DR. JULIUS MARK
RABBI

December 22, 1947

Dear Abba:

I wish that I might be
in a position to join you host
of friends and co-workers at the
Astor Hotel next Monday evening to
personally wish you a hearty
shalom and L. libraot.

God must have taken
pity on our unhappy generation
when He sent you to live in
our times. He rejoicing in my
least over the Decision of November 29th
is tempered when I think of how
little is left us. That we do not
have more is not because you
did not "battle like a lion".
That we have anything at all
is due to your valiant, courageous
and unceasing struggle.

May God's blessings be with
you always!

Yours ever
Julius

Dr. Abba Hillel Silver,
Zionist Organization of America,
41 East 42nd Street,
New York 17, N. Y.

My dear Chief:

It is with the deepest regret that
I find it impossible to be with you on the occasion
of your departure for Palestine.

No word of mine could add to the
admiration, to the praise, or to the devotion which
has been expressed to you by our people all over
the world. All of this is so richly deserved that
any attempt on my part to say more would be futile.

I do want to add, however, my very
best wishes for a safe journey for you, and for
the help and comfort that your presence will bring
to our people in Eretz Israel.

Sincerely,

Sidney L. Herold

My dear Dr. Silver:-

I usually take assignments without a quibble. This time it may be more difficult. You see, Baruch is already in South Carolina, where he has no telephone and can only be reached by telegraph ^{which takes} ~~over~~ twenty-four hours. I'll do what I can, but I suggest that there is a very definite compliment in his use of the word congratulations, which his hearers will unquestionably single out.

My warm regard, and my admiration for the work you are doing and my high hopes for the work you are yet to do.

Faithfully,

Dr. Abba Hillel Silver,
Ansel Road & 105th St.,
Cleveland, Ohio.

December 28, 1947.

Dear Friends,
Here you are starting
out on a wonderful trip. I do hope
that Mrs Silver's health improves,
that Rabbi Silver keep well, that
you both relax whenever possible
and that while in Palestine you
see some of your 'dream-plans'
unfold. We will miss you very
much at Temple and if possible

I will send you the Sisterhood
notice.

Not being a rabbi, may I
reverse part of our services and say
"May you be blessed in your going
and blessed in your home-coming."

Bon Voyage and Happy Landing.
Kindest regards from Sam and
myself.

Sincerely
Pete & Perch

Dear Rabbi & Mrs Silver:

May this trip be a glorious one and our very good wishes that the New Year will bring you and all our people in Palestine all the good things of life, rich in abundance; health, happiness, friendships and peace. May God bless you with a successful return.

Mrs. Silver, the Sisterhood wants you not to overtax yourself in anyway, if you feel that you must answer these messages may I suggest, just one letter, that I will take great pleasure in reading to them some Tuesday morning,

Sincerely,
Bernard & Rose Davis
