or Warren or Jamestown, Ohio, or near us -
that we might benefit by lowered
expenses. We have such a limited

budget, this being only the second
year of our existence, but we
don't want that to lower the
standard of our program.

May I hear from you soon?

Very truly,

Miss H. J. Linnard

My dear Mrs. Kincaid,

I regret that, for this season at least, I shall not be in a position to accept your kind invitation to address the Woman's Club of Corry. I am already heavily booked with speaking engagements and am facing a very busy year. Perhaps at some future time there may be an opportunity for me to serve you. If I find at any time that I may be in the vicinity of Corry, I shall be glad to get in touch with you.

With kindest regards, permit
me to remain
