Dear Rabbi Silver - We are planning
our College Lecture Course for next
winter and I am writing to ask
what are your open dates and
what fee you would ask for an
address. Will you send a list of
subjects with this information
please.

May I hear from you soon
because we need to decide
upon our speakers for the Lecture
Course.

Sincerely

Mary Anderson

Miss Mary Anderson,
Mac Murray College,
Jacksonville, Ill.

My dear Miss Anderson:

Please pardon the delay in answering
your kind letter. I have not been well and my
correspondence has lagged.

It may be possible for me to come to
your College Lecture Course some time in December
of January on a week day. My customary honorarium
is \$200.

With best wishes, permit me to
remain

Very cordially yours,

AHS:BK

My dear Rabbi Silver

Your letter of some weeks ago should have been answered before this.

The delayed making our decision about the speakers for our Lecture Course, as long as we thought we could, but had just settled on our list when your letter came.

Since we have only a limited amount of money for this course and since it depends on student attendance, we cannot at this time obligate ourselves for anything more. However, I am hoping that we may find that some more money is available, and perhaps it may not then be too late to add your name to our list.

I am very sorry we could not have waited for your letter, before making our decision, but I am hoping that either we may find some more money or that for another year we may make our arrangements earlier, and that we may have the pleasure of having you speak to us.

May I ask what subjects you would be prepared to discuss, next winter, in the event of our finding it possible to have you speak to our students?

Sincerely

Mary Anderson.
