Mr. Louis C. Martin,

Kirtland, Ohio.

My dear Mr. Martin,

I am in receipt of your kind letter of November 25th, extending to me an invitation to address The Kirtland Community Club. I should love to do so were it not for the fact that I am overburdened with obligations to speak and cannot, in fairness to myself, accept any further invitations for many weeks to come.

Some time in the future, there may be an opportunity for me to come to your city.

With kindest regards,

Very sincerely yours,
