Rabbi Aba H. Silver
Cleveland, Ohio.

My Dear Rabbi Silver:-

I want to extend to you a cordial invitation to attend a Get to Gether meeting of the Jews of this community which will held during May between the 5th and 23rd. I am not giving you the exact date as we will make that to suit you.

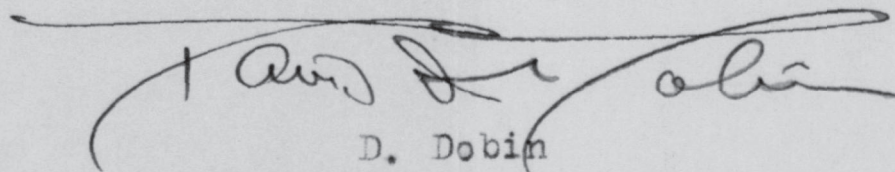

This gathering is called for the purpose of launching the drive for our building fund which will go towards the erection of a new Synagogue House. I personally have suggested the extending of this invitation to you as I am most positive that you would be able to raise the proper spiritual enthusiasm necessary for the success of such an important fund.

We would like you to give us a date preferable a Sunday evening during those two dates when you are available. I would also like to know to what extent we will be obligated to you for your troubles.

I hope you will accept this invitation as it is offered through the efforts of an old "Chavar" of yours in the Doctor Herzl Zion Club of New York.

Awaiting a satisfactory reply I am,
with my best personal wishes.

Very respectfully yours,

D. Dobin

My dear Mr. Dobin,

Permit me to thank you for your kind invitation to address a meeting of the Jewish community of Kensington, during the month of May. I wish I were in a position to accept it. Unfortunately my program is so crowded for the next few months and the work of the building of our new Temple is so heavy that I cannot in justice to myself accept any more.

With kindest regards, I am
