CHAIRMEN OF VARIOUS COMMITTEES

FINANCE AND PERSONNEL COMMITTEE: Charles J. Rosenbloom, Chairman

It will be the function of this Committee to examine and approve the budgets of the various committees of the Emergency Council and to devise ways and means of providing the necessary funds. It will also pass upon the hiring and remuneration of personnel.

RESEARCH COMMITTEE: Mrs. Rose Halpern, Chairman

With the assistance of a competent staff it will be the purpose of this group to obtain all the necessary data which can be used by any other committee to strengthen the presentation of Palestine's claims on many fronts. This Committee will furnish the facts on the basis of which opinions may be formulated with respect to current and future problems.

✓ PRESS AND RADIO COMMITTEE: Hayim Greenberg, Chairman

This Committee will be held responsible for relations with the press in all its forms, to include daily, weekly and monthly papers and all media of the press through which opinion may be reached. The arrangement of radio programs will also be within the purview of this group.

✓ PUBLICATIONS COMMITTEE: Louis Lipsky, Chairman

It is the intention of the Emergency Council to issue certain documents and publications. These will be of a monograph and regular character. The decisions with respect to the nature and content of such publications will be made by this Committee.

✓ COMMUNITY CONTACTS COMMITTEE: Joel Gross, Chairman

It will be the purpose of this Committee to organize Jewish and other public opinion within local communities for the sake of ultimately educating the National and State legislatures with respect to Zionist aims. This Committee will undertake such projects as will further the stated purpose.

COMMITTEE ON ECONOMIC RESOURCES: Emanuel Neumann, Chairman

The planning for Palestine's post-war future is bound up with its economic development. The projects that have been and will be offered must be subjected to thorough and competent analysis. That will be the function of this Committee.

✓ AMERICAN PALESTINE COMMITTEE: Herman Shulman, Chairman

This Committee will serve to organize Christian lay groups, largely on a national basis, for the purpose of demonstrating Christian America's friendship for Jewish Palestine. This Committee's functions will dovetail into those of the Community Contacts Committee, with the latter assuming initiative for contacts on a local basis.

COMMITTEE ON SPECIAL FUNCTIONS AND EVENTS: Meyer W. Weisgal, Chairman

There will be many special events which the Emergency Council will need to create in order to focus attention dramatically on our claims and needs with respect to Palestine. The organization and conduct of these functions will be the province of this Committee.
