Dr. A. H. Silver

Dear Sir:

May I ask if you could address the students at the University of Delaware at their College Hour on Wednesday, May 8? Our assembly consists of the young men and and women of the three upper classes of the University and the College Hour will start at 11 A.M. We would like to have you speak on the "Zionistic Move to Palestine". May I ask what charge would be connected with this if you can come to us?

Thanking you in advance for your kind attention in this matter, I remain

Very truly yours,

James A. Barkley

My dear Mr. Barkley:-

Permit me to thank you for your kind letter of April 17th and for the invitation which you extend to me to address the students of the University of Delaware on May 8th.

I wish I were free to come. But I am constrained to remain in Cleveland as I have accepted an invitation to address the student body of the Cleveland College for Women that morning. Perhaps at some future time I may be of service to you.

With kindest regards, permit me to remain

Very sincerely yours,

My dear Rabbi Silver:

Last year I wrote you concerning an address to our student body at College Hour. We were unable to arrange a date at that time. May I ask if you could come to the University sometime during the coming year, and what dates would be most convenient? College Hour is held Tuesday at 11:40.

Thanking you for your kind attention in this matter, I remain

Very sincerely yours,

My dear Mr. Barkley:-

Permit me to thank you for
your kind letter of Sept. 13th and for the invitation
which you extend to me to address your student body.

I can not at the present writing
say when I can come to you. It will be quite impossible
for me to make a special trip from Cleveland. Should I
at any time during the coming season be in the State of
Delaware for an address, it will give me the greatest
pleasure to meet with your student body. I shall keep
your invitation in mind.

With kindest regards, permit me
to remain

Very sincerely yours,
