Rabbi Abba Hillel Silver:
Cleveland, Ohio.

Dear Sir:

The Program Committee of the Council is trying to arrange a list of speakers for our next year's meetings. Mrs. Tweles so enjoyed hearing you speak that we are very anxious to include your name.

Are you intending to come to any city near here this coming autumn or winter? If not, what remuneration would you ask if you made the trip only to speak to us, and would there be any difference in price if you were to speak in Chicago or some other nearby city - we often arrange for the same speakers as the Chicago section.

Hoping you will be able to come to us,

Sincerely,
Dana Ford

Miss Martha Stein,

695 Shepard Avenue, Milwaukee, Wis.

My dear Miss Stein,

I am in receipt of your kind letter, extending to me an invitation to address your organization some time next Fall.

Of course, I am in no position to say now definitely when I could come, but if work does not crowd me too much in the Fall, I should be most happy to pay a visit to your city.

It would, of course, be advisable to arrange with some of the neighboring communities for a tour through your section of the country. That would save me a great deal of traveling and would also save you some expense.

My remuneration for a single lecture is \$75.00 and traveling expenses. If you can arrange for two or more lectures, it would be \$50.00 each and traveling expenses.

Write to me some day soon after the Holy Days in September and let me know what you have accomplished.

With kindest regards to yourself and wishing your organization success, I am

Mr. Rosen here as Chairman of Religion immediately wrote to you and we all feel the keenest disappointment in your inability to accept our invitation.

Milwaukeeans who have heard you speak are so anxious for the opportunity to again hear you and you can well imagine the eagerness with which we who have not been so fortunate, have awaited your coming.

My dear Rabbit-Lover: Milwaukee, Wis., Jan 6th 1920

Some time ago, you were gracious in promising to come to our City as the guest of the Council of Jewish Women. At the time, you were unable to state definitely what month you might come.

Now I am taking the liberty of writing to you again to see whether you might at this time, give me some clue as to your visit. We have only a few evening programs and they are invariably the red letter days of our organization, so that in order to divide them as well as possible, we would be very grateful if you could give us some idea as to when you will be with us.

I wish you a very happy New Year, though from what I have heard, with Cleveland at your feet, how can you be otherwise than happy? (That sounds rather superficial, but it is not meant to be.)

Sincerely

My dear Mrs. Ruscha,

I wish that I were in a position to tell you at the present time definitely when I shall be able to come to Baltimore. Unfortunately, I am engaged in the two great national campaigns- The Jewish War Relief and the Palestine Restoration Fund campaigns, which coupled with my own work are keeping me very much overburdened. I am unable to make any definite engagements for the next two or three months.

I shall keep you in mind, however, and write you at the first opportunity.

My Dear Rabbi Silver:

Undoubtedly you will think me an utter nuisance in my frequent notes, when up to the present, you have been wholly unable to satisfy my insistence. In defence of my persistency at least, let me explain why I again write to you.

It is unnecessary for me to again attempt to prove our desire to have you with us; but at present, I have the possibility of securing two speakers, both men of national reputation. Our funds however will not permit me to negotiate with them, so long as I know you may come.

You stated in your last communication that you had no way at that time of giving me any sort of definite idea as to when we might hope to have you with us. By April 15th, the interest in our organization begins to wane and I am most anxious to give the members an opportunity to hear you before that time.

On the other hand, should you find it absolutely out of the question, I must, in order to sustain the interest in our Council, secure someone worth while within the time mentioned.

My dear Mrs. Ruscha,

I have just received your letter asking me to set a definite date for my visit to Milwaukee.

I am afraid that I am in no better position now than when I wrote you. The work of the Jewish War Relief and other relief agencies has kept me traveling quite extensively. I regret that my inability to designate the date of my coming has kept you from arranging your program. Had I known it I would have written much sooner. As it is, I shall have to forego the pleasure, this year, of visiting your Association. I hope, however, at some future time I shall be able to be of some service to you.

Last season we communicated with each other a number of times, all of no avail however. Though you had felt quite confident that it would be possible to come to our city, conditions evidently prevented your presence in our city.

I have accepted the presidency of our organization and one of my first thoughts was to ask you to fulfill your promise of last year and if possible open our season with what I know will be a real treat.

Your name appeared in our year book last year and it is with the keenest desire to make good that promise of the past season that I ask you to help me keep faith with my members.

Do you think that you can definitely promise to come and is it too early to give us an idea as to the time best suited to you? Our season starts in October but I know that it would be both difficult and expensive to come to Milwaukee only, so if you have made any other

Will you please tell us what your subject will be? And might I suggest that it does not tread on the Americanization theme. Perhaps you will select that subject which you have found most intensely interesting to your listeners.

So many former Cleveland people have come here and others have become residents of your city, that you are indeed very well known in Milwaukee and we anticipate with much interest the opportunity of hearing you.

My dear Rabbi Silver:-

Enclosed please find check which you have asked and which we feel so happy to send as just in a small measure as token of our gratitude for the perfect service you so richly gave. You have however, said nothing in answer to my request as to a visit to us next season. We are going to our plans very early this season and we earnestly hope that you will come to us again during the year 1921-22.

Please assure us in the affirmative. Your picture was mislaid and I had all manner of difficulty in securing it from the newspaper office. And sending it on, rather the worse for wear.

Permit me to acknowledge your note of January 25th, and to thank you for your kind invitation to address a meeting of the Endowment Association on February 23rd.

I would be most happy to accept were it in my position to do so. Unfortunately, the month of February is very heavily booked with engagements to speak and I cannot see my way clear to undertake any further obligations.

Perhaps some time in the future I may be able to be of service to you.

My dear Rabbi Silver:

I am just in receipt of your telegram telling me of your inability to participate in the Joint Meeting of the Young Men's Hebrew and Kindred Association Secretaries and the National Conference of Jewish Social Service in Milwaukee in June.

Perhaps you know that the Milwaukee community is deeply interested in the planning for a Jewish Community Centre and is most desirous of awakening the interest of the entire community. They have expressed the wish to have you present this subject, believing that you can be of very much help in placing before Milwaukee Jewry this subject of so great importance to them.

I am, therefore, taking the liberty of urging you to so arrange your duties, if possible, that you may be able to speak to us in Milwaukee on Monday Evening, June 30th.

Trusting that I may have your acceptance (and by return wire), I am

May 6th, 1921.

Rabbi Abba Hillel Silver,
c/o The Temple,
55th St. & Wilson Ave.,
Cleveland, Ohio.

Dear Rabbi:

There was a meeting last evening of the Executive Committee of the volunteers of Milwaukee organized to provide for the Conference of the Jewish Social Service to be held here from the 19th to the 22d of June next. The Executive Committee represents the leading Jewish organizations of the city: it was constituted out of a large mass meeting called about three weeks ago for these purposes.

The program of the National Officers was presented and the incidental sociability arranged, based on their program. Among the most notable incidents was your participation. Indeed, all were very enthusiastic over the prospect of your presence on the Monday evening session, when it is planned to take up an important possible departure in our community work. Today, however, we are in receipt of a telegram from Miss Goldsmith telling us that you have certain congregational duties to perform on Monday the 20th; hence that you may not be present.

While we would not assume for a moment that you would neglect the responsibility due your congregation, we hope you may, nevertheless, arrange your local matters so that you can participate in this national gathering. If, perchance, you can come on Tuesday the 21st rather than Monday the 20th, it is timely to change the program to meet your requirements. And if upon due consideration, giving adequate thought to the large number of delegates as well as our Milwaukee community, you may arrange to come either day, you will surely come.

You will please respond to the certain, cordial and earnest invitation on the part of our community. Please let us hear from you accordingly.

With best wishes and many thanks for your early response,

Respectfully yours,

My dear Mr. Freund,

Permit me to acknowledge your letter of the 6th. I should have been most happy to avail myself of the invitation extended to me to address a meeting on Monday, June 20th. Unfortunately, that week is a very busy one for me, being crowded with Congregational activities. Tuesday, the 21st, is our annual picnic day and I cannot be away from the city on that day.

I trust that your convention will be a success in every way.

Hoping that at some future time I may be of some service to you, I beg to remain

We have communicated your final refusal to give us your company to the executive head quarters in New York. All share their regret at the circumstance.

We do not know of reasons that impelled all the executive officers to urge the invitation. We in Milwaukee have heard you, as you know, and for that reason would have been very happy to have welcomed you again, and let us say we shall look for your coming here at an early opportunity.

Dear Rabbi Silver,

It is needless for me I feel reasonably sure to again tell you what a real joy your coming to Milwaukee was not only because of our successful meeting but also the pleasant evening with you at our home. My only wish is that we may have you again very soon.

This note is really in the nature of a business letter, so I am asking you to kindly send no your bill.

My family including my daughters asked to be remembered. The older is just old enough to appreciate

My dear colleague:-

My congregation, Emanu-El, will dedicate its new Temple with appropriate services and exercises on November 2, 3 and 4.

We should be very happy to have you honor us with your presence and deliver the address-the only one of the occasion-at the congregational banquet on Saturday evening November 3, in addition to participating in the services on Friday evening and Saturday morning.

The two other colleagues whom we are asking similarly to honor us, are my brother, Abram, and Rabbi Louis Mann, the former of whom I am inviting to preach the Dedication Sermon Friday evening, and the latter, the Shabbas Sermon, Saturday morning.

Trusting that you will so favor us, and eagerly awaiting your reply to such effect, with cordial greetings to you and your wife,

Yours sincerely,

My dear Rabbi Hirschberg,

I need not tell you that I appreciate deeply your very kind invitation to attend the dedication of your new Temple and to participate in the program on Saturday, November 3rd. I wish I were in a position to avail myself of your kindness. Unfortunately I am compelled to remain in Cleveland. I must be in my pulpit Sunday morning. I am out of the city so much of the time that I held that day sacred for my congregation. I know that you will understand.

I trust that your exercises will be all that you expect them to be, helpful and inspiring.

Thanking you again for your kind invitation and trusting that at some future time I may have the opportunity of serving you, permit me to remain

My dear Rabbi Silver:-

Your letter of the 4th has brought keen disappointment to me, but I will not surrender the hope that we may still be able to have you with us for one of the ~~Bedoston~~ addresses.

Rabbi Mann writes that owing to his having just re-instituted Saturday morning services in Sinai, he would be unable to preach the sermon for us on Saturday morning, November 3rd. Would it not be possible for you to give us this sermon, and still be able to return to Cleveland in ample season to lecture Sunday morning?

Trusting that you will find it possible so to favor us, and eagerly awaiting assurance from you to such effect, with renewed kind regards,

Yours sincerely,

We are very sorry indeed that you will be unable to visit Milwaukee in December as a guest of the City Club, but we are hopeful that we may yet include you among the eminent men who are to address the club this year.

Our program for the season is almost completed but as yet we have made no arrangements for the first week in January, and we could offer you the 4th, 5th, or 6th. Are any of those dates convenient to your program and could you possibly come at that time? We would like very much to arrange a six o'clock dinner meeting in your honor where our members might have the opportunity of hearing you speak.

Please give our invitation your favorable consideration so that we may have the privilege and pleasure of entertaining you.

We are organizing in Milwaukee the sixth annual campaign for the support of the cultural and co-operative institutions of the Palestenian Histadruth. We just recently held a spirited public conference for the organization of the campaign and well succeeded in laying the necessary foundation for it.

The campaign will be opened with a reception and banquet Sunday evening, March 23rd for which all the preparations are under way. The opening banquets have always played the most important part in putting our campaign in motion, especially the last two banquets which were conducted under the able toastmastership of our mutual friend, Attorney Robert A. Hess, of Milwaukee.

And if the above mentioned conference and the developments following it are indicative of what we may expect, we are going to have this year a still more impressive banquet than in the previous years.

We are gratified with the fact that Dr. Judah Kaufman, formerly of New York and for the last few years residing in Tel-Aviv, but now on a lecture tour in America, has just wired the writer that he accepted our invitation to be the Yiddish speaker of the banquet. However, the English-speaking guests of our banquet are so numerous that we are greatly in need of an English speaker, and the Committee has entrusted me with the mission of extending you our heartiest invitation to be our English speaker.

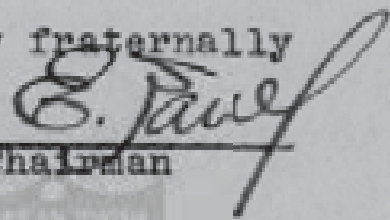

Dear Rabbi: the impression left by the recent outbreaks in Palestine and the present economic depression in America have, as it were, united in creating a very unfavorable situation for our campaign, and to cope with a situation of this kind, we must both honestly enlighten the community and bring in considerable inspiration. Now, while Dr. Kaufman, with his extensive knowledge and fine personality of a genuine Jewish talmid-chochem, is the right man to enlighten the audience on the actual situation in Palestine, we cannot think of anyone in the nearby Jewish communities who is as happily blessed as you are with the combined ability of both enlightening and inspiring an audience. In addition, you had the happy opportunity of seeing our

heroic workers at their historical work in the Homeland and are therefore able to speak with the authority of an immediate observer.

It is our deepest conviction that your assistance will be of decisive influence for our campaign, because it will help us to create that enthusiasm which is the only motivating power of a campaign, and with this view in mind, I am extending you our invitation.

I firmly hope that you will see your way clear to accept our invitation and am anxiously awaiting your kind reply. On Monday night, March 3rd, will take place a combined meeting of our Executive and Advisory committees and I would be very pleased to have your kind reply by that time, so as to report it to the meeting. If your reply will contain an acceptance of our invitation, it will surely give the meeting much inspiration for the hard work facing us.

Yours very fraternally

Rabbi A. H. Silver,

Cleveland, Ohio.

Dear Rabbi Silver:

The City Club of Milwaukee and the Milwaukee Council of Jewish Women wish to extend to you an invitation to address their respective organizations on Tuesday, January 27, 1931. Mrs. Eugene Friend of the latter organization has authorized me to write for her.

The City Club has never had the honor of an address by you, although Mrs. Friend informs me you have spoken several times before the Council.

Mrs. Friend would like to have you speak before her group on the afternoon of that day and we would like to have you address our club in the evening in connection with a six o'clock dinner.

We hope that you may be able to accept this invitation. If so, may we know what your honorarium will be, for the two organizations wish to divide the expense.

The Milwaukee City Club is similar in character to the City Club of Cleveland, of which the Secretary, Mr. Chas. B. Ryan, informs me you are a member of the Board of Directors. I am enclosing a copy of the annual number of our weekly bulletin which indicates the nature of our activities.

Very sincerely yours,

Leo Tiefenthaler
Civic Secretary.

Dear Rabbi Silver:

You will no doubt be pleased to learn that, after long and arduous efforts on the part of a small and faithful band of pioneers, a Jewish Center has been established in the city of Milwaukee.

The formal dedication exercises will be held Saturday evening, March 21st. It is of the utmost importance to the life of this new institution, particularly because of the present period of chaos and uncertainty, to make a proper entry, so to speak, into the life of the community. It is with that thought in view that we take the liberty of inviting you to be our guest and speaker for that evening. Mindful though we are of the call on your time from all directions, we feel justified because your coming will in large measure create the proper tone for this new project.

We urge you to make every effort to accept our invitation, -and you will earn the gratitude of an entire community.

Kindly wire collect whether we may expect you.

Sincerely yours,

Dear Rabbi Silver:

We were sorry that it so happened that you took sick at the time when you were to address the City Club.

Can we now induce you to be a speaker for one of the two Henry C. Campbell Memorial lectures, some time during the latter half of April or early May, at a definite date to be later determined.

You probably do not know of the Henry C. Campbell Memorial. Mr. Campbell was a citizen outstanding in Milwaukee for his civic work, thrice President of the City Club and for years closely identified with the Milwaukee Journal. Upon his death, a citizens' committee raised a memorial fund, in recognition of Mr. Campbell's stirring worth and his achievement in community service.

In behalf of the Board of Direction, I am instructed to extend a most cordial invitation to you to give one of the Henry C. Campbell Memorial Lectures this season, during the latter part of April or early May. This address will be held in a large auditorium and would be given considerable publicity.

The Campbell Memorial lecturers so far have been Otto Kahn of New York, Dr. Herbert Adams Gibbons and William Allen White.

It is our very earnest hope that you will favorably consider this matter and that if it is at all possible you will accept our invitation.

Should this be possible, may we ask you what your honorarium will be.

Very truly yours,

The Milwaukee Rotary Club would like to have you address them at one of their Tuesday noonday luncheons. Our appropriation for paid speakers is so small that I realize that we probably could not afford to have you come out specially to talk to Rotary.

It occurs to me, however, that you may be coming to Chicago or possibly passing through Milwaukee to some point beyond, and that you could arrange to talk to our Club without making a special trip out from Cleveland.

I have discussed the matter with Rabbi Samuel Hirschberg and both he and I are rather eager to have you come to our Club. Will you kindly let me hear from you, and if you think that you can come to Milwaukee please give me a list of subjects you would like to speak on.
