The Temple, Cleveland, Ohio

My dear Dr. Silver:- The program committee of the Holland Woman's Club has heard of you with great interest & would like — so very much — to have you speak to us some time during the 1938-39 season. We meet Tuesdays at 3:00 from October to April. Should you be interested it would be possible for us to arrange two or three additional engagements on consecutive days in this section of the state.

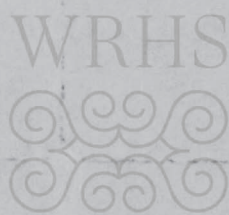

I would appreciate your writing as to your fee & an approximate time that will be suited to you

Schedule.

Sincerely yours.

Mrs. John J. Brower,
Woman's Literary Club,
Holland, Michigan.

I deeply appreciate your kind invitation to address the Holland Woman's Club some time during your 1938-39 season. I wish I were free to avail myself of it. Unfortunately I have undertaken work for next year which will make it impossible for me to take on as many out of town lecture engagements as I have in the past and I must limit myself to those which I have already made.

Hoping that I may be of service to you at some future time, and with all good wishes, I remain

Very cordially yours,

AHS:BK
