Dear Rabbi Silver:

We are making plans for our general program for the South Dakota Education Association meetings which will be held in Sioux Falls, South Dakota, November 22, 23, and 24, 1937. Would you be available for an appearance on our general program on either Monday or Tuesday, November 22 or 23? If so, what is your fee including expenses? As our budget is somewhat limited, this last point is of vital importance.

Very truly yours,

E. L. Bersagel

Mr. E. L. Bersagel,
The Northern Normal and Industrial School,
Aberdeen, South Dakota.

My dear Mr. Bersagel:

Please pardon the long delay in answering your kind letter. I have been away from the city a good deal of the time and my correspondence has lagged.

I am deeply appreciative of your invitation to address the convention of the South Dakota Education Association and I wish I were free to come. Unfortunately I have already booked myself for quite a number of teachers' conferences in October and November and because of your distance from Cleveland, I find it impossible to come to you this year.

Perhaps at some future time I may be of service to you. With all good wishes, permit me to remain

Very cordially yours,

AHS:BK
