Rabbi Abba Hillel Silver  
Congregation Fifereth  
Cleveland, Ohio

Dear Rabbi Silver:

We deeply regret that you are unable to be with us at our Commencement Season. I will consider it a rare privilege for students and faculty if I can ever arrange for them to hear you.

We are very appreciative of your taking the time and giving us the consideration necessary to determine whether or not you could fit this meeting into your busy schedule.

Sincerely yours,

*Dale W. Houk*
