My dear Abba:

I received the invitation to attend the dinner to be given in your honour. Perhaps a miracle may happen so that Rebecca and I may be present. But, if my health prevents it, I shall be a very unhappy person on January 20th.

How I would like to be present to join in honouring one of the great Americans and one of the greatest Jewish leaders of our time, a friend whom I have known for almost 60 years, one for whom I have the deepest affection and respect.

What can I add to the tributes that will be paid to you? Except this - courage. This has been, Abba, many times in the course of my life an immense help and inspiration to me.

May Providence grant you and Virginia and all your dear ones long life and good health.

With affectionate regards from Rebecca and myself, I am

As ever,

My Dear Rabbi Silver

I have just had the great pleasure of receiving an invitation to the Testimonial Dinner in honour of your 70th birthday, on Sunday, 20th January, at the Hotel Sheraton-Cleveland, and I am delighted to know that D.V. you will shortly enter the widening circle of Septuagenarians, into which only last June I had the privilege of entering myself.

Although to my very great regret it will not be possible for me to make the journey at that time, my thoughts and those of my family who have had the privilege of your friendship for many years, will be with you and in cordial association with the numerous well deserved tributes that will be paid to you. Certainly I know nobody in the U.S.A. or indeed anywhere, who has given himself for over 50 years so wholeheartedly, so energetically and so spiritually to all Jewish causes, and above all to the Zionist cause in whose trials and whose progress we have long been co-workers.

My wife and I personally, and the Board of Deputies of British Jews, send to you and to your family their warmest congratulations and best wishes for a long continuation of the fruitful and inspiring activities which constitute such a remarkable record of achievement.

Dear Dr. Silver,

Bertha and I want to extend a hearty Mazel Tov on your 70th birthday - and in this we are joined by your many friends and admirers in Cape Town who still have some very happy recollections of your visit to our City.

In looking back over the years I feel very grateful for the 3 years which I spent in Cleveland under your tutelage. They had an important formative influence on my general outlook and subsequent career. But then again yours has been a positive influence in shaping the faith and character of American Israel.

May God grant you many years of health and blessed activity in the service of our people and our faith.

With all good wishes and kindest regards to you and Mrs. Silver.

Sincerely,

RABBI DAVID SHERMAN.

Dear Rabbi Silver,

I have never so much regretted my illness as at present, when I am deprived of the possibility of being among your distinguished friends and admirers who are celebrating your seventieth birthday.

I have always been impressed by your great personality and have admired how, with your exceptional gifts, your name and action have spread to any parts of the world where Jews are to be found.

Your extraordinary gift of eloquence has contributed powerfully to the revival of Judaism and to the establishment of Israel.

You have been a great spiritual teacher, and your speeches and messages have become legendary among all Jewish Communities.

Truly, you are like that man of whom the great Russian poet Nekrassow said: "Happy is the man who turns back and sees the roads over which he has travelled!".

You may be justly proud of your actions, but the Jewish people as a whole is even prouder than you.

In this solemn moment, when your wonderful career will be evoked by those who surround you, I allow myself to send you my blessing of an ex-Rabbi, and to wish you a long life, and the continuance of your activities on the way which will culminate with Israël - the reborn Nation for which you sacrificed so much of your time and efforts.

Reading the Press, I know how many messages of felicitations and honours that have been bestowed on you on reaching the three-score-and-ten.

Regrettably, due to illness, this is the first opportunity I have to join the multitude of friends and admirers in all phases of Jewish life in felicitating you on reaching this milestone in a historic career of devotion to your own country, to Israel, and to mankind.

May you be blessed for many more years to come with good health to continue your tireless efforts on behalf of your people.

Dear Rabbi Silver,

Please accept my heartiest congratulations on your 70th birthday. How I wished that I could have been present at your celebration, to which I was so happy to be invited! Unfortunately the ocean divides us, though not our feelings, ideals and passions. Having just recovered from a slight illness I deem it my first and most pleasant duty to join those hundreds of thousands in wishing a great leader in Israel, who is one of the few real builders of our young State, a dauntless scholar, orator, Zionist and spiritual leader, many happy returns of the day.

May success and good luck accompany you in your activities, private and communal. May the other half century of your allotted span be as fruitful and as beneficial to our people and to humanity at large as your first seventy years!

Yours very sincerely,

J. Litvin

My dear friends:

I have received your gracious letter of the 25th of January in which you convey to me the greetings of your organization on the occasion of my seventieth birthday. I need not tell you that I am profoundly grateful to you for your thoughtfulness and for the beautiful sentiments contained in your communication. I shall always treasure your high opinion of me.

I have not had the pleasure of visiting the countries of Latin-America (except Mexico) in behalf of Zionism and Israel, but I hope that fortune will favor me in the not too distant future to make such a visit for I have heard of your great devotion to our common cause and the splendid work which you are doing.

With all good wishes, permit me to remain

Most cordially yours,

ABBA HILLEL SILVER

P. S. - I have also received independent greetings from the Zionist Federation of Argentina. Will you not convey to the officers and members of the Argentina Federation my thanks and my deep appreciation?

Dear Rabbi Silver

We have just read in our Jewish Press of the celebrations held in honour of your twentieth birthday and we were delighted to read of the very many tributes paid to you because of your great contributions in the many fields of Jewish and non-Jewish endeavour. My wife and I would like to join with your very many friends throughout the world in wishing you and your wife many happy returns of the day and many healthy years in the days to come.

With our very kindest regards

Yours sincerely

Samson Kuper

My dear friends:

May I thank you for your gracious letter which extended to me your good wishes on the occasion of my seventieth birthday. It was indeed very thoughtful of you to remember the occasion and to write to me. I shall treasure your sentiments. I am very grateful, too, for your gracious invitation to visit Mexico again as your guest. I recall with deep satisfaction and much pleasure my visit to your country at your invitation on the occasion of my sixtieth birthday. However, I am leaving for England on March 10th to open their drive for Israel, and from there I am going to Israel for a few weeks so that it is quite out of the question for me to avail myself of your invitation to visit Mexico this spring, but I do hope that I will soon have the pleasure of seeing all my good friends again.

With warmest regards and all good wishes, I remain

Most cordially yours,

ABBA HILLEL SILVER

ד"ר סילבר היקר,

צר לי, על אשר לא אוכל להשתתף במעמד בו
מסתמלת ברכת הסתדרות ציוני אמריקה וברכת ההנהלה הציונית במלואת
לך 70 שנה.

לצערי, מונעת ממני הוראת הרופא השתתפותי.
אולם, גם מרחוק אני רוכש לך ברכה, יקר וכבוד.

ידעתי להוקיר את פועלך ונאמנותך לפיתוח
האידיאליים והמעשה הציוני. מעבר לכל חילוקי דעות והשקפות, הייתי
מיצר תמיד על הגבלת פעולתך בהסתדרות הציונית בתקופה האחרונה.

משאלה וברכה לי, כי תוסיף מעתה לעמוד
במלוא אונך, רוחב דעתך ומרץ פעולתך בשורות הראשונות של המעשה
