When I picked up my N.Y Times this morning I read that Daniel's Father had passed away. I was terribly shocked since I did not know that he had been ill. Ken and I send you our deepest sympathy and we want you to know that we are thinking of you.

My dear Mrs. Silver -

On my desk is a letter  
which I had written to you  
two weeks ago - to be enclosed  
in the copy of "Virginia Woolf".  
I was hesitant about sending  
it as I wasn't sure of your  
exact address - and now it is  
meaningless - In that letter  
I told you that I felt like  
two different people - the  
"crisis me" being all that  
junk, and the "real me"  
coming home and wondering

who bought it. But if I had  
any regrets about the trip  
at all, it is erased now.

I feel that it was fated that  
we be there, and meet the  
Rabbi, especially since Hyman  
is so ardent and active a Zionist.  
We were given that privilege -  
and - we are thankful for it.

The Jews of the world have lost  
a great leader, and you have  
lost part of yourself because  
your "oneness" was apparent and  
beautiful.

May you derive strength  
in the consolation of the great  
love that was yours for many  
years -

Sincerely -  
Helen Caplan

Dear Dan -

Barbara and I want to add our sympathies to you and your family in your hour of sorrow.

Your Father contributed in so many ways to the Cleveland and world communities.

People thought of him - and loved him - in so many different ways and for so many different reasons.

For me, his stature and goodness were appreciated in a special way. By his very being, I am proud to be a Jew - particularly as I move through the community in my daily

business life.

Each and every one of us  
is a better person for having  
known him.

Best regards  
Hank
