Mr. E. Bernstein,
2129 Broadway,
Lorain,
Ohio.

My dear Mr. Bernstein:

I appreciate very much your kind invitation to address your congregation. I should consider it a privilege were I able to accept your invitation at this time. Unfortunately, the press of work here is so great that I would be doing an injustice to myself if I were to accept any more invitations. At some future time I trust that I shall be able to be of service to you.

Rabbi A. H. Silver,

Dear Rabbi:

We as a small congregation are trying our utmost to keep pace with all the important questions of the day, especially our Jewish National questions which are so near and dear to us. It is with reference to these that we are writing to you at this particular time.

We would consider ourselves greatly honored if you would accept an invitation to come to our City of Lorain some Sunday evening in the near future and address our congregation. You as the guiding spirit of the Cleveland Jewish community would certainly have great inspiration upon our congregation.

It is our earnest desire to have the pleasure of your presence at your earliest possible convenience and we would certainly appreciate an early reply from you.

Very sincerely yours,

Rabbi Abba H. Silver,

Dear Rabbi:-

In the name of the Temple Sisterhood of our city I am writing to ask you if you would do us the honor of delivering an address preceding the Patriotic dance we are giving on the night of Tuesday October First.

Knowing you have just returned from the Battle Fields of France we are sure you must have a real message for our people.

For your information we might state that Lorain is only an hour's run from the Public Square, Cleveland.

Trusting to receive a favorable reply as your speaking here would mean much to the Jewish Community of Lorain

We are sincerely,

The Temple Sisterhood,

My dear Mrs. Kline,

Rabbi Silver directs me to say to you, in reply to your letter of the 23rd instant, that he appreciates the courtesy of your invitation to speak in Lorain, but regrets that it will be altogether impossible for him to do so at this time. He is so burdened with engagements to speak, that he cannot in justice to himself take on any more now. Perhaps some time in the future there may be an opportunity for him to come to Lorain.

Very truly yours,

Secretary.

Dear Sir:-

A couple of weeks ago a committee of our Ladies' Auxiliary had the honor of calling on you to extend you an invitation to the cornerstone laying of our new Temple. but owing to the fact that you had had a previous engagement for that Sunday, you could not accommodate us. However you promised us the honor of your presence at our dedication services if we notified you in due time.

We are now ready to dedicate our temple and your help in dedicating this holy structure would be highly honored by us. For your convenience we will ask you to name any Sunday the latter part of January or the first part of February and we will make arrangements to hold our dedication on that day. We can assure you that we would consider your presence a great asset toward

I regret exceedingly that there has been so much delay in answering your letter. It has been due entirely to a great rush of work.

I likewise regret that I cannot see my way clear to accepting your kind invitation to visit Lorain. I am very pleasantly burdened with work and cannot accept any further invitations to speak for a number of weeks at least.

Perhaps in the Spring, if you still want me, I may be in a better position to accept and shall be glad to have you write me again.

Rabbi Abba H Silver
The Temple,
Cleveland, Ohio

Dear Mr. Silver:

I am writing you in behalf of The Methodist Men's Club of Lorain, an organization of several hundred men of the city who meet monthly throughout the winter months.

It is the unanimous desire of the Program Committee that you be our speaker on the evening of Mon. December 10th, following a dinner.

In outlining our program for the year, we have endeavored to make it of such a nature and such a calibre that it will do much to awaken the civic and **social** consciousness of our city, and we feel that your coming would help us in fulfilling that aim. We hope to make our organization the outstanding civic group of the city, and we are certain that your acceptance of this whole hearted invitation will do much to accomplish this, as well as to awaken our community's interest in civic and social affairs.

We indeed want you to come, Rabbi, and if the date is unsatisfactory perhaps you can suggest a more convenient nearby date. Or perhaps you would rather come on one of our other regular meeting nights:

November 5th , 1928
January 14th , 1929
February 11th, 1929
March 11th, 1929
April 8th, 1929.

We would rather, though, that you would come in December if it is at all possible.

As you can imagine, since this is a church sponsored organization, our financial resources are rather low, and I must ask you to let us know to what extent we will be indebted to you for your coming. If you can accept our invitation, and we truly hope you can, we will try to take care of you as best we can.

I hope, Mr. Silver, that you feel the spirit of the thing and want to come to us as badly as we want you to. I am confident that your coming will be a big thing **for** our city and our organization, and as our club is not restricted entirely to our denomination, I am sure that you will talk **to** a large enthusiastic gathering of several hundred men.

Trusting that I may soon receive you reply, and trusting also that you will be so good as to accept our invitation, I am,

Expectantly Yours,

William G. Wickens.

(In Conjunction with Ort and Agro-Joint)

207 Superior Building
Cleveland, Ohio

June 14th, 1929

Rabbi A. H. Silver,
The Temple,
Ansel & E. 105th St.,
City.

Dear Rabbi Silver:

Upon the suggestion of Mr. Shatzkin and Mr. Weinstein I am herewith enclosing information dealing with the million dollar drive for the Peoples Tool Campaign in the United States. I am sure that after you have read the statement by Saul S. Bron and the telegram by Dr. Rosen that you will be even more convinced than you are now of the necessity of your assisting the campaign in this city.

In addition to the information which the enclosed statements contain, may I also call to your attention the fact that the Soviet government in endorsing this work of the Ort decided to donate an amount equivalent to what will be raised by the Peoples Tool Campaign of America. Eight co-operative shops have already been opened and hundreds of declassified Jews are employed. This marks a wonderful accomplishment. We sincerely hope that the campaign in the United States will be crowned with success and more of these co-operative shops will be opened to provide employment.

May I also state that we are very proud of the fact that you volunteered your services and came to our assistance by accepting our invitation to speak at the Lorain meeting for which we are very thankful to you. We assure you that your speaking at this meeting will make it a great success, morally and financially, as the Jews of Lorain are very enthusiastic over the fact of your coming. We have made arrangements to call for you on Tuesday, June 25th at 6:30 P.M.

We sincerely hope that we can count on your continued support during the life of the campaign in this city. The campaign in Cleveland will be officially opened at a banquet at the Heights Temple, Sunday evening, Aug. 4th, and all indications are that this will be a great success as forty-seven organizations have already

affiliated themselves with the campaign.

At the last conference held it was unanimously decided to extend to you our heartiest invitation to be our guest and speaker at the banquet which will be held on date stated previously and we sincerely hope that you will accept our invitation.

As chairman of the Cleveland Campaign Committee I want to express my appreciation and the appreciation of the forty-seven organizations affiliated with us for your assistance.

Yours sincerely,

Abraham Katsky
Chairman.

Dear Rabbi Silver:

The meeting which you have so kindly consented to address will be the first annual meeting of the Lorain Community Fund subscribers.

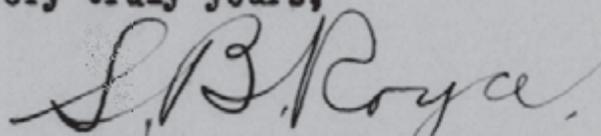

At this meeting there will be a financial report of the community chest fund also brief reports of the activities of the various organizations participating in this fund. These reports I assure you will be exceedingly brief. There will also be the business of electing directors of the organization for the coming year.

This is Lorain's first experience with a community fund and it has proven a very satisfactory solution to many problems regarding our various welfare agencies. We take considerable pride in the accomplishment. As stated in our letter of yesterday the meeting will be held at Hotel Antlers at 6:30 o'clock Tuesday evening September 9th. Every effort will be made to have our reports and any business that may come before the meeting as brief as possible, and wish to assure you the people of Lorain feel highly honored in

To Rabbi Abba Hild Silver,
Cleveland, Ohio,

My Dear Dr. Silver:

The Lorain Chapter
of The American Association of University
Women has asked me to approach you
on the matter of being our speaker
at a dinner meeting in January.
The date is the 17th - subject to
change in case you would be
available some other night in the
month.

Many, many times I
have hoped that I could meet you
and Mrs. Silver. I have not been able
to share that pleasure with my
fortunate husband whose former pas-
torate was (1928-32) at Lakes Park
Methodist Church - Cleveland. We have

850 EAST ERIE AVENUE
LORAIN, OHIO

been delighted to be in possession
of your 'Democratic Impulse in
Jewish History' which you gave to
Mr. Rothrock. The real personal reason
I have wanted to meet you is the
very fine but brief friendship I
enjoyed with Pauline Workleiner
when we were at Goucher.

As president  of the
Association, ~~the year~~, I have been
exceedingly anxious to have the ~~our~~
organization which, locally,
exclusive, be exclusive for something,
and inclusive in its community
contacts & influence for a better Lorain.
You know the objectives of
the Association and appreciate its
values, significantly. It is because
of your interpretation of the stated
values, that I make bold to

approach you.

If it is possible for you to accept an invitation with so little honorarium as we can proffer - it will be a great joy to hear from you.

Your subject should be of your own choice. I will gladly answer any questions (if possible) in your mind about the group.

Hoping to hear from you
I am very Sincerely

Susan Moore Rothrock
[MRS LAWRENCE ROTH ROCK]

Mrs. Lawrence Rothrock,

My dear Mrs. Rothrock:

Let me thank you for your kind letter of November 2nd and for the invitation which you extend to me to address the Lorain Chapter of the American Association of University Women on January 17th. I am deeply appreciative of your invitation. I wish I were free to accept it. Unfortunately I have not been well during the past month, having been confined to my bed for three weeks, and my doctors insist that I reduce my lecture engagements for the remainder of the season to a minimum.

Perhaps at some future time I may be of service to you. With all good wishes, and thanking you again for your thoughtfulness in inviting me, I remain

Dr. A. H. Silver,

Dear Dr. Silver:-

You will, no doubt, recall that some time ago Rev. Herbert Loomis of the First Congregational Church, and I called on you at your study, requesting you to address the Lorain Church Forum. You suggested then that we communicate with you near the end of the year. I, therefore, repeat the request: can you spare the time to address the Lorain Church Forum on any of the following evenings: Jan. 8, March 4, April 1? Needless for me to assure you that both the Jews and Gentiles of Lorain will appreciate the privilege of hearing you.

The Lorain Church Forum is not the private undertaking of any one minister. It is a sincere effort on the part of seven ministers to create in Lorain by this means a more progressive civic spirit and a greater measure of co-operation between the churches. The work is proceeding very successfully. Every meeting is sponsored by a different church. The April meeting is scheduled to be held in my synagogue.

Of course, if you should find it possible to favor us with your presence on any of the above-

mentioned dates, we shall secure the Lorain High School auditorium for that meeting.

I have been charged with the task of securing a Jewish speaker for this series and the committee earnestly hopes that you will be the one.

Very sincerely yours,

Dear Rabbi Silver:

Although we fully realize the demands made upon your time, the Hadassah Chapter in Lorain takes courage, nevertheless, to ask whether it would be possible for you to come here and speak on Zionism, Palestine, or any other subject pertaining to Hadassah. Our desire is

that you speak in the evening before a mixed crowd. Your name here would certainly create a great interest among our non-Jewish friends. Their attendance, I am sure, would meet your approval. If, however, you would rather speak to the Hadassah members and their husbands, kindly let us know.

The date we are holding open to your entire convenience. The cost of your transportation we would gladly meet. We feel that you, no doubt, speak gratis on this subject that needs so much to be placed before the men of our community who are not "sold" on our Jewish National Home Land.

I sincerely trust we are
not asking too much and
that we shall have the
great pleasure of having you

Dear Rabbi Silver:

It was my suggestion that Mr. Waide V. Clark, president of the Community Chest, which organization I am very active in, invited you to talk at an inter-club luncheon to be held in Lorain October 7.

While the date does come during the holidays, since our location is so close to Cleveland and the necessary time consumed to fill this request would not be too great, I wonder if you would be kind enough to give careful thought to this invitation.

I know that Mr. Clark could arrange to have someone pick you up and bring you to Lorain and also return you to Cleveland. It would probably mean your leaving Cleveland about quarter of 11 in the morning and being back in Cleveland before 3 o'clock that afternoon.

May I state that Mr. Clark, who is controller of The Thew Shovel Company, one of our foremost industries, is not only active in civic affairs but has been very active in our Jewish affairs, both local and on a national scale. For a number of years he was chairman of the Christian committee of U. J. A. in our community and has done an excellent work for us.

Only because I feel that you will give consideration to Mr. Clark's request that you attend this affair am I taking the liberty of writing this letter, not in the form of pressure but merely a suggestion that I feel it would be wonderful if you could attend, for all concerned.

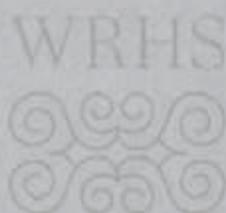

This luncheon usually has an excellent attendance of between 200 and 300 men and this is usually the group that we are anxious to sell Community Chest.

I trust upon your return to the city that I may hear from you and that your reply will be to accept Mr. Clark's invitation. I hope that your vacation was pleasant and that you enjoyed good health while you were away. Hopefully looking forward to seeing you October 7, and with kind regards, I am

Cordially yours,

E. J. Gould

My dear Mr. Gould:

Upon my return from Europe, I found your kind letter of August 28th and that of Mr. Clark of August 13th, inviting me to address an inter-club luncheon on October 7th. As my secretary indicated, my calendar at that time of the year is so full that it is impossible for me to accept any speaking engagements, much as I would have enjoyed being with you. Perhaps at some future time I may be of service to you.

With all good wishes, I remain

Most cordially yours,

My dear Mr. Goldstein:

I received your telephone request, when I returned to the city today, to speak to your Welfare Fund Meeting some time in June.

I deeply regret that although it would have given me great pleasure to do so, I am booked to the hilt for the month of June with out of town engagements as well as local commitments.

Perhaps at some other time I may be of service to you.

With warmest regards to you and Florence, I remain

Cordially yours,
