My dear Rabbi Silver:-

The Marietta Y.M.C.A. and the Betsey Mills Club (corresponding to the Y.W.C.A.) are anxious to sponsor a mass meeting in the interest of PEACE and have asked me to write you to ask whether we could prevail upon you to address that meeting. A number of our people here have heard you--several of us had the privilege of hearing your magnificent address at Akron--and are eager to have our Marietta public hear you.

These organizations would prefer a Thursday evening and some time within the next month, but if that is not possible for you they would endeavor to adjust to your convenience.

We shall very much appreciate it if you will let us know whether and when you could come and on what terms.

I am sure that the College would be eager to have you speak at the student assembly, if that is possible.

I want to express my gratitude for the inspiration you gave me in your Akron address.

Very sincerely yours

Robert Fry Clark

My dear Dr. Clark:

Permit me to thank you for your kind letter and your invitation to address a mass meeting in the interest of Peace.

I wish I were free to accept your tempting invitation. Unfortunately my program is so crowded with local and out-of-town engagements that I can not in justice to myself accept any more. Perhaps at some future time I may be of service to you.

My dear Rabbi Silver:

Marietta College observes year by year Founders Day on the anniversary of the granting of the charter February 14th. We bring at that time from outside of the city some speaker who will interpret for us the meaning of the day and give us the outlook on present day problems and their solution. We have had a list of distinguished speakers including men like President Garfield of Williams, Mr. John H. Finley, Dr. Michael Pupin, Sir Herbert Ames, President-emeritus William Oxley Thompson of Ohio State and others.

I am writing to ask if it would be possible for you to be with us for the celebration on February 14th, 1933. The usual program is an alumni luncheon at noon at which the evening speaker is expected to give a short talk. Then the Founders Day reception is held at the President's residence at four in the afternoon to which are invited the leading people of the city as well as the members of the Board of Trustees and of the faculty. In the evening at half past seven is held the Founders Day exercises at which the address is given. It is a tradition that our students attend this evening exercise in a body so that the speaker has a chance to see and address practically all our college group.

The times are such that we are not in a position to offer a large honorarium. We shall be glad to pay all expenses and a small compensation for services. I know it is asking a great favor to have you come to us on such terms but we are very anxious to meet and hear you and it will be a great gratification if you feel you can accept.

With very cordial good wishes and the hope that we may have the pleasure of welcoming you to Marietta next February, I am

Yours very sincerely,

Edward J. Parsons

Permit me to acknowledge the receipt of your kind letter and to thank you for the kind invitation which you extend to me to deliver an address on Founders Day at Marietta College on February 14th.

I would gladly have availed myself of the pleasure of visiting your institution and of addressing your people. However, I am leaving the country the middle of this month to be gone on a year's leave of absence which my Temple granted me and I shall not be back before September of 1933.

Perhaps at some future time I may be of some service to you.

My dear Rabbi Silver:

Your letter of October 6th has come to hand and we are very much disappointed that you cannot come to us for February 14th, 1933. I am writing to ask if you would be willing to put down in your engagement book that you would speak at the college on Founders Day, February 14th, 1934? This is a long ways ahead but it will not be so long after your return from your leave of absence in September 1933. It will be a very great pleasure to us if you feel you can accept this invitation.

I have found that to get the persons we want on such occasions we have to speak a long time in advance.

My dear Mr. Parsons:-

I beg to acknowledge receipt of your letter of October 19th addressed to Rabbi Silver.

As Rabbi Silver is now in Europe on his sabbatical year I cannot give you any information as to whether or not he would accept a speaking engagement on Founder's Day on February 14th, 1934.

I will forward your letter to him and will ask him to communicate with you direct.

Dec. 19. 1935 -

Rabbi Silver
Cleveland, Ohio.

Dear Mr. Silver:- As you see I do not know exactly how to address you, and it is with some trepidation that I approach you on the subject of speaking to the membership of the Butsey Mills Club on the occasion of our annual meeting.

As you may notice by the inclosed folder, this club is on the order of a Y. W. C. A., but is broader in scope - is non-sectarian and serves, as well, as a Women's City Club.

Our building is a memorial to Mrs. Wm. W. Mills, presented to the community by her husband. His will left an endowment to the Club, but before it was executed, depression came along and we received nothing.

We are in the Community Chest, but are, nevertheless, having a great struggle to carry on.

The purpose of the Club is to serve the women and girls of Marietta and vicinity in such a way as to promote growth in Christian character and service; to bring to its membership opportunities for all-round development; and to maintain a club home that shall prove a source of comfort and happiness; and shall be, through its members, a source for good in the community.

We have never paid more than expenses to a speaker, but would like to know what you would come for, and if you could give us an evening in either the week of Jan. 5th, 12th, or 19th. If so, specify the date that suits you. A Monday night would suit us best and Tuesday least. The meeting is preceded by a dinner at which you would be our guest.

We have a two-fold reason for wanting you to speak to us, first, because of what we know of you, we are sure that you would bring to us inspiration and encouragement; second, because we think that one of your attainments would be an attraction that would greatly increase our membership.

Your subject may be of your own choosing, following any line of thought that would be in conformity with the purpose of our club.

I shall be happy to have a favorable reply from you very soon.

Very sincerely yours

Dear Rabbi Silver:

I am making out my chapel programs for next year and I am writing to you at this early date to invite you to come to Marietta to address our students at a regular chapel service.

Our chapel services are held on Tuesday and Thursday morning from ten to eleven, the speakers usually taking thirty to forty minutes for their addresses.

We are not in a position to offer you a great honorarium but we would be happy to pay \$25.00 and expenses.

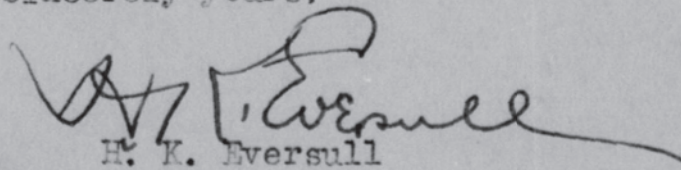

My very close friend, Dr. Miles Krumbine of Cleveland, suggested to me when I was talking about having a Jewish Rabbi or two on my program this year in order that the students hear a message on religion, ethics or international problems, that you would be willing to come to us.

I feel that it would be a grand gesture for good will especially in the light of events that are transpiring in Europe for you, if your health and schedule will permit, to appear before our college boys and girls.

I suggest the following dates: October 5th, October 12th, October 19th, October 24th, October 31st.

Awaiting word from you, I am

Sincerely yours,

Dr. Abba Hillel Silver, Rabbi

Dear Dr. Silver:

For the past ten days the International Relations Club has been conducting a campaign to raise \$700 to provide a two-year scholarship at Marietta College for a refugee student from Czechoslovakia or Germany. I presume that you are aware of the acuteness of the need for aid of this kind to the students who are denied the opportunity to study because of racial, religious, or political reasons. I presume also that you know the benefits that would result from such a scholarship. But the College and the city of Marietta do not seem to be much interested in providing the necessary assistance. Our campaign so far has brought in only about \$100. Lack of student interest, faulty organization, bad business conditions, and the additional hardship of the recent flood have been the important factors in the failure of the campaign thus far.

Realizing that we would need to find more money, we decided to go to Parkersburg, W. Va. to raise some more money. Monday the Ministers' Alliance of Parkersburg appointed a Committee to work with us students in planning a Parkersburg campaign. Their suggestion was that we have a Benefit Concert in the High School auditorium and obtain the services of an outstanding public figure to present the appeal for support of the campaign and describe the conditions that lie behind the effort. A free-will offering would be taken.

I have just written a Miss Mary Meister of Columbus who is a brilliant pianist asking whether she can give such a Concert on the Monday or Tuesday evening that you will be in Marietta. Forgive me for the vagueness with which I present the request, but it is apparently necessary until Miss Meister replies. Would it be possible for you to come early enough Monday or stay late enough Tuesday to be the intermission speaker at this Concert, presenting our plea for contributions or a statement of the needs for such scholarship aid? The fact that Miss Meister has not yet replied to our communication makes it impossible for me to make a more concrete proposal than this one which depends entirely on whether we can get the services of Miss Meister.

Parkersburg is 14 miles from Marietta. The Concert would probably be about 8:00 in the evening. Of course, transportation would be provided to Parkersburg and back. As soon as Miss Meister's reply comes I shall let you know whether it can be given on a day which would make it possible for you to be there.

Again I apologize for the nebulousness of the situation, but, things being as they are, it seems impossible to offer anything more concrete. If it is convenient for you I should appreciate a reply by return mail.

Very sincerely yours,

Dear Rabbi Silver:

We were all greatly shocked to learn of the recent death of Mr. W. R. Lebold of Cambridge, Ohio, Secretary of the Eastern Ohio Teachers' Association. His services will be greatly missed in this section of Ohio. At a meeting last week of the Executive Committee, I was asked to take over his work, and I am busy trying to check all of the items connected with the meetings on October 29th and 30th which will be held here in Marietta, Ohio.

I am very happy to find in the files that you are to be the speaker of the General Session Friday evening, October 30th. I had suggested your name for this meeting and I was so glad to learn that they had secured you. I am just checking now to make certain that all arrangements are final and that there will be no misunderstanding about anything.

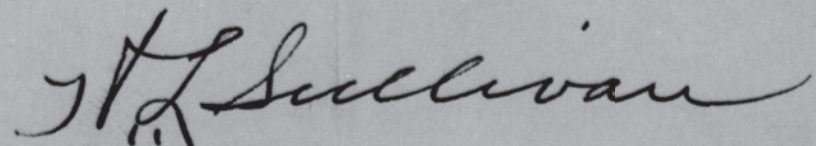

The Friday evening session will be held at the Marietta College Field House. The music program of about one-half hour will begin at 7:30. This will be followed by the invocation and your address. We operate in Marietta on Eastern Standard War Time. Supt. J. V. Nelson of Bellaire, Ohio, is President of the Association and will preside at the evening session. You may report to him or to me when you arrive.

I should like very much to have a brief write-up of yourself for publicity in connection with the meeting and also a brief statement concerning our speakers in the introductory part of our program. If you have a picture available for newspaper publicity we shall be glad to have that also. We shall mail you a program as soon as they come off the press. I would like also to have the subject of your address.

I shall appreciate having an early reply. If you desire reservations at the hotel I shall be glad to make them for you and shall be glad to answer any questions which you may have.
