My Dear Rabbi;

As I am the first Jewish boy to graduate from Vermilion High School, I suggested that we endeavor to have you as our commencement speaker. My suggestion was favorably met, and I was given the honor to inquire if it would be possible to secure your services for Thursday evening May 29th, and what the compensation may be.

Trusting that I may receive a favorable reply, I am

Mr. Monroe M. Vincent,
Vermilion, Ohio.

My dear Mr. Vincent:-

Permit me to thank you for your kind letter of March 24th and for the invitation which you extend to me to address the graduating class of the Vermilion High School on May 29th.

I wish I were free to avail myself of your kindness but unfortunately I have another engagement scheduled for that evening and the entire month of May is a very crowded one for me. Perhaps at some future time I may be of service to your school.

With kindest regards and best wishes,
permit me to remain

Very sincerely yours,
