Dear Sir:

I am trying to line up two speakers for the general session of the Southwestern Wisconsin Teachers Association meeting for next October. It is to be held at Platteville, Wisconsin. Kindly let me know if you plan to speak at such conventions this next fall and if so, what would you charge for the service.

Sincerely yours,

Lillian M. Ellis

Mrs. Lillian M. Ellis, President,
Southwestern Wisconsin Teachers Association,
Dodgeville, Wisconsin:

My dear Mrs. Ellis:

Permit me to thank you for your kind letter of December 6. I have already accepted two invitations for early in October before Teachers Conferences in New York State. Whether I can come to your group will depend upon the date when your convention will be held. Some of our religious High Holy Days occur in October. On such days, of course, I must remain in the city.

My customary honorarium for such conventions is \$250. This includes traveling expenses.

With all good wishes, permit me to remain

Very cordially yours,

AHS:BK
