Dear Rabbi Silver:

The Junior Woman's Club of our town is anxious to bring to the people of our town and the surrounding communities, a speaker of wide renown and excellent reputation as a lecturer. Your name was suggested, and it is my privilege as program chairman to contact you.

If you are interested in speaking to us, we would like to know your fee, and

Mrs. Richard J. Finnegan

Coshocton, Ohio

what month in the coming club  
year (October to June) would be  
most convenient for you.

Although the population of our  
town is small (15,000), we draw  
from surrounding communities also,  
and as in the case of Norman  
Vincent Peale who spoke to us  
several years ago, we had no  
difficulty in filling our auditorium.

I would appreciate an early  
reply, since we are attempting to  
formulate our year's program in  
the near future.

Yours truly,  
Kathryn Finnegan

My dear Mrs. Finnegan:

I deeply appreciate your gracious invitation to address the Junior Woman's Club of your community.

It would have given me great pleasure indeed were I in a position to accept your invitation. Unfortunately, my plans for the coming season are very uncertain. I may be out of the country a great deal of the time and I do not wish to commit myself to engagements which I might have to cancel and thereby embarrass those who were kind enough to invite me.

Perhaps at some future time I may be able to assist you.

With all good wishes I remain

Most cordially yours,

ABBA HILLEL SILVER
