Rabbi Silver
Cleveland, Ohio.

Dear Sir:

Each year the Dubuque Teachers Association brings a speaker here to entertain their friends. Since your appearance in Des Moines last fall, many have asked that this year we ask you to come to us.

Will you kindly let me know if you would be interested, what dates would be most convenient, what subjects you would prefer, and what expenses would be involved?

I shall be glad to give this information to the program committee and notify you of their decision.

Yours truly,
Rose Woodward.

Dubuque, Iowa.

My dear Miss Woodward:

Let me thank you for your kind letter of February 19 and for the gracious invitation which you extend to me to deliver an address before the Dubuque Teachers Association. I am in correspondence now with some organization in Nebraska who have invited me for lectures. I will be in a better position to answer your questions after I will have concluded arrangements with the Nebraska people. As soon as I hear from them I shall be very happy to communicate with you.

With best wishes, permit me to remain

Very cordially yours,

My dear Miss Woodward:

Due to the crowded condition of my schedule for the Fall of 1936, I am afraid that it will not be possible for me to accept your gracious invitation to address the Dubuque Teachers Association. I do hope, however, that I may have the good fortune of being of service to you at some future time.

With all good wishes and thanking you again for your kind invitation, I remain

Very cordially yours,

Dear Rabbi Silver:

Our organization is anxious to settle the question of its speaker for this year. We would like very much to have you if suitable terms can be arranged.

You mentioned possible lectures in Nebraska. Can you give us any additional information at this time?

Very truly yours,

Rose Woodward
Secretary.
