My Dear Rabbi Silver:

I would like to invite you to be the guest of honor and speaker at a dinner given by the Bonneville Club some time next Fall. Would like to have you tell me first, if you can accept such an invitation; secondly, how much would you charge for your efforts; thirdly, what date would be suitable?

Now, a word about the Club. The Bonneville Club is a nonsectarian organization. It stands for the improvement of the city and for the uplift of its members. We are interested in every line of endeavor-religious, social and intellectual etc. We believe in free speech etc.. We, as a rule, get a gathering at these dinners of 5-600 men and if that happens to be ladies' night we have much larger attendance.

Will appreciate to hear from you at your convenience. With kindest regards to you and yours, I am

My dear Rabbi Steiner,

Permit me to thank you for your kind letter of July 28th and for the invitation which you extend to me to address the Bonneville Club. I wish I could see my way clear to accept the invitation. I am compelled to decline it for two reasons, first, we are in the midst of building our new Temple which fact necessitates my almost continuous presence in Cleveland and, secondly, because I have some time ago promised to make a tour of the Sections of the Council of Jewish Women of the South this coming winter, and I do not therefore wish to take on any additional lecture engagements. If I could get out of it, I would cancel my Southern tour.

I hope that I shall have the opportunity at some future time to be of service to you.

With kindest regards, I am

Very sincerely yours,

My Dear Rabbi Silver:

Very sorry you cannot

accept my invitation to the Bonaventure Club.

But hope after the completion of your Temple
we shall have the pleasure. Would you be good

enough to have your secretary send me your
Sabbath School text book. I believe it is "Deuter

Publical History". Best wishes from me

and mine to you & yours

My Dear Rabbi Silver:-

Would it be possible for you to

My dear Rabbi Steiner,

I wish it were possible for me to accept your invitation to come to Salt Lake City to lecture in the cause of the Armenian orphans. Unfortunately, I am greatly overburdened with work incidental to the building of our New Temple and have been compelled to decline to accept any additional obligations to speak during the next few months.

Perhaps at some future time there may be an opportunity for me to serve you.

With kindest regards and trusting your campaign will be most successful, I am
