Rabbi Silver,
 Cleveland,
 Ohio.

Dear Sir:

We have in Mishawaka a very successful men's club, called the Fellowship Club. The membership consists of about 200 of the most prominent and representative men of the locality, and they meet once a month in the evening for dinner and then listen to some talk by men prominent in various lines of activities.

The obligation of providing a suitable program for the coming months has fallen to me, and I am writing you because one of our members heard you speak at the Purchasing Agents' Convention in Cleveland last summer and was so very enthusiastic about it that we thought it would be a splendid idea if arrangements could be made to have you address this Club at some future time.

We meet on the fourth Tuesday evening of each month.

I would like very much to have you think the matter over and write me whether or not you could consider accepting such an invitation.

It is understood, of course, that not only would you be paid for your expenses, but also for the services rendered.

Very truly yours,

President,
 FELLOWSHIP CLUB.

My dear Mr. Blair,

Permit me to thank you for your kind invitation to address the Fellowship Club in your city. I wish I were in a position to avail myself of the opportunity. Unfortunately my work here is so heavy that I cannot in justice to myself accept any more invitations this season. Perhaps at some future time I may be of service to you.

With kindest regards, I am

Very sincerely yours,
