AN OPEN LETTER

To

DR. ABBA HILLEL SILVER

Dear Rabbi Silver:

It is our purpose to let you in on a deep secret. As you may perhaps have noticed, there have been some mysterious things going on behind your back with regard to which our ever alert and understanding president has concluded that you should now be apprised.

The activities in question relate to two important consecutive events of great significance to the Temple and in which you are directly involved. All this may sound ominous and foreboding to you, and in order to dispel any misapprehension on your part and set your mind at ease, we hasten to assure you that you really have no occasion for alarm. On the contrary, it is our hope that what we have to recount to you in this communication will be pleasing to you.

As you of course know, the congregational year 1961-62 presents an unprecedented milestone in the history of the Temple. It marks the 45th year of your uninterrupted leadership as its spiritual head. The congregational year 1962-63 immediately following, will contain your 70th birthday anniversary. The long, fruitful and eventful years preceding these two important events have been replete with unflinching and dedicated service on your part, not only to the Temple, but to world Jewry and all humanity as well. During these years, wide recognition has been accorded to you as an outstanding personality of world stature and you have brought high honor and distinction to your Temple. All this assuredly calls for appropriate commemorative observance on the part of those fortunate persons who comprise the Temple's membership.

In appreciation of the foregoing, President Bertram J. Krohagold has appointed a special committee, with Abe M. Luntz as Chairman, to formulate a plan for the suitable commemoration of this important biennium occasion.

In view of the fact that you have always declined any commemorative gift of a personal nature and in all probability feel no differently in that respect now, the committee has planned a jubilee project which it believes will not only be acceptable to you but will, it is hoped, gratify you deeply. The principal feature of the project will be the publication of an important commemorative volume to be issued in your honor. The publication of such a volume is in accordance with an honorable and well established tradition in Jewish life. It will contain a biographical essay on you, including an appreciative appraisal of you as Rabbi, inspirational leader, and as a great human being; it will also contain a complete bibliography of your works and numerous scholarly articles of leading writers (including, it is hoped, some of yours), basically drawn from the important religious, cultural and literary areas which have been of great interest to you and in which you have made so many outstanding and lasting contributions. A distinguished group of eminent scholars will select the contents and edit the book. It will, it is hoped, be

an impressive volume, not only a highly fitting and enduring tribute to you, but also an important work of permanent literary value entitled to an honored place in public and private libraries, religious and lay, wherever they may be.

While the proposal has not been disclosed as yet to the membership at large, it has been confidentially discussed with a representative group of members. They have approved the plan enthusiastically without a dissenting voice. Thus, the project will go forward under the most propitious of auspices and the book will in due course go out into the treasured world of letters as a symbol of the love, esteem and veneration in which you are held by all the members of your great Tiffereth Israel Family.

The Honorable Jacob Javitz
Senate Office Building
Washington, D. C.

Dear Senator Javitz:

In January of 1963 Rabbi Abba Hillel Silver will mark his seventieth birthday. In honor of this occasion, The Temple and the city of Cleveland are sponsoring a festive celebration testifying to our appreciation of his manifold contributions to Jewish and communal life.

A national sponsoring committee is being organized, and it is our hope that Presidents Herbert Hoover and Dwight D. Eisenhower will lend their names to the Chairmanship of the Sponsoring Committee. Dr. Silver's influence has been felt far beyond the activities of this congregation, which he has led for forty-five years, and has been a force for good in our community and in our nation. He has been, as you know, active on the national scene for many decades, and he has worked with those who champion good causes on a variety of fronts.

I deeply appreciate your helpfulness in this matter, and with all good wishes, I remain

Cordially yours,

A. M. Lantz

In January of 1963 our beloved Rabbi Abba Hillel Silver will reach his seventieth birthday.

To mark this very important milestone, a city-wide celebration is to be held in Cleveland on Sunday, January twentieth. I know that you are well aware of Dr. Silver's many contributions, not only to his congregation, which he has served for forty-five years, but to the well-being of his community and the nation. He has been an ardent champion of social progress and justice, human brotherhood, and international peace. He has been universally acclaimed as one of the builders of the State of Israel.

It is my pleasure to invite you to become a member of a National Committee of Sponsors and to join with other distinguished Americans in honoring this great spiritual leader. It would give us great pleasure if you would agree to serve on this committee.

With all good wishes,

Sincerely yours,

So that Mr. McKeldin's name will correctly appear on the list of the Sponsoring Committee, if such a list is published, will you kindly call your secretary's attention to the fact that his name is spelled with an "i" instead of an "e", i.e. McKeldin and not McKelden.

She is not the only one to make this mistake. It is a common error and when detected in the printed form, usually is embarrassing to the committee in charge.

Dear Mr. Krohngold:

I have before me your letter to Mr. Jacob R. Sensibar, inviting him to serve as a member of the National Committee of Sponsors, in connection with Rabbi Abba Hillel Silver's seventieth birthday next year.

Mr. Sensibar is in Israel at the moment and I am taking the liberty of accepting your invitation to him in his behalf. Not only I, but all of us in the American Technion Society share Mr. Sensibar's great regard for Rabbi Silver, and we are extremely happy to see the effort that is being made to accord him the recognition which he so richly merits.

As you may know, Rabbi Silver has been extremely interested in the Technion and indeed serves as a Director of the American Technion Society. I therefore think it might be suitable to invite, in addition to Mr. Sensibar, three other individuals affiliated with the Society, who are deeply cognizant of Rabbi Silver's lifetime of service. These three individuals are Dr. Abraham Tulin, Honorary Chairman, Board of Directors, American Technion Society; Dr. David Rose, Chairman, Board of Directors, American Technion Society; and Col. J. R. Elyachar, Honorary President, American Technion Society.

I am also returning to you one letter which is incorrectly addressed: Perhaps you meant to address this to Mr. Daniel Ross, formerly Chairman of the American Friends of the Hebrew University. Incidentally, the American Friends of the Hebrew University have a new president, Mr. Phillip Whitman.

With all good wishes.

Sincerely yours,

In January of 1963 our beloved Rabbi Abba Hillel Silver will reach his seventieth birthday.

To mark this very important milestone, a city-wide celebration is to be held in Cleveland on Sunday, January twentieth. I know that you are well aware of Dr. Silver's many contributions, not only to his congregation, which he has served for forty-five years, but to the well-being of his community and the nation. He has been an ardent champion of social progress and justice, human brotherhood, and international peace. He has been universally acclaimed as one of the builders of the State of Israel.

It is my pleasure to invite you to become a member of a National Committee of Sponsors and to join with other distinguished Americans in honoring this great spiritual leader. It would give us great pleasure if you would agree to serve on this committee.

I am in receipt of your letter of July 9th inviting me to serve as a member of a National Committee of Sponsors to honor Rabbi Hillel Silver on the occasion of his seventieth birthday in January, 1963.

I will of course be very glad to serve with the understanding that because of my many other commitments which already greatly overtax my time and my strength, it will not be possible for me to take an active part in the work of the Committee. I am afraid, too, that I will be unable to attend the city-wide celebration in Cleveland on Sunday, January 20th, as Mrs. Lehman and I are planning to be away throughout the month of January. I shall, however, be honored to be listed as a sponsor.

With best wishes.

Dear Mr. Krohngold:

I have your letter of July 16, 1962 addressed to me c/o The American Friends of the Hebrew University. Of course, I am delighted to accept your gracious invitation to become a member of the National Committee of Sponsors of the celebration in honor of Rabbi Abba Hillel Silver.

In June 1962 Philip Whitman was elected President and Ralph Wechsler was elected Chairman of the Board of the American Friends. At that time I was elected Honorary President. I mention this in the event that you may desire to have on your Committee the current chief executive officers of the American Friends.

Sincerely,

CHAMBERS OF
JUSTICE HAROLD H. BURTON

My dear Mr. Krohngold:

Replying to your letter of July 9, I am delighted to hear of the plan you are undertaking to pay tribute to Rabbi Abba Hillel Silver on his 70th birthday.

I have long had admiration for the Rabbi and he has well earned the recognition you seek to give him.

As for joining a National Committee of Sponsors, I have found it to the best interests of this Court that I do not join in any sponsorships, particularly where the person sponsored has taken active part in relation to major controversies. It is not that I am criticising the Rabbi, but being an umpire on issues coming before the federal courts, I have felt it best not to participate in such sponsorships. Although I have retired from active service on the Supreme Court, I have not resigned from it and am sitting, by designation, with a Court of Appeals from time to time.

Yours sincerely,

Harold H. Burton

1. Wives of all board members.
2. All past Presidents of the Temple Women's Association.
3. A few women who have been vitally interested in Temple activities during the past years.

I ask that you replace this list with the original list which I sent you. This list, of course, is subject to additions or deletions.
