AN OPEN LETTER

To

DR. ABBA HILLEL SILVER

Dear Rabbi Silver:

It is our purpose to let you in on a deep secret. As you may perhaps have noticed, there have been some mysterious things going on behind your back with regard to which our ever alert and understanding president has concluded that you should now be apprised.

The activities in question relate to two important consecutive events of great significance to the Temple and in which you are directly involved. All this may sound ominous and foreboding to you, and in order to dispel any misapprehension on your part and set your mind at ease, we hasten to assure you that you really have no occasion for alarm. On the contrary, it is our hope that what we have to recount to you in this communication will be pleasing to you.

As you of course know, the congregational year 1961-62 presents an unprecedented milestone in the history of the Temple. It marks the 45th year of your uninterrupted leadership as its spiritual head. The congregational year 1962-63 immediately following, will contain your 70th birthday anniversary. The long, fruitful and eventful years preceding these two important events have been replete with unfailing and dedicated service on your part, not only to the Temple, but to world Jewry and all humanity as well. During these years, wide recognition has been accorded to you as an outstanding personality of world stature and you have brought high honor and distinction to your Temple. All this assuredly calls for appropriate commemorative observance on the part of those fortunate persons who comprise the Temple's membership.

In appreciation of the foregoing, President Bertram J. Krohngold has appointed a special committee, with Abe M. Luntz as Chairman, to formulate a plan for the suitable commemoration of this important biennium occasion.

In view of the fact that you have always declined any commemorative gift of a personal nature and in all probability feel no differently in that respect now, the committee has planned a jubilee project which it believes will not only be acceptable to you but will, it is hoped, gratify you deeply. The principal feature of the project will be the publication of an important commemorative volume to be issued in your honor. The publication of such a volume is in accordance with an honorable and well established tradition in Jewish life. It will contain a biographical essay on you, including an appreciative appraisal of you as Rabbi, inspirational leader, and as a great human being; it will also contain a complete bibliography of your works and numerous scholarly articles of leading writers (including, it is hoped, some of yours), basically drawn from the important religious, cultural and literary areas which have been of great interest to you and in which you have made so many outstanding and lasting contributions. A distinguished group of eminent scholars will select the contents and edit the book. It will, it is hoped, be

an impressive volume, not only a highly fitting and enduring tribute to you, but also an important work of permanent literary value entitled to an honored place in public and private libraries, religious and lay, wherever they may be.

While the proposal has not been disclosed as yet to the membership at large, it has been confidentially discussed with a representative group of members. They have approved the plan enthusiastically without a dissenting voice. Thus, the project will go forward under the most propitious of auspices and the book will in due course go out into the treasured world of letters as a symbol of the love, esteem and veneration in which you are held by all the members of your great Tiffereth Israel Family.

The Honorable Jacob Javitz
Senate Office Building
Washington, D. C.

Dear Senator Javitz:

In January of 1963 Rabbi Abba Hillel Silver will mark his seventieth birthday. In honor of this occasion, The Temple and the city of Cleveland are sponsoring a festive celebration testifying to our appreciation of his manifold contributions to Jewish and communal life.

A national sponsoring committee is being organized, and it is our hope that Presidents Herbert Hoover and Dwight D. Eisenhower will lend their names to the Chairmanship of the Sponsoring Committee. Dr. Silver's influence has been felt far beyond the activities of this congregation, which he has led for forty-five years, and has been a force for good in our community and in our nation. He has been, as you know, active on the national scene for many decades, and he has worked with those who champion good causes on a variety of fronts.

I deeply appreciate your helpfulness in this matter, and with all good wishes, I remain

Cordially yours,

A. M. Luntz
Chairman,

So that Mr. McKeldin's name will correctly appear on the list of the Sponsoring Committee, if such a list is published, will you kindly call your secretary's attention to the fact that his name is spelled with an "i" instead of an "e", i.e. McKeldin and not McKelden.

She is not the only one to make this mistake. It is a common error and when detected in the printed form, usually is embarrassing to the committee in charge.

Dear Mr. Krohngold:

I have your letter of the 8th to Mr. Justice Frankfurter and regret that I must hold it until some later date, as the Justice has just been released from the hospital, following his recent illness, and is now convalescing at home. I do not feel free to add his name to your Committee of Sponsors, but I am sure that he would want me to send his best wishes for the success of your endeavor honoring Rabbi Silver on his seventieth birthday.

Sincerely yours,

Dear Mr. Krohngold:

I have before me your letter to Mr. Jacob R. Sensibar, inviting him to serve as a member of the National Committee of Sponsors, in connection with Rabbi Abba Hillel Silver's seventieth birthday next year.

Mr. Sensibar is in Israel at the moment and I am taking the liberty of accepting your invitation to him in his behalf. Not only I, but all of us in the American Technion Society share Mr. Sensibar's great regard for Rabbi Silver, and we are extremely happy to see the effort that is being made to accord him the recognition which he so richly merits.

As you may know, Rabbi Silver has been extremely interested in the Technion and indeed serves as a Director of the American Technion Society. I therefore think it might be suitable to invite, in addition to Mr. Sensibar, three other individuals affiliated with the Society, who are deeply cognizant of Rabbi Silver's lifetime of service. These three individuals are Dr. Abraham Tulin, Honorary Chairman, Board of Directors, American Technion Society; Dr. David Rose, Chairman, Board of Directors, American Technion Society; and Col. J. R. Elyachar, Honorary President, American Technion Society.

I am also returning to you one letter which is incorrectly addressed: Perhaps you meant to address this to Mr. Daniel Ross, formerly Chairman of the American Friends of the Hebrew University. Incidentally, the American Friends of the Hebrew University have a new president, Mr. Phillip Whitman.

With all good wishes.

Sincerely yours,

In January of 1963 our beloved Rabbi Abba Hillel Silver will reach his seventieth birthday.

To mark this very important milestone, a city-wide celebration is to be held in Cleveland on Sunday, January twentieth. I know that you are well aware of Dr. Silver's many contributions, not only to his congregation, which he has served for forty-five years, but to the well-being of his community and the nation. He has been an ardent champion of social progress and justice, human brotherhood, and international peace. He has been universally acclaimed as one of the builders of the State of Israel.

It is my pleasure to invite you to become a member of a National Committee of Sponsors and to join with other distinguished Americans in honoring this great spiritual leader. It would give us great pleasure if you would agree to serve on this committee.

I have your letter of July 16, 1962 addressed to me c/o The American Friends of the Hebrew University. Of course, I am delighted to accept your gracious invitation to become a member of the National Committee of Sponsors of the celebration in honor of Rabbi Abba Hillel Silver.

In June 1962 Philip Whitman was elected President and Ralph Wechsler was elected Chairman of the Board of the American Friends. At that time I was elected Honorary President. I mention this in the event that you may desire to have on your Committee the current chief executive officers of the American Friends.

Sincerely,

Daniel A. R.

JUSTICE HAROLD H. BURTON

July 23, 1962

My dear Mr. Krohngold:

Replying to your letter of July 9, I am delighted to hear of the plan you are undertaking to pay tribute to Rabbi Abba Hillel Silver on his 70th birthday.

I have long had admiration for the Rabbi and he has well earned the recognition you seek to give him.

As for joining a National Committee of Sponsors, I have found it to the best interests of this Court that I do not join in any sponsorships, particularly where the person sponsored has taken active part in relation to major controversies. It is not that I am criticising the Rabbi, but being an umpire on issues coming before the federal courts, I have felt it best not to participate in such sponsorships. Although I have retired from active service on the Supreme Court, I have not resigned from it and am sitting, by designation, with a Court of Appeals from time to time.

Yours sincerely,

RE: THE ABBA HILLEL SILVER 70th BIRTHDAY DINNER

The Abba Hillel Silver Birthday Dinner is to be held on Sunday, January 20, 1963. This will be a civic event involving not only the Temple members, but leaders from the entire city, state and nation. Many non-members have expressed a desire to participate in this event. I suggest that the co-chairmen should be Edgar Hahn, Louis B. Seltzer, Thomas Vail, Bert Krohngold and myself. From past experience, in events of this kind we do everything to please the recipient whom we are honoring, so you may rest assured that nothing of importance concerning the event will be done without first consulting you.

At all of these affairs, we have always had Dinner Letterheads (Dr. or Rabbi Abba Hillel Silver's Seventieth Birthday Dinner). You might also wish to recommend a nice program where we have various committee members and/or sponsors. This can be worked out by getting some professionals to give it some thought. At the recommendation of several members of the Temple, I arranged with Mr. Loewe, the manager of the hotel, for an excellent dinner which will enable us to charge only \$7.50 per person. That price will include flowers and other incidentals.

I would like to have a preliminary meeting with Rabbi Daniel Silver, Mr. Krohngold and the three co-chairmen because I feel very strongly that if it is going to be a city affair, they should have an opportunity to participate in the planning.

My dear Mr. McCahill:

In January of 1963 our beloved Rabbi Abba Hillel Silver will reach his seventieth birthday.

To mark this very important milestone, a city-wide celebration is to be held in Cleveland on Sunday, January twentieth. We know that you are well aware of Dr. Silver's many contributions, not only to his congregation, which he has served for forty-five years, but to the well-being of his community and the nation. He has been an ardent champion of social progress and justice, human brotherhood, and international peace. He has been universally acclaimed as one of the builders of the State of Israel. It is our pleasure to invite you to become a member of the Civic Sponsoring Committee, and to join with other distinguished citizens in honoring our great spiritual leader. It would give us great pleasure if you would agree to serve on this committee.

We await your kind reply.

With all good wishes,

Sincerely yours,

Dear Friends:

I welcome your warm letter of August 28. I am most eager to express my admiration and affection for Rabbi Silver on the occasion of his seventieth birthday and it will be an honor to serve on the Civic Sponsoring Committee for the special event scheduled for January 20th.

To my unhappiness, I will be unable to attend that event because I am scheduled to address an anniversary banquet of the United Hebrew Congregations in St. Louis on that date. I do hope that as a member of the committee I shall be permitted to render some service in the preparatory work for a gathering that will be of great significance, not only for the city of Cleveland but for Rabbi Silver's disciples and admirers throughout the world.

My warm good wishes.

Many thanks for your helpfulness yesterday and your expressed willingness to contact the Time Magazine people in regards to Dr. Silver's anniversary. I know it would make a fine feature story, much like the one they have just run on Hesbaugh. Dad is, after all, the leading American Jewish spiritual leader. I shall contact, as you suggested, the local representatives, Widder and Siegal, but I feel little more than a routine squib can be expected unless it is decreed from on high.

Mr. Bertram J. Krohngold, President,

Dear Mr. Krohngold,

I was pleased indeed to learn that your distinguished congregation plans to celebrated in such fitting manner the seventieth birthday of your very distinguished Rabbi, Dr. Abba Hillel Silver. And I am equally pleased to accept your kind invitation to become a member of the National Committee of Sponsors of this very happy occasion.

I must say frankly that ~~it~~ it is probably fitting that I should receive this invitation and also that I should accept it, since not only am I the only surviving member of the Faculty of the Hebrew Union College who taught Dr. Silver there when he was preparing for the Rabbinate, but also, and even more, since I am directly responsible for his becoming the Rabbi of your congregation. This story may interest you.

Rabbi Moses J. Gries and I were very close friends. In fact in those days, whenever I visited Cleveland, which was at least once each year, in order to lecture to the teachers of the religious schools of the two Reform congregations then in your city, I was always the house-guest of Rabbi and Mrs. Gries in their then new home out on the Lake front. When, in the fall of 1916, Rabbi Gries determined to retire from the active Rabbinate, he came to Cincinnati to discuss with me the question of who his successor should be. He felt that I was well qualified to make such recommendations, both because of my having taught the then young Rabbis during the preceding ten years of my connection with the Hebrew Union College and also because I had been the Secretary of the Central Conference of American Rabbis for eight of these years. I recommended only one man to him, viz. Rabbi Silver. Evidently Rabbi Gries was firmly impressed by what I told him of Rabbi Silver and of his high ability and rich promise, for he, in turn, recommended him to the Board of your congregation. Subsequently, at the biennial meeting of the Union of American Hebrew Congregations in Baltimore, in the spring of 1917, at the personal request of the President of your congregation, whom I knew personally and quite intimately, but whose name I can not now remember, I introduced Rabbi Silver to him. He, in turn, was very favorably impressed. Shortly thereafter Rabbi Silver was elected to serve your congregation as successor to Rabbi Gries.

In the light of these considerations, and also very proud of the distinguished service of Dr. Silver as a Rabbi in Israel,

I am happy indeed to accept the invitation extended to me by you in the name of your congregation, to serve upon this Committee of Sponsors.

With every assurance of high regard, I am,

Very sincerely yours,

Dear Daniel:

I am transmitting herewith lists of publications and individuals to whom you could profitably send press releases and/or photos and mats in connection with your community-wide celebration of Dr. Silver's 70th birthday January 20, 1963.

The people on these comprehensive lists, covering the Anglo-Jewish Press, Israeli Correspondents and the New York media, are usually fairly cooperative. I should like to suggest, however, that to help maintain this friendly spirit it is necessary to "give them the story", that is, to word the release in such a manner as to make it practically unnecessary for the publication to do any work. You will note that some of the lists are marked "No Mats to be sent". These publications do not have facilities for making use of mats.

You know, of course, of my respect, esteem and affection for Dr. Silver. Anything further I can do to help make this happy occasion a success I would consider a matter of privilege and personal pleasure. Please do not hesitate to call on me again.

With warmest personal regards, I remain

My dear Mr. Van Duzer:

In January of 1963 our beloved Rabbi Abba Hillel Silver will reach his
seventieth birthday.

To mark this very important milestone, a city-wide celebration is to be
held in Cleveland on Sunday, January twentieth. We know that you are
well aware of Dr. Silver's many contributions, not only to his congre-
gation, which he has served for forty-five years, but to the well-being
of his community and the nation. He has been an ardent champion of
social progress and justice, human brotherhood, and international peace.
He has been universally acclaimed as one of the builders of the State of
Israel.

It is our pleasure to invite you to become a member of the Civic Sponsoring
Committee and to join with other distinguished citizens in honoring our
great spiritual leader. It would give us great pleasure if you would
