Dear Abba

Can you help me out  
now with some money?

I will ask you to accept  
a few notes from me payable  
in 6 months from date.

If you can spare \$1000.00 I will  
have one note of \$500.00 payable to  
you in 6 months, and balance  
500.00 6 months from then.

Hoping my letters find  
you well and yours all happy  
with love from us all  
Jacob Michaelson

April 23d, 1929.

Mr. Jack Michaelson,  
201 Monticello Ave.,  
Jersey City, N. J.

My dear Jack:-

I am enclosing herewith a check for  
\$1000. I hope that this loan will help you in your  
business.

Your suggestion of giving me two notes  
payable in six months and a year is perfectly satisfactory.  
If you think that paying \$100 a month would be easier  
for you, I should be very happy to fall in with that  
arrangement.

With kindest regards and best love to  
Pearl, you and the children, I am

As ever yours,

AHS/IR

How are you now? We heard  
you did not come to N.Y. in account  
of sickness. Hope you are well now.

With love to you all
